Navaris Cat Window Hammock Instruction Manual

Model: 61419.11

1. IMPORTANT SAFETY INFORMATION

Please read all safety instructions before assembly and use. Keep this manual for future reference.

- Ensure the hammock is securely attached to a stable surface capable of supporting the weight of your cat (up to 14 kg).
- Regularly check all components for wear and tear, especially the fabric and attachment points. Replace any damaged parts immediately.
- Do not exceed the maximum weight capacity of 14 kg (approximately 30 lbs).
- Keep small children away from the hammock during assembly and ensure it is installed out of their reach to prevent accidents.
- This product is designed for indoor use only.

For additional safety details, please refer to the official Safety Information PDF document provided by Navaris.

2. PRODUCT OVERVIEW

The Navaris Cat Window Hammock provides a comfortable and elevated resting spot for your feline companion. Its versatile design allows for attachment to various surfaces, offering your cat a new perspective and a cozy place to relax.

Key Features:

- **Adjustable Mounting:** Easily attachable to windows, beds, and other furniture.
- **Tool-Free Installation:** Simple and quick setup without the need for additional tools.
- **Spacious Design:** Measures 55 x 38 x 17.5 cm, suitable for adult cats.
- **Robust Construction:** Made from quality wood and durable fabric, supporting up to 14 kg.

3. SETUP INSTRUCTIONS

Follow these steps for quick and easy assembly and installation of your cat window hammock.

3.1 Unpacking the Components

Carefully remove all parts from the packaging. Verify that all components are present and undamaged:

- 1x Cat Hammock (pre-assembled fabric and wooden frame)
- Adjustable mounting hooks/brackets
- Adjustment knobs

3.2 Attaching the Hammock

1. **Choose a Location:** Select a stable surface such as a window sill, bed frame, or other furniture edge that can support the hammock and your cat's weight. Ensure the surface is flat and sturdy.
2. **Position the Hammock:** Place the hammock's wooden frame onto the chosen surface. The flat hooks on the underside of the frame should rest against the edge of the surface.

FLAT HOOK FOR VERSATILE MOUNTING

Image: A detailed view of the flat hook design on the hammock's wooden frame, illustrating how it secures to a surface edge for versatile mounting.

3. **Adjust and Secure:** Use the adjustment knobs located on the top of the wooden frame to tighten the hammock against the surface. Turn the knobs clockwise until the hammock is firmly secured and does not wobble. No tools are required for this step.

