

Ray-Ban RB4259

Ray-Ban RB4259 Round Sunglasses User Manual

Model: RB4259

1. INTRODUCTION

Thank you for choosing Ray-Ban RB4259 Round Sunglasses. This manual provides essential information for the proper use, care, and maintenance of your new eyewear. Please read it carefully to ensure optimal performance and longevity of your sunglasses.

The Ray-Ban RB4259 Round Sunglasses are designed for eye protection and visual clarity. This model features a round frame design and is constructed with durable materials. Ray-Ban products are known for their design and lens technology.

2. PRODUCT OVERVIEW

Figure 1: Ray-Ban RB4259 Round Sunglasses. This image displays the Ray-Ban RB4259 Round Sunglasses. The sunglasses feature a black frame with a round shape. The lenses exhibit a clear gradient light blue tint, transitioning from darker blue at the top to lighter clear at the bottom. The Ray-Ban logo is visible on the right lens and the temples.

Key Features:

- Round frame design
- Durable plastic construction
- Lenses are prescription ready (RX-able)
- Includes a protective case

3. SETUP AND FIRST USE

3.1 Unboxing

1. Carefully remove the sunglasses and their protective case from the packaging.
2. Inspect the sunglasses for any visible damage or defects.
3. Retain all packaging materials for future storage or in case of return.

3.2 Adjusting for Fit

Your Ray-Ban sunglasses are designed for a comfortable fit. If minor adjustments are needed for the temples or nose pads, it is recommended to visit a professional optician. Attempting to adjust the frame yourself may cause damage and void the warranty.

4. OPERATING INSTRUCTIONS

4.1 Wearing Your Sunglasses

- Hold the sunglasses by the frame, not the lenses, to avoid smudges.
- Place them gently on your face, ensuring the temples rest comfortably over your ears and the nose pads sit securely on your nose bridge.
- Ensure your vision is clear and unobstructed.

4.2 Proper Handling

- Always use both hands to put on and take off your sunglasses to prevent bending the frame.
- Avoid placing sunglasses face down on hard surfaces to prevent scratching the lenses.

5. MAINTENANCE

5.1 Cleaning Your Lenses and Frame

1. Rinse your sunglasses under lukewarm water to remove dust and debris. Avoid hot water, which can damage lens coatings.
2. Apply a small drop of mild, pH-neutral soap (like dish soap) to each lens.
3. Gently rub the lenses and frame with your fingertips.
4. Rinse thoroughly to remove all soap residue.
5. Dry the lenses and frame with a clean, soft microfiber cloth. Do not use paper towels or rough fabrics, as these can scratch the lenses.
6. For quick cleaning, use the provided Ray-Ban cleaning cloth.

5.2 Storage

- When not in use, always store your sunglasses in their original protective case.
- Avoid storing sunglasses in high-temperature environments, such as on a car dashboard, as extreme heat can warp the frame and damage lens coatings.
- Keep sunglasses away from sharp objects that could scratch the lenses or frame.

6. TROUBLESHOOTING

Common Issues and Solutions:

- **Loose Screws:** If a screw becomes loose, gently tighten it with a small eyewear screwdriver. Do not overtighten.
- **Smudged Lenses:** Clean lenses as described in Section 5.1. Ensure your cleaning cloth is free of debris.
- **Uncomfortable Fit:** For significant fit issues, consult a professional optician for adjustments.
- **Scratched Lenses:** Lens scratches are generally not repairable. Proper care and storage are essential to prevent them.

7. SPECIFICATIONS

Attribute	Detail
Model Number	ORB4259
Item Weight	0.96 ounces
Department	Unisex
Manufacturer	Ray-Ban
Fabric Type	Plastic
Origin	Imported
ASIN	B0C3PDQ19L
Date First Available	August 3, 2016

8. WARRANTY AND SUPPORT

Ray-Ban products typically come with a manufacturer's warranty covering defects in materials and workmanship. For specific warranty details, duration, and terms, please refer to the documentation included with your purchase or visit the official Ray-Ban website.

For customer support, service, or warranty claims, please contact Ray-Ban directly through their official channels. Contact information can usually be found on their website or in the product packaging.

Note: Protection plans offered by third-party retailers are separate from the manufacturer's warranty and have their own terms and conditions.
