MUTTROS SpaceX Starship-L Cat Tree Instruction Manual

Model: AMT0096BG-HW

1. INTRODUCTION

Thank you for choosing the MUTTROS SpaceX Starship-L Cat Tree. This multi-level cat tower is designed to provide a stimulating and comfortable environment for your feline companions. Please read this manual carefully before assembly and use to ensure proper setup and long-term enjoyment.

2. SAFETY INFORMATION

- Ensure all parts are securely fastened before allowing cats to use the tree.
- Place the cat tree on a flat, stable surface to prevent tipping.
- Keep the product indoors and in a dry place.
- Regularly inspect the cat tree for loose parts or damage. Tighten screws and replace damaged components as needed.
- This product is designed for cats. Do not allow children to climb or play on the cat tree.
- Maximum static load capacity: 44 lbs (20 kg).

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Cat Tree Components (various wood panels, platforms, condos)
- Installation Manual
- Spare Pompom (x1)
- Set of Tools and Parts (Allen wrench, screwdriver, screws, etc.)
- Soft, Machine-Washable Cushions
- Detachable Cat Scratching Board

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have a clear workspace.

4.1 Overview of Components and Dimensions

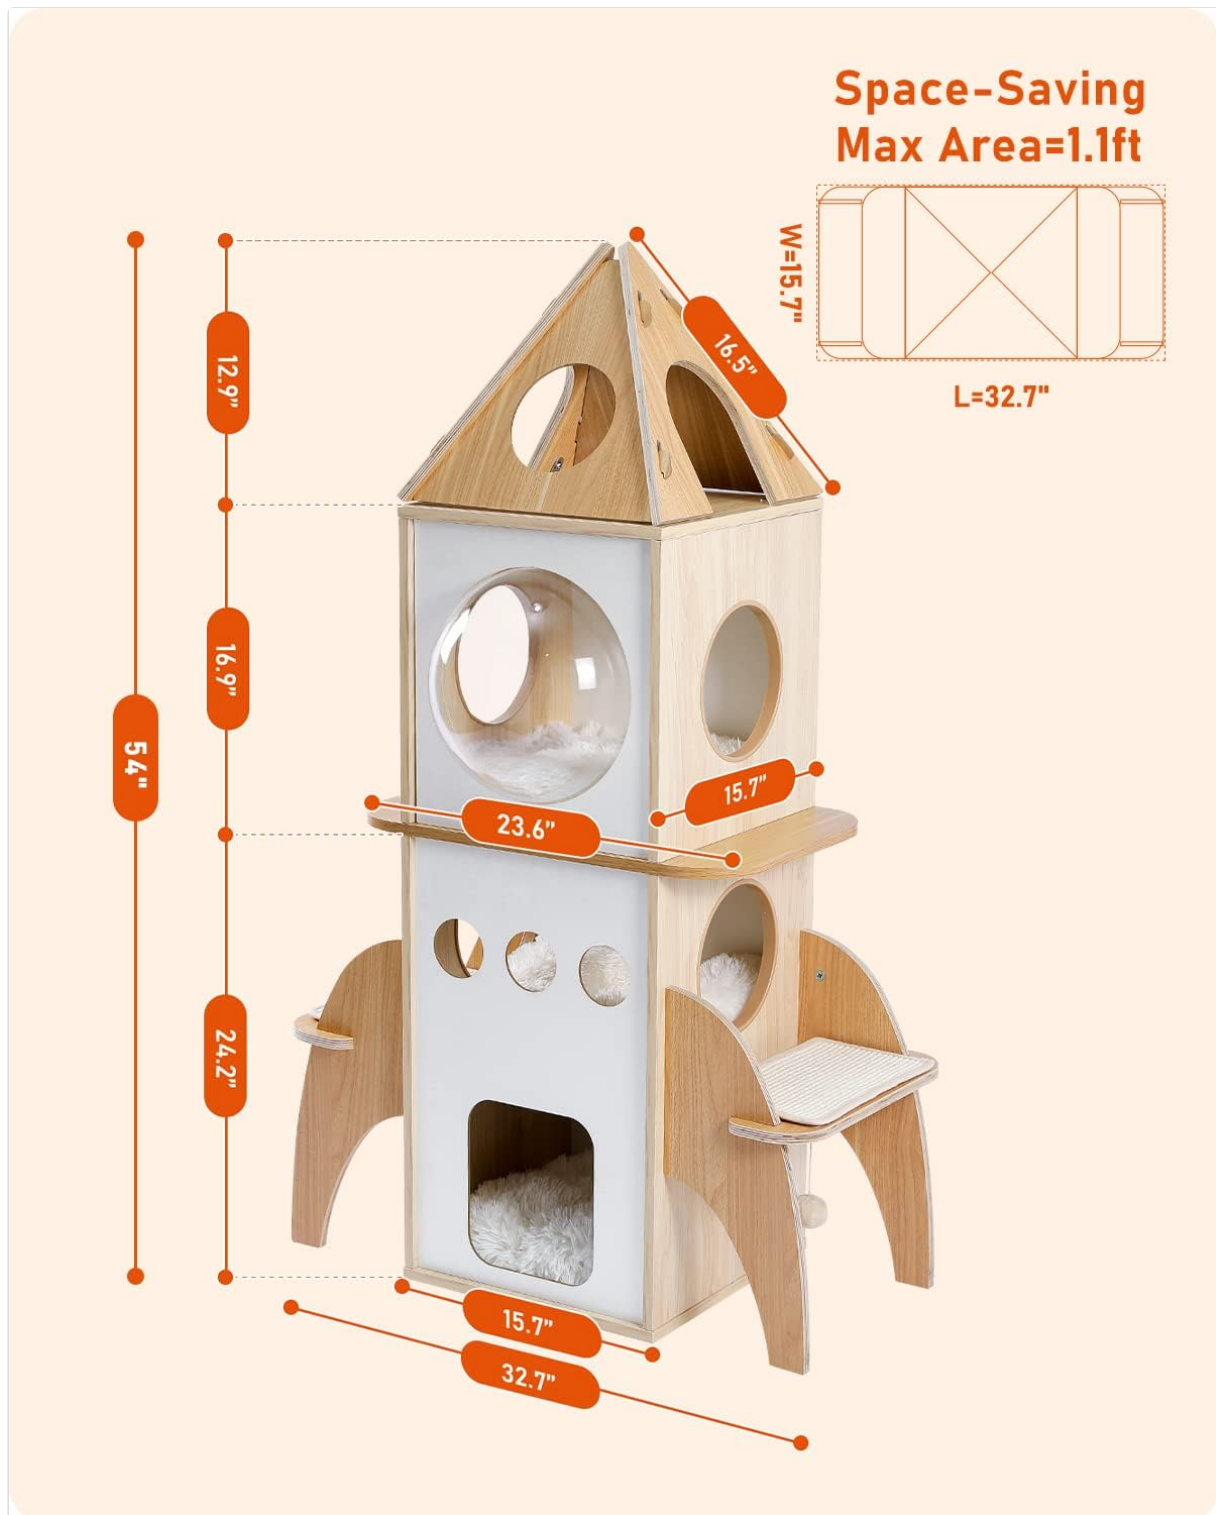

Figure 1: Product dimensions and key components. The cat tree measures approximately 32.7 inches (L) x 15.7 inches (W) x 54 inches (H).

Familiarize yourself with the various parts and their corresponding labels as shown in the provided diagram. The overall structure is designed for stability with a large base and four landing airfoils.

4.2 Step-by-Step Assembly

1. **Unpack and Identify:** Carefully unpack all components and lay them out. Refer to the parts list to

ensure everything is present.

