Vicco B0C3MM934D

Vicco Turmeric Face Moisturizer Cream Instruction Manual

Model: B0C3MM934D
Brand: Vicco

1. Product Overview

The Vicco Turmeric Face Moisturizer Cream with Sandalwood Oil is a natural skincare product rooted in 70 years of Ayurvedic tradition. This cream is designed to hydrate and nourish the skin, promoting a clear and radiant complexion. It combines the beneficial properties of turmeric and sandalwood oil, known for their skin-enhancing qualities.

Key features include:

- **Ayurvedic Legacy:** Formulated with time-honored ingredients based on ancient Indian skincare traditions.
- **Daily Nourishment:** A gentle, everyday cream suitable for regular use to support natural hydration.
- **Suitable for All Skin Types:** Thoughtfully crafted to be effective for dry, oily, combination, and sensitive skin, for both men and women.
- **Clean Formulation:** Made with 100% natural ingredients, free from artificial colors and animal-derived ingredients, making it vegan and cruelty-free.
- **Convenient Packaging:** Available in a pack of three 2.82 oz tubes for home and travel use.

2. Preparation for Use

Before applying the Vicco Turmeric Face Moisturizer Cream, ensure your skin is clean and free from other products. It is recommended to perform a patch test on a small, inconspicuous area of skin (e.g., behind the ear or on the inner forearm) 24 hours prior to full application to check for any adverse reactions.

1. Cleanse your face and neck thoroughly with a mild cleanser.
2. Gently pat your skin dry with a clean towel.

3. Application Instructions

Follow these steps for optimal application:

1. Dispense a required quantity of cream onto your fingertips.
2. Apply the cream evenly over your cleansed face and neck.
3. Gently massage the cream into your skin using upward circular motions until fully absorbed.
4. For best results, use 2 to 3 times a day, ideally in the morning and before bedtime.

4. Storage and Care

To maintain the quality and efficacy of your Vicco Turmeric Face Moisturizer Cream:

- Store in a cool, dry place, away from direct sunlight and excessive heat.
- Ensure the cap is tightly closed after each use to prevent contamination and drying.
- Do not freeze the product.
- Keep out of reach of children.

5. Troubleshooting

While the product is generally well-tolerated, some individuals may experience skin reactions. If you encounter any of the following, discontinue use and consult a healthcare professional:

- **Redness or Irritation:** If your skin becomes red, itchy, or irritated after application, it may indicate sensitivity to an ingredient.
- **Breakouts:** If new acne or breakouts appear, the product might not be suitable for your skin type or could be interacting with other products.
- **Allergic Reaction:** Swelling, severe itching, or difficulty breathing are signs of a serious allergic reaction and require immediate medical attention.

Always refer to the ingredient list if you have known allergies.
