SETUP

Charging

Before first use, fully charge your Soundcore Q20i headphones. Connect the provided USB-C cable to the charging port on the earcup and plug the other end into a compatible USB power source. The LED indicator will show charging status. A full charge provides up to 40 hours of playtime with ANC on, and 60 hours in normal mode. A quick 5-minute charge can provide 4 hours of playtime.

Bluetooth Pairing

To pair your headphones with a Bluetooth device:

1. Ensure the headphones are charged and powered off.
2. Press and hold the Power button for 3 seconds until the LED indicator flashes blue, indicating pairing mode.
3. On your device, enable Bluetooth and search for
