tectake Modular Poly Rattan Garden Lounge Set (3-4 Person, Grey)

Model: B0C3MBGRQM

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your new tectake Modular Poly Rattan Garden Lounge Set. Please read these instructions carefully before use and retain them for future reference.

SAFETY INSTRUCTIONS

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- This product requires assembly. Please follow the provided assembly instructions carefully to ensure safe use.
- Store this product away from adverse weather conditions (heavy rain, strong winds, extreme temperatures) to ensure its durability and prevent damage.
- Do not allow children to play with loose parts or during the assembly process. Small parts can be a choking hazard.
- This product may present risks of tipping or injuries caused by sharp or cutting parts if not assembled or used correctly. Ensure all connections are secure.
- Always read and follow the maintenance instructions to guarantee safe and prolonged use.
- Do not exceed the weight capacities specified in the 'Specifications' section.

PRODUCT OVERVIEW

The tectake Modular Poly Rattan Garden Lounge Set offers a flexible and elegant solution for your outdoor space. Its modular design allows for various configurations to suit your needs, whether for entertaining guests or relaxing. Constructed with durable, UV-resistant poly-rattan and a powder-coated steel frame, this set is built for longevity and stability.

Key features include:

- **Modular Design:** Allows for personalized arrangement of seating components.
- **Robust Construction:** UV-resistant poly-rattan weaving and a powder-coated steel frame ensure durability against weather elements.
- **Easy Maintenance:** Features removable, water-repellent, and washable cushion covers for effortless cleaning.
- **Practical Table:** Includes a refined table with a removable safety glass plate, providing a stable and elegant surface.
- **Simplified Assembly:** Designed for quick and straightforward setup.

Image: The tectake modular garden lounge set arranged as a sofa with a chaise lounge extension, a separate stool, and a coffee table, set on a patio next to a swimming pool. This image highlights the modularity and aesthetic appeal of the set.

SETUP INSTRUCTIONS

Your tectake garden lounge set is designed for straightforward assembly. Please ensure all components are present before beginning. It is recommended to have at least two people for assembly to ensure ease and safety.

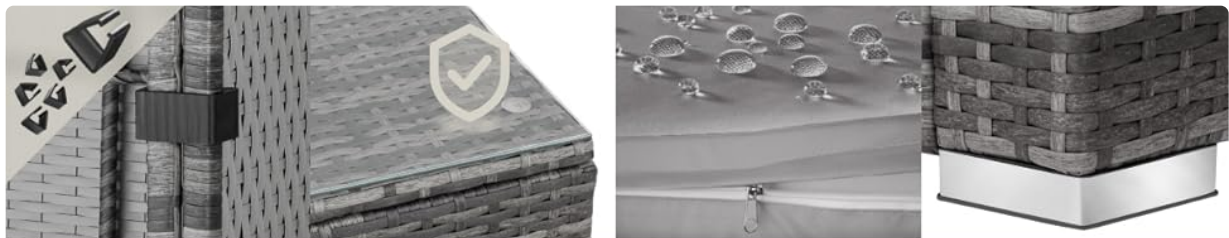

Included Components:

- 2 x Corner armchairs with cushions
- 1 x Central part with cushions
- 1 x Stool with cushion
- 1 x Table with glass plate
- 6 x Connection clips

- Assembly hardware
- Assembly instructions (separate document)

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out and verify against the included components list.
2. **Assemble Frames:** Follow the detailed steps in the separate assembly instructions document to construct the frames for each seating unit and the table. Ensure all screws and fasteners are tightened securely.
3. **Attach Anti-slip Feet:** Secure the anti-slip feet to the base of each unit. These feet provide optimal stability and protect your flooring.
4. **Connect Modular Units:** Use the provided connection clips to link the seating units together in your desired configuration. These plastic clips ensure the units remain securely joined.
5. **Install Table Glass:** Place the safety glass plate onto the table frame. It is secured by four suction cups to prevent movement.
6. **Place Cushions:** Position the seat and back cushions on the assembled units.

Les différents éléments peuvent être reliés entre eux à volonté à l'aide de clips pratiques en plastique.

La plaque en verre sécurisé est maintenue de manière fiable par 4 ventouses.

Les housses déperlantes sont faciles d'entretien et aisément amovibles grâce aux fermetures éclair.

