2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Potential Sharp Edges:** Exercise caution during assembly due to potential sharp edges from MDF board components.
- **Electrical Components:** Handle electrical components with care. Always unplug the vanity when not in use or during cleaning.
- **Water Exposure:** Do not use the vanity near water or in excessively damp environments to prevent electrical hazards.
- **Heat Sources:** Keep the vanity away from direct heat sources.
- **Assembly:** Always follow the provided assembly instructions carefully.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Vanity Desk Frame (Engineered Wood)

- LED Lighted Mirror
- Power Outlet with USB Ports
- Storage Stool
- Drawers (2)
- Storage Cabinet with Adjustable Shelf
- Open Bookcase Shelves (3)
- Assembly Hardware (screws, dowels, etc.)
- Instruction Manual

4. SETUP & ASSEMBLY

While the main components are designed for straightforward assembly, please allocate sufficient time for the process. Typically, assembly can take approximately 2-3 hours for one person. It is recommended to have an additional person for certain steps to ensure stability and ease of construction.

1. **Unpack Components:** Carefully unpack all parts and hardware. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the included manual to identify each component.
3. **Assemble Base:** Follow the step-by-step diagrams to assemble the main desk frame.
4. **Install Drawers & Cabinet:** Securely attach the drawer slides and assemble the drawers and cabinet.
5. **Attach Mirror & Shelves:** Mount the LED lighted mirror and the open bookcase shelves to the desk base.
6. **Assemble Stool:** Construct the storage stool according to the instructions.
7. **Connect Power:** Plug the vanity's power cord into a standard wall outlet.

Note: A Phillips screwdriver is provided, but using a higher quality screwdriver or a screw gun may expedite the process.

5. OPERATING INSTRUCTIONS

5.1 LED Lighted Mirror

The integrated LED mirror offers customizable lighting for optimal makeup application.

- **Power On/Off:** Lightly touch the power button icon on the mirror surface to turn the lights on or off.
- **Change Light Modes:** Briefly touch the power button icon repeatedly to cycle through three different light modes: warm, natural, and cold.
- **Adjust Brightness:** Long-press the power button icon to dim or brighten the lights to your desired level. Release when the desired brightness is achieved.

5.2 Charging Station

The vanity includes a built-in charging station for convenience.

- **Power Outlets:** Utilize the two standard 11V/12A plug sockets for hair dryers, curling irons, or other electrical appliances.
- **USB Ports:** Use the two 5V/2A USB ports to charge mobile devices such as phones or tablets.

5.3 Expandable/Foldable Countertop

The vanity features a drop-leaf countertop on one side to adapt to your space requirements.

- **Extend Countertop:** Lift the drop-leaf section until it locks into place to gain additional workspace.
- **Fold Countertop:** Release the locking mechanism (usually a small lever or button underneath) and gently lower the countertop to save space.

6. STORAGE FEATURES

The IRONCK Vanity Desk is designed with multiple storage solutions to keep your items organized.

- **Drawers:** Two spacious drawers are available for storing makeup, accessories, and other personal items.
- **Storage Cabinet:** A cabinet with an adjustable shelf provides concealed storage for taller items or larger containers.
- **Open Bookcase/Cubbies:** Three open shelves and three cubbies offer easy access and display space for frequently used products or decorative items.
- **Storage Stool:** The accompanying stool features a lift-top design, revealing hidden storage space for additional organization.

7. MAINTENANCE

- **Cleaning:** Wipe the vanity surfaces with a dry cloth to remove dust and spills. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Use a soft, lint-free cloth and a glass cleaner specifically designed for mirrors to clean the LED mirror surface.
- **Electrical Safety:** Regularly inspect the power cord and plugs for any signs of damage. Discontinue use and contact support if damage is found.

8. TROUBLESHOOTING

8.1 LED Mirror Lights Not Working

- **Check Power Connection:** Ensure the vanity's power cord is securely plugged into a functional wall outlet.
- **Verify Outlet:** Test the wall outlet with another appliance to confirm it is receiving power.
- **Reset:** Unplug the vanity for 30 seconds, then plug it back in and try operating the mirror lights again.
- **Contact Support:** If the issue persists, contact customer support for further assistance.
