onerbl 6V AC/DC Adapter User Manual

Compatible with OttLite Creative HD Model 290089, CDO-009, CDO009 LED Handheld Task Light Lamp

Introduction

This user manual provides essential information for the safe and effective use of your onerbl 6V AC/DC Adapter. This adapter is designed as a replacement power supply for devices requiring 6V DC input, specifically compatible with OttLite Creative HD Model 290089, CDO-009, and CDO009 LED Handheld Task Light Lamps. Please read this manual thoroughly before use and retain it for future reference.

Safety Information

To ensure safe operation and prevent damage, please observe the following precautions:

- Do not expose the adapter to water, moisture, or extreme temperatures.
- Do not disassemble or attempt to repair the adapter. Refer servicing to qualified personnel.
- Ensure the adapter is used with devices that match its voltage and current specifications (6V DC, 600mA). Using it with incompatible devices may cause damage.
- Avoid placing the adapter in areas with poor ventilation, as this can lead to overheating.
- Keep the adapter and its cord away from children and pets.
- Unplug the adapter from the power outlet when not in use for extended periods.
- If the adapter or cable appears damaged, discontinue use immediately.

Product Overview

The onerbl 6V AC/DC Adapter is a high-quality replacement power supply designed for reliability and safety. It features universal AC input (100-240V) for worldwide use and incorporates multiple protection mechanisms.

Image 1: The onerbl 6V AC/DC Adapter, showing the main unit with the two-prong plug and the DC output cable with its barrel connector.

Key Features:

- Brand New, High Quality Replacement AC Wall Power Charger Adapter.
- Input: AC 100-240V 50/60Hz Auto (Worldwide AC Input).
- Over Voltage Protection, Over Heat Protection.
- Tested Units. In Great Working Condition.

Image 2: Front and side views of the adapter, highlighting its compact design and the input specifications printed on the casing.

