

ZTE EB2201

ZTE Buds 2 Wireless Earbuds

INSTRUCTION MANUAL

1. Product Overview

The ZTE Buds 2 are advanced True Wireless Stereo (TWS) earbuds designed for an immersive audio experience. Featuring Bluetooth 5.3 connectivity, these earbuds offer instant pairing and stable connections for music and calls. With up to 25 hours of total battery life using the portable charging case, and IPX4 water resistance, they are suitable for various activities, including workouts and outdoor use. The intuitive touch controls and lightweight design ensure comfort and ease of use.

2. Getting Started

2.1 Package Contents

Before use, please ensure all components are present:

- ZTE Buds 2 Wireless Earbuds (Left and Right)
- Charging Case

- USB-C Charging Cable
- User Manual

2.2 Charging the Earbuds and Case

For optimal performance, fully charge the earbuds and charging case before first use.

- Place the earbuds into the charging case. Ensure they are correctly seated.
- Connect the USB-C charging cable to the charging port on the case and to a power source.
- The indicator light on the case will show charging status.

Battery Life:

- Up to 5 hours of music playback on a single charge.
- Up to 3.7 hours of call time on a single charge.
- Total of up to 25 hours with the charging case (provides 4 additional charges).

Charging Times:

- Earbuds: Approximately 1.5 hours
- Charging Case: Approximately 2.5 hours

A promotional graphic for ZTE Buds 2. On the left, a smartphone displays a music player interface with the song 'Lost Cause' by Billie Eilish. In front of the phone is the black ZTE charging case with its lid open, showing the earbuds. To the right, a light blue rounded rectangle contains the text '25 horas de batería' in large, bold black font. Above this text are icons of a clock and a battery with a lightning bolt. Below the main text, it says 'Hasta 25 horas de autonomía:' followed by a list of features in Spanish. At the bottom right of the blue area, there are two ZTE charging cases, one black and one white, both with their lids open.

25 horas de batería

Hasta **25 horas de autonomía**:

- 5 horas de reproducción de música por cada carga.
- El estuche de carga permite 4 cargas adicionales.
- Tiempo de carga auriculares: 1.5h
- Tiempo de carga estuche: 2.5h

2.3 Bluetooth Pairing

The ZTE Buds 2 utilize Bluetooth 5.3 for quick and stable connections.

1. Ensure the earbuds are charged.
2. Open the lid of the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth.
4. Search for available Bluetooth devices and select "ZTE Buds 2" from the list.
5. Once connected, the earbuds will automatically pair with your device when you open the case lid in the future.

3. Operating Instructions

3.1 Touch Controls

The ZTE Buds 2 feature intuitive touch controls on each earbud for easy management of calls, music, and voice assistant.

- **Calls:**

- Two taps (Left or Right): Answer/Hang up call
- Press and hold 1.5s (Left or Right): Reject call

- **Music:**

- Two taps (Left or Right): Play/Pause
- Press and hold 1.5s (Left): Previous track
- Press and hold 1.5s (Right): Next track

- **General:**

- Three taps (Left or Right): Activate voice assistant (Google Assistant, Siri, Bixby, etc.)
- Three taps (Left and Right simultaneously): Reset pairing record (earbuds must be disconnected from the device first).

3.2 Device Compatibility

The ZTE Buds 2 are compatible with a wide range of devices, including:

- Android smartphones and tablets
- iPhones and iPads
- MacBooks and other macOS devices
- Windows laptops and PCs
- Smart TVs with Bluetooth connectivity

4. Maintenance and Care

4.1 Cleaning

To maintain sound quality and hygiene, regularly clean your earbuds:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Gently remove any earwax or debris from the earbud tips and speaker mesh using a small, soft brush or cotton swab.
- Do not use abrasive cleaners, alcohol, or chemical solvents.

4.2 Water Resistance (IPX4)

The ZTE Buds 2 are rated IPX4 for water resistance, meaning they are protected against splashing water from any direction. This makes them suitable for:

- Light rain
- Sweat during workouts

Important: IPX4 rating does not mean the earbuds are waterproof. Do not submerge them in water, expose them to strong jets of water, or use them in saunas or steam rooms.

Image: A person running, highlighting the IPX4 water resistance and lightweight design of the earbuds.

5. Troubleshooting

If you encounter issues with your ZTE Buds 2, try the following solutions:

- **Earbuds not pairing or connecting:**

- Ensure both earbuds are charged and placed in the case.
- Make sure Bluetooth is enabled on your device.
- Forget/delete "ZTE Buds 2" from your device's Bluetooth list and try pairing again.
- Perform a factory reset: Disconnect earbuds from your device, then three taps on both Left and Right earbuds simultaneously.

- **No sound or low volume:**

- Check the volume level on both your device and the earbuds.
- Ensure earbuds are properly seated in your ears.

- Clean any debris from the earbud speaker mesh.

- **Charging issues:**

- Ensure the charging cable is securely connected to both the case and the power source.
- Try a different USB-C cable or power adapter.
- Clean the charging contacts on the earbuds and inside the case.

- **Microphone not working:**

- Ensure the earbuds are connected and selected as the audio input device on your phone.
- Check for any obstructions on the microphone opening.
