Cove B0C3F9G2CW (Reaper Time - Pepper Small)

Cove USA Premium Graphic Hoodies User Manual

Model: Reaper Time - Pepper Small (ASIN: B0C3F9G2CW)

PRODUCT OVERVIEW

The Cove USA Premium Graphic Hoodie is a heavyweight, fleece-lined sweatshirt designed for comfort and durability. Crafted from an ultra-soft cotton/polyester blend, it features a pre-shrunk fabric and a tag-less neck for enhanced wearability. This hoodie is part of Cove Surf Co.'s commitment to sustainability, with each purchase contributing to ocean debris removal.

Key features include:

- Premium Comfort:** Made with a cotton/polyester blend and fleece lining for a warm, ultra-soft interior.
- Pre-shrunk & Tagless:** Ensures a consistent fit after washing and irritation-free wear.
- Versatile Sizing:** Designed for a relaxed, generous fit, with options to size down for an athletic look or size up for an oversized fit.
- Sustainability Initiative:** Every purchase supports the removal of 1 pound of debris from the ocean.

SETUP AND INITIAL USE

Before wearing your new Cove USA Premium Graphic Hoodie, it is recommended to perform an initial wash. This helps to remove any manufacturing residues and can reduce initial lint or fuzzing, especially on darker colors.

First Wash Instructions:

- Machine wash cold with like colors.
- Turn the hoodie inside out to help preserve the graphic design.
- Tumble dry low.
- Do not bleach.

The hoodie is pre-shrunk, so you can expect the fit to remain consistent after washing.

OPERATING (WEARING AND SIZING)

The Cove USA Premium Graphic Hoodie is designed for comfortable, everyday wear. Its relaxed fit provides ample room for movement.

Sizing Guidance:

- True to Size:** For a standard, comfortable fit, select your usual size.
- Athletic Fit:** For a more fitted, athletic appearance, consider sizing down one size.

- **Relaxed/Oversized Fit:** For a looser, more relaxed or oversized feel, consider sizing up one size.

The drawstring hood allows for adjustable coverage and warmth.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your hoodie. Follow these guidelines for washing and drying:

- **Washing:** Machine wash cold. Use a gentle cycle. Wash with similar colors to prevent color transfer.
- **Drying:** Tumble dry low. Remove promptly to avoid wrinkles. Air drying is also an option to further extend garment life.
- **Bleaching:** Do not use bleach, as it can damage the fabric and graphic design.
- **Ironing:** If ironing is necessary, turn the garment inside out and iron on a low setting. Do not iron directly on the graphic.
- **Graphic Preservation:** Always turn the hoodie inside out before washing and drying to protect the printed graphic from abrasion and fading.

TROUBLESHOOTING

While the Cove USA Premium Graphic Hoodie is designed for quality, some common observations can be addressed:

Issue	Possible Cause	Solution
Initial Fuzzing/Lint	New fleece lining may shed fibers during the first few washes.	Wash the hoodie inside out a few times before wearing with light-colored clothing. This shedding typically reduces significantly after 2-3 washes.
Graphic Fading/Cracking	Improper washing or drying, direct ironing on graphic.	Always wash inside out. Use cold water and tumble dry low. Avoid high heat and direct ironing on the graphic.
Shrinkage	Excessive heat during washing or drying.	The hoodie is pre-shrunk. To maintain size, always follow care instructions: machine wash cold, tumble dry low.

PRODUCT SPECIFICATIONS

- **Model Name:** Reaper Time - Pepper Small
- **ASIN:** B0C3F9G2CW (Parent), B0BTBZRQH7 (Variant)
- **Fabric Type:** 80% Cotton, 20% Polyester
- **Closure Type:** Lace Up (for drawstring)