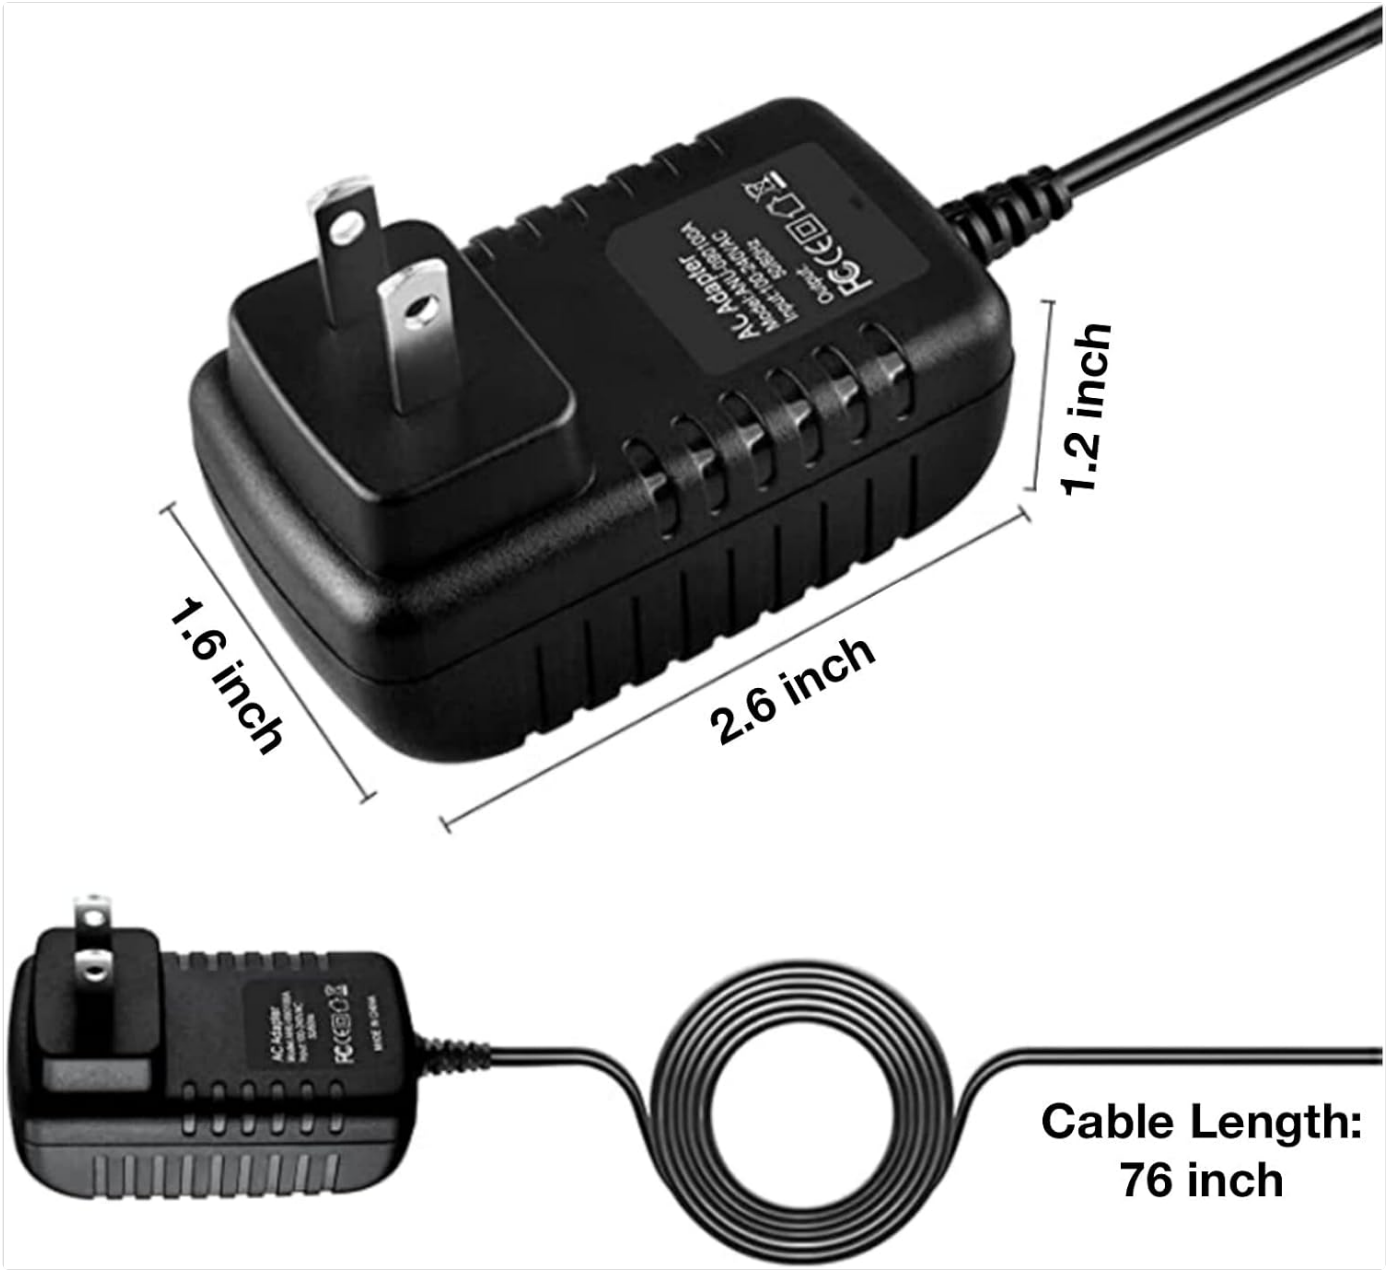

Image 3: Diagram illustrating the physical dimensions of the adapter: 2.6 inches (length), 1.6 inches (width), 1.2 inches (thickness), and a cable length of 76 inches.