2. **Assemble the Base:** Begin by attaching the base panels and the four landing airfoils. Ensure all screws are tightened using the provided tools.
3. **Construct Lower Condos:** Assemble the lower condo sections, securing panels as indicated in the manual. Insert the soft plush cushion into the ground floor condo.
4. **Install Middle Section:** Attach the middle section, including the second floor with hideaway holes and the transparent acrylic porthole condo. Ensure the acrylic porthole is securely fitted.
5. **Attach Upper Attic Perch:** Assemble the top attic perch, forming the rocket's tip.
6. **Add Accessories:** Attach the detachable cat scratching board to the designated area. Hang the dangling balls or pompom toys.
7. **Final Check:** Once assembled, gently shake the cat tree to confirm stability. Tighten any loose connections.

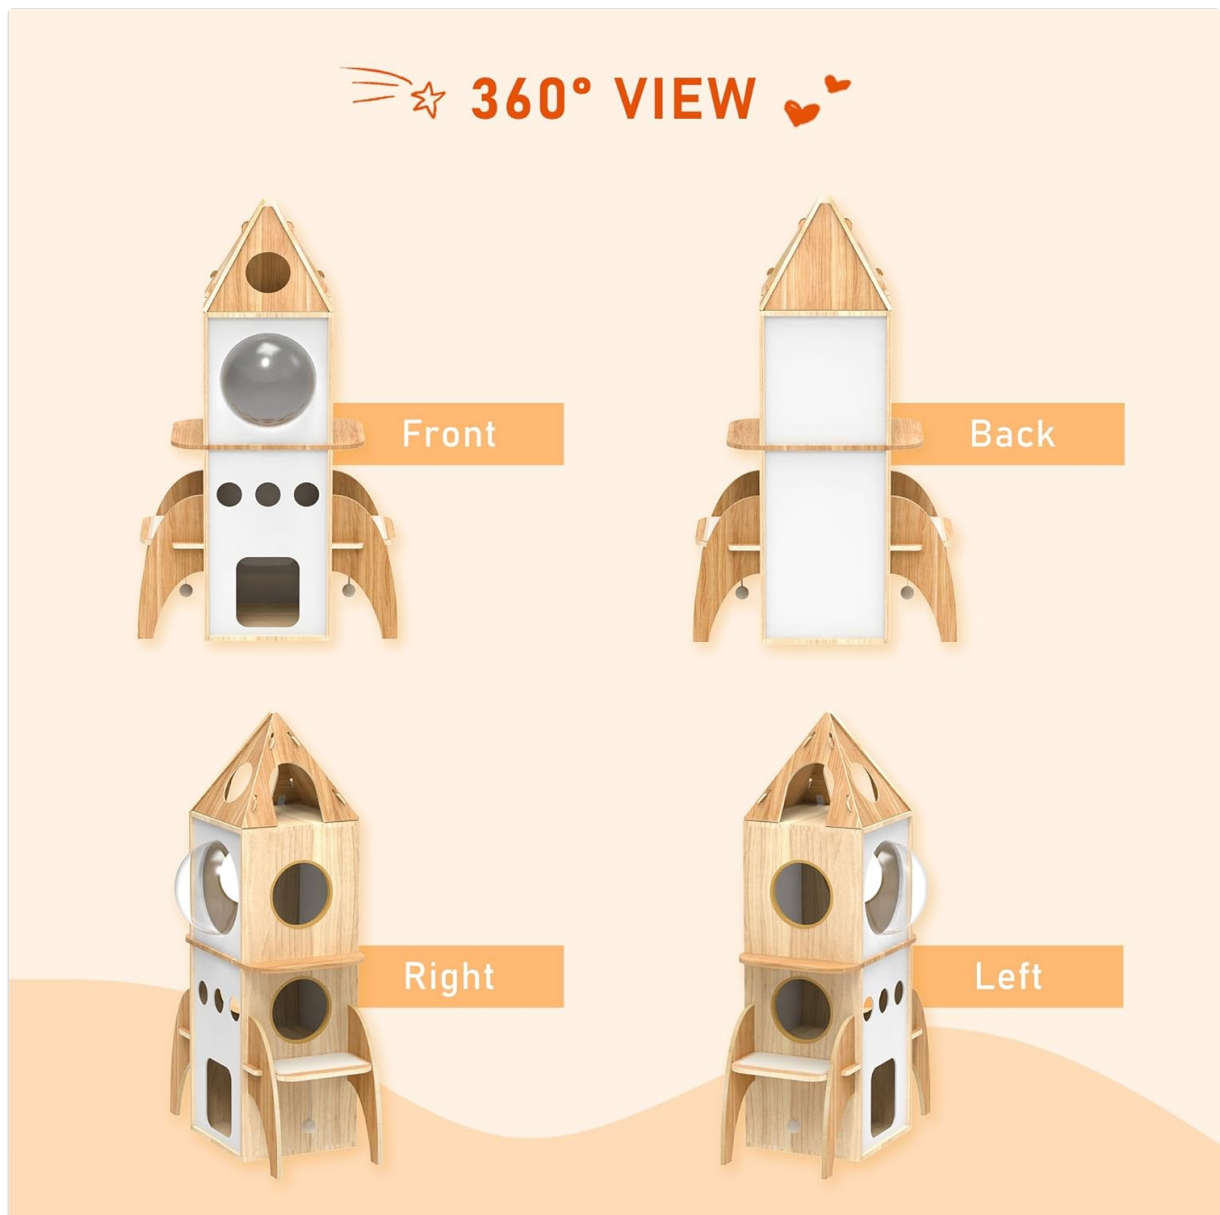

Figure 2: Various views of the assembled cat tree, demonstrating its multi-level structure and design.

5. OPERATING INSTRUCTIONS

The MUTTROS SpaceX Starship-L Cat Tree offers multiple features for your cat's engagement and comfort:

- **Multi-Level Exploration:** Cats can climb, jump, and explore the various levels, including three enclosed condos and an attic perch.
- **Comfortable Condos:** The ultra-soft plush cushion in the ground floor condo provides a cozy resting spot. The second floor offers hideaway holes for play.
- **Transparent Porthole:** The super large shipping space with an acrylic porthole allows cats to observe their surroundings from a unique vantage point.