Les pieds d'angle antidérapants garantissent une stabilité optimale tout en protégeant vos sols.

Informations sur le produit

Image: This image illustrates key assembly and design features: plastic clips for connecting modular elements, four suction cups securing the safety glass table top, water-repellent cushion covers with easy-access zippers, and anti-slip corner feet for stability and floor protection.

OPERATING INSTRUCTIONS

Your tectake garden lounge set is designed for comfortable outdoor relaxation and social gatherings. Its modular nature allows you to reconfigure the layout as needed.

- **Arrangement:** The individual seating elements can be rearranged to form various configurations, such as a long sofa, an L-shaped lounge, or separate chairs and a stool. Ensure connection clips are used to secure units when a fixed arrangement is desired.
- **Table Use:** The table with its safety glass top provides a stable surface for drinks, snacks, books, or

decorative items. The glass can be removed for cleaning or if the table is used as an additional seating element (with a cushion).

- **Stool Functionality:** The stool can serve as extra seating, a footrest, or a small side table when a cushion is removed.
- **Cushion Care:** The cushions are designed for outdoor use but should be stored indoors during prolonged periods of rain or when not in use to maintain their quality and extend their lifespan.

MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your tectake garden lounge set.

General Care:

- **Cleaning the Rattan:** The poly-rattan weaving can be cleaned with a soft cloth, mild soap, and water. Rinse thoroughly and allow to air dry. Avoid abrasive cleaners or brushes that could damage the material.
- **Cleaning the Frame:** The powder-coated steel frame is designed to resist corrosion. Clean with a damp cloth. Inspect regularly for any signs of rust or damage, especially if exposed to harsh weather.
- **Glass Table Top:** Clean the safety glass with standard glass cleaner and a soft cloth. The glass is removable for easier cleaning.
- **Cushion Covers:** The water-repellent cushion covers are removable and washable. Follow the care instructions on the label, typically machine wash cold on a gentle cycle and air dry. Do not tumble dry or iron.

Protection and Storage:

- **Weather Protection:** To protect your lounge set from wear and discoloration, especially during prolonged periods of non-use or harsh weather conditions (e.g., winter, heavy rain, strong sun), it is highly recommended to use a suitable protective cover.
- **Winter Storage:** During winter months, or when not in use for extended periods, store the cushions indoors in a dry, well-ventilated area. If possible, store the entire furniture set indoors or under a robust, waterproof cover.

Image: This image illustrates the weather-resistant properties of the lounge set, showing it enduring rainfall and bright sunshine, emphasizing its suitability for outdoor environments. Despite its resistance, a protective cover is recommended for prolonged durability.

TROUBLESHOOTING

This section addresses common issues you might encounter with your garden lounge set.

- **Stability Issues:** If the furniture feels unstable, check that all assembly screws are securely tightened. Ensure the anti-slip feet are properly installed and making full contact with the ground. On uneven surfaces, consider using shims under the feet.
- **Units Separating:** If modular units are separating, ensure the connection clips are correctly attached and fully engaged between the frames of the adjacent units.
- **Glass Plate Movement:** If the glass plate on the table moves, check that the four suction cups underneath are clean and properly adhered to both the glass and the table frame.
- **Cushion Flatness:** Over time, cushions may compress. Regularly fluff them to restore their shape. For significant compression, consider replacing the cushion inserts.

SPECIFICATIONS

Detailed technical specifications for the tectake Modular Poly Rattan Garden Lounge Set (Model B0C3MBGRQM).

Feature	Detail
Model Number	B0C3MBGRQM
Color	Grey
Brand	tectake
Seating Capacity	3-4 persons
Item Weight	43.1 Kilograms
Style	Modern
Overall Item Dimensions (approx.)	179 x 150 x 65 cm (Length x Width x Height, typical L-shape configuration)
Corner Armchair Dimensions	62.5 x 69 x 65 cm
Central Part Dimensions	54 x 69 x 65 cm
Stool Dimensions	61 x 61 x 42 cm
Table Dimensions	61 x 61 x 37.5 cm
Glass Plate Dimensions	60.7 x 60.7 x 0.5 cm
Item Shape	Square (individual units)
Material Type	Polyethylene (rattan), Powder-coated Steel (frame), 100% Polyester (cushion covers), Glass (tabletop)
Manufacturer	TecTake GmbH
Country of Origin	China