EASY TO USE

No tools needed for adjustments

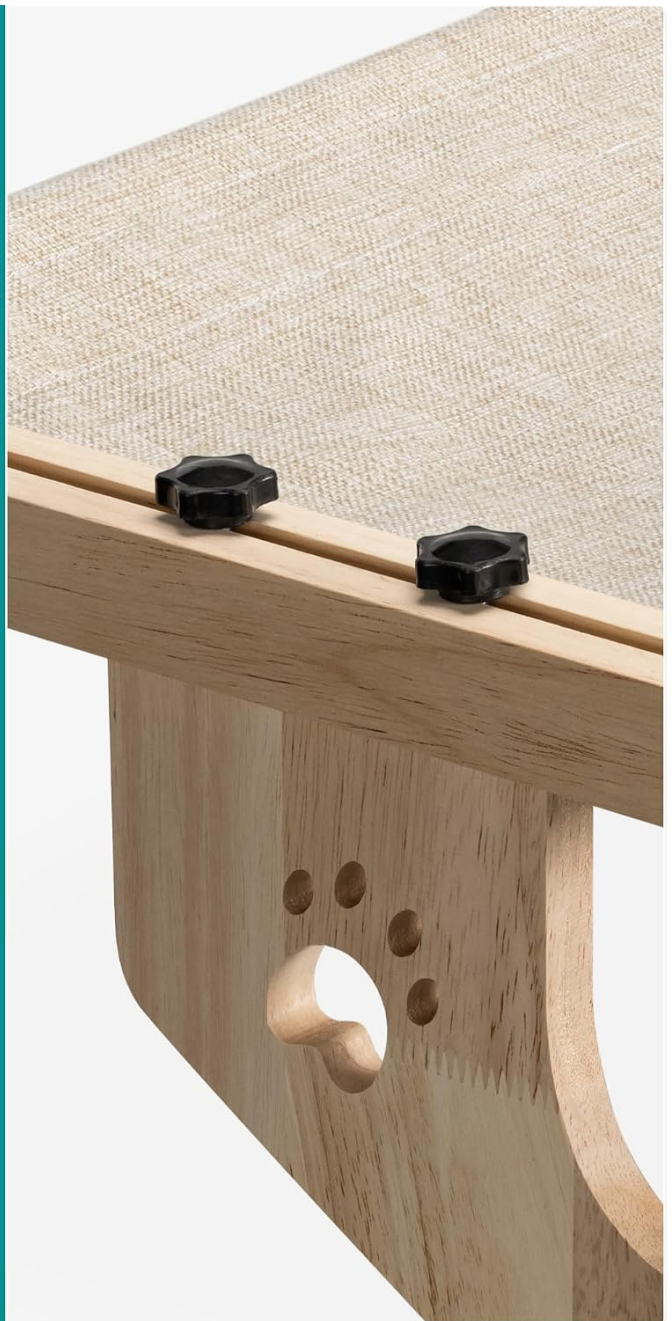

Image: A close-up of the black adjustment knobs on the wooden frame, highlighting the tool-free adjustment mechanism for easy installation.

4. **Final Check:** Gently push down on the hammock to ensure it is stable and can support your cat's weight. If there is any movement, re-tighten the adjustment knobs.

Image: The Navaris Cat Window Hammock securely mounted on a window sill, demonstrating its versatility and stability. A cat is shown enjoying the elevated view.

4. OPERATING INSTRUCTIONS

Once installed, the Navaris Cat Window Hammock is ready for use. Encourage your cat to explore their new resting spot.

- The hammock provides a comfortable and elevated space for your cat to rest, observe their surroundings, or nap.
- Some cats may need time to adjust to a new item. You can encourage them by placing their favorite blanket or toy on the hammock.
- Ensure the hammock is always stable before your cat uses it.

Image: An orange cat is shown sleeping soundly on the Navaris Cat Window Hammock, which is attached to the side of a bed, illustrating its use as a cozy resting place.

5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your cat hammock.

- **Cleaning the Fabric:** The fabric part of the hammock should be hand washed only. Use mild soap and cold water. Do not machine wash, bleach, or tumble dry. Allow to air dry completely before reattaching.
- **Cleaning the Wooden Frame:** Wipe the wooden frame with a damp cloth. Avoid using harsh chemicals or abrasive cleaners. Dry thoroughly.
- **Regular Inspection:** Periodically check the wooden frame for cracks or splinters, and the fabric for tears or excessive wear. Ensure all attachment points and knobs remain tight and secure.

6. TROUBLESHOOTING

If you encounter any issues with your Navaris Cat Window Hammock, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Hammock feels unstable or wobbly.	Adjustment knobs are not tight enough; surface is not suitable.	Re-tighten the adjustment knobs firmly. Ensure the mounting surface is flat and sturdy.
Cat is not using the hammock.	Cat needs time to adjust; location is not appealing.	Place familiar items (blanket, toy) on the hammock. Try moving the hammock to a different location with a better view or more sunlight.
Fabric appears worn or damaged.	Normal wear and tear; excessive scratching.	Inspect for minor damage. If significantly torn or worn, consider replacing the fabric or the entire unit for safety.
Wooden frame is cracked or broken.	Impact damage; manufacturing defect; excessive weight.	Discontinue use immediately. The product is unsafe. Contact customer support for assistance.
