PayLessHere 10 Inch Twin Mattress

PayLessHere 10 Inch Twin Memory Foam Mattress User Manual

Model: 10 Inch Twin Mattress

INTRODUCTION

Welcome to the user manual for your new PayLessHere 10 Inch Twin Memory Foam Mattress. This guide provides essential information for setting up, caring for, and understanding the features of your mattress. Designed for comfort and support, this mattress is CertiPUR-US certified and features a removable soft cover for easy maintenance. Please read these instructions carefully to ensure optimal use and longevity of your product.

SAFETY INFORMATION

Please allow 24-72 hours for the mattress to return to its original state after unboxing. Any foam product will expand faster in a warm room. In cold temperatures, the mattress may take longer to recover from compression. The expansion time of a mattress may vary depending on the surrounding environment. Ensure adequate ventilation during the initial expansion period to dissipate any potential odors.

SETUP INSTRUCTIONS

Unboxing and Expansion

1. Carefully remove the compressed mattress from its shipping box.
2. Place the rolled mattress on a clean, flat surface, such as your bed frame.
3. Carefully cut and remove the outer plastic packaging. Avoid using sharp objects that could damage the mattress fabric.
4. Unroll the mattress and allow it to expand. The mattress will begin to decompress immediately.
5. Allow 24-72 hours for the mattress to fully expand to its intended size and firmness. During this time, the mattress may have a slight odor, which is normal and will dissipate with ventilation.

Video: This video demonstrates the unboxing and expansion process of the PayLessHere memory foam mattress, showing how to remove it from the box, unwrap the plastic, and allow it to expand on a bed frame.

Placement

This mattress is suitable for various bed frames including standard bed frames, bunk beds, trundle beds, and daybeds. Ensure

your bed frame provides adequate support for a foam mattress to maintain its integrity and comfort.

PRODUCT FEATURES AND DESIGN

- **CertiPUR-US Certified Foam:** The high-quality foam meets CertiPUR-US standards for performance, durability, and content, ensuring it is made without harmful substances.
- **Cooling and Breathable Design:** Features a high-density foam layer that conforms to the body, designed to reduce tossing and turning. The slow-rebound foam helps distribute pressure evenly.
- **Protective Cover:** Includes a soft, removable cover that can be cleaned for easy maintenance. The cover works in conjunction with the memory foam to optimize its properties.
- **Three-Layer Full Foam System:** Designed for improved support and heat dissipation, this system includes a base foam, a comfort layer, and a high-density base support foam for extreme comfort and long-term dependability.
- **Medium Cushion Firmness:** This mattress offers a medium to strong feel, providing a balance of comfort and support.

Image: Icons highlighting the mattress's eco-friendly foam, harmful substance-free composition, and flame-retardant qualities, with a hand demonstrating the foam's responsiveness.

CARE AND MAINTENANCE

Removable Cover Care

The mattress features a soft, removable cover with a zipper design for easy cleaning. Follow the care instructions on the cover's label for best results. Typically, machine washing in cold water on a gentle cycle and tumble drying on low heat is recommended. Do not bleach or iron the cover.

General Mattress Care

- To prolong the life of your mattress, rotate it head-to-foot every 3-6 months.
- Use a mattress protector to guard against spills and stains.
- Spot clean any spills on the mattress core with a mild detergent and water. Allow to air dry completely before replacing the cover.
- Avoid using harsh chemicals or abrasive cleaners on the mattress.

TROUBLESHOOTING

- **Odor Upon Opening:** A new foam mattress may have a slight, harmless odor upon unboxing. This is normal and will dissipate within 24-72 hours in a well-ventilated room.
- **Incomplete Expansion:** If the mattress does not fully expand within 72 hours, ensure it is in a warm room and has been completely removed from all packaging. Cooler temperatures can slow the expansion process.
- **Perceived Firmness:** The mattress's firmness may feel slightly different during the initial expansion period. Allow the full 72 hours for the foam to settle and reach its intended comfort level.

WARRANTY AND SUPPORT

For any questions, concerns, or issues regarding your PayLessHere mattress, please contact customer support through your original point of purchase. Information regarding available protection plans can also be found where the product was purchased.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