Advanced Protection Features:

Image 4: Illustration of the adapter's smart chip technology providing multiple layers of protection, including short-circuit protection, over-voltage protection, and over-current protection.

Durable Design:

Image 5: Details on the quality control and durable design, showing the internal copper wire and PVC jacket of the cable for enhanced longevity.

Wide Range of Applications:

Image 6: An illustration depicting the broad compatibility of the adapter with various 6V devices, including CCTV cameras, set-top boxes, routers, batteries, LED strips, oxygen machines, Roomba, game players, depilators, cameras, humidifiers, and digital frames.

Setup

1. **Verify Compatibility:** Before connecting, ensure your device requires a 6V DC power input and that the connector type matches the adapter's barrel plug. This adapter is specifically compatible with OttLite Creative HD Model 290089, CDO-009, CDO009 LED Handheld Task Light Lamps.
2. **Connect to Device:** Insert the DC barrel connector of the adapter firmly into the power input port of your OttLite device.
3. **Connect to Power Outlet:** Plug the two-prong AC plug of the adapter into a standard AC 100-240V wall outlet.
4. **Power On Device:** Once connected, you can power on your device as usual.

Image 7: The onerbl 6V AC/DC Adapter plugged into a power strip, demonstrating a typical usage scenario in an office environment.

Operation

The onerbl 6V AC/DC Adapter operates automatically once connected to a power source and a compatible device. It provides a stable 6V DC output. No user intervention is required for its basic operation.

- The adapter is designed for continuous use within its specified operating parameters.
- If the device is not receiving power, ensure all connections are secure and the power outlet is functional.

Maintenance

The onerbl 6V AC/DC Adapter requires minimal maintenance:

- **Cleaning:** Disconnect the adapter from the power outlet and the device before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or solvents.

- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and moisture. Avoid tightly coiling the cable to prevent damage.
- **Inspection:** Periodically inspect the adapter and cable for any signs of damage, such as cuts, fraying, or bent pins. If damage is found, discontinue use.

Troubleshooting

Problem	Possible Cause	Solution
Device not powering on.	Adapter not properly plugged into outlet. DC connector not fully inserted into device. Power outlet is not functional. Device itself is faulty. Adapter is faulty.	Ensure adapter is securely plugged into a live wall outlet. Push the DC connector firmly into the device's power port. Test the outlet with another known working appliance. Test the device with its original or another compatible adapter (if available). If all other steps fail, the adapter may need replacement.
Adapter feels hot during use.	Normal operation (slight warmth). Poor ventilation. Overload or internal fault.	A slight warmth is normal. Ensure the adapter is in a well-ventilated area, not covered. If excessively hot, unplug immediately and discontinue use. Contact support.
Intermittent power to device.	Loose connection. Damaged cable or connector.	Check all connections for tightness. Inspect the cable and connector for visible damage. If damaged, replace the adapter.

Specifications

Feature	Detail
Brand	onerbl
Input Voltage	AC 100-240V, 50/60Hz
Output Voltage	DC 6V
Output Current	600mA (0.6A)
Power Source	Corded Electric
Main Power Connector Type	2 Pin (US Standard)
Cable Length	Approx. 76 inches (6.3 feet)
Special Feature	Travel (Worldwide AC Input)
Protections	Over Voltage, Over Heat, Short-Circuit, Over Current

Feature	Detail
Compatibility	OttLite Creative HD Model 290089, CDO-009, CDO009 LED Handheld Task Light Lamp

Warranty and Support

This product is manufactured by Shenzhen Waweis Technology Co., Ltd. For any questions, technical support, or warranty claims, please contact the seller directly through the platform where the purchase was made. Please retain your proof of purchase for warranty purposes.
For general inquiries, you may visit the onerbl brand page or contact their customer service if available. Always refer to the specific warranty terms provided at the time of purchase.