- **Scratching Surface:** The detachable cat scratching board helps fulfill your cat's natural scratching instincts, protecting your furniture.
- **Playful Elements:** Dangling balls and pompoms provide interactive play opportunities.
- **Attic Perch:** The top loft serves as an elevated nap spot or a vantage point for surveying the surroundings.

6. MAINTENANCE

Regular maintenance ensures the longevity and hygiene of your cat tree:

- **Cushion Cleaning:** All pads and cushions are removable and machine-washable. Wash on a gentle cycle with mild detergent and air dry.

- **Surface Cleaning:** The wooden surface is waterproof and can be easily cleaned with a damp cloth. Avoid harsh chemicals.
- **Scratching Board:** The scratching board is detachable and can be replaced if worn out.
- **General Care:** Keep the cat tree indoors and in a dry environment. Avoid prolonged exposure to direct sunlight or moisture.

Detachable Cat Scratching Board

Fulfilling Your Cat's Scratching Needs.

Figure 4: The soft, machine-washable cushions provide comfort and are easy to clean.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Instability:** Ensure all screws are fully tightened. Verify the cat tree is placed on a level surface.
- **Missing Parts:** Check the packaging thoroughly. If parts are still missing, contact customer service.
- **Cats Not Using the Tree:** Encourage use by placing treats or familiar toys on different levels. Some cats may need time to adjust.
- **Damaged Components:** Do not attempt to repair severely damaged parts. Contact customer service for replacement parts.
