Instruction Manual for Vente-unique Bertrand Corner Wardrobe

Model: Bertrand
Brand: Vente-unique

1. INTRODUCTION

The Vente-unique Bertrand Corner Wardrobe is designed to provide extensive storage for clothing and accessories, optimizing corner spaces. It features a practical design with multiple compartments, hanging rails, and drawers, complemented by a curtain and a mirror for convenience and style.

This manual provides essential information for the assembly, safe use, and maintenance of your Bertrand wardrobe. Please read it carefully before beginning assembly or use.

2. SAFETY INFORMATION

Important Safety Warnings:

- This furniture must be assembled by an adult.
- Do not overload drawers, hanging rails, and linen compartments beyond the maximum recommended loads.
- Keep children away during assembly and use of the furniture.
- Clean with a soft cloth and avoid abrasive products or aggressive chemical cleaners.
- For stability, this unit is designed for wall mounting. Ensure proper wall fixation during assembly.

4. SETUP AND ASSEMBLY

This product requires self-assembly. Follow the step-by-step instructions provided in the separate assembly guide included with your purchase. Ensure you have adequate space and the necessary tools (e.g., screwdriver, hammer, level) before starting.

- **Preparation:** Clear a large, flat area for assembly. Unpack all components and organize them according to the assembly guide.
- **Structural Assembly:** Begin by assembling the main frame and side panels. Pay close attention to the orientation of each piece.
- **Internal Components:** Install the linen compartments, clothing rails, and drawer slides as indicated.
- **Drawer Assembly:** Assemble the drawers and attach the invisible handles. Insert them into their respective slides.
- **Door and Mirror Installation:** Attach the door with the integrated mirror. Ensure it swings freely and the handle mechanism functions correctly.

- **Curtain Installation:** Install the grey curtain onto its rail.
- **Wall Fixation:** Securely fix the wardrobe to the wall using the provided hardware to prevent tipping. This is a critical safety step.

5. OPERATING AND USAGE

The Bertrand Corner Wardrobe offers versatile storage solutions:

- **Clothing Rails:** Use the three clothing rails to hang garments such as shirts, dresses, and trousers. The maximum load for each clothing rail is 14 kg.
- **Linen Compartments:** Utilize the 13 linen compartments for folded clothes, accessories, or storage boxes. The maximum load for each linen compartment is 6 kg.
- **Drawers:** The three sliding drawers are ideal for smaller items like socks, underwear, or jewelry. The maximum load for each drawer is 5 kg.
- **Mirror:** The integrated mirror on the door provides a convenient full-length reflection.
- **Curtain:** The grey curtain can be drawn to conceal a section of the wardrobe, providing privacy or a neat appearance. The maximum load for the curtain rail is 5 kg.

6. MAINTENANCE

To ensure the longevity and appearance of your Bertrand wardrobe:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the melamine finish.
- **Spills:** Immediately wipe any spills with a clean, dry cloth to prevent staining or damage to the wood particle board.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary to maintain stability.
- **Load Limits:** Adhere strictly to the maximum load capacities for rails, compartments, and drawers to prevent structural damage.
- **Environment:** Place the wardrobe in a dry environment, away from direct sunlight and extreme temperature fluctuations, to prevent warping or discoloration.

7. TROUBLESHOOTING

If you encounter any issues with your Bertrand wardrobe, consider the following:

- **Wobbly or Unstable:**
 - Ensure all assembly screws are fully tightened.
 - Verify that the wardrobe is placed on a level surface.

- Confirm that the wall fixation is secure and properly installed.

- **Drawers Sticking or Not Closing Smoothly:**

- Check if the drawers are overloaded. Remove items if necessary.
- Inspect the drawer slides for any obstructions or misalignment.
- Ensure the drawer assembly is correct and all screws are tight.

- **Door Not Closing Properly:**

- Check the door hinges for proper alignment and tightness.
- Ensure the wardrobe itself is level and not leaning.

If problems persist, refer to the detailed assembly instructions or contact Vente-unique customer support.
