2. Bluetooth Pairing

The sleep mask uses Bluetooth V5.4 for quick and easy connection to your devices.

1. Ensure the sleep mask is charged.
2. Press and hold the power button on the mask's control panel until the indicator light flashes, indicating it's in pairing mode.
3. On your smartphone, tablet, or other Bluetooth-enabled device, go to Bluetooth settings and search for "MUSICOZY" or "GH01".
4. Select the device to pair. Once connected, the indicator light will stop flashing or change color (refer to the specific indicator light behavior in the included PDF manual for details).
5. The mask can connect within a 33-foot (10-meter) range.

OPERATING INSTRUCTIONS

Wearing the Sleep Mask

The MUSICOZY Sleep Mask is designed for comfort and effective light blocking.

- Adjust the elastic strap at the back for a snug yet comfortable fit around your head.
- Position the mask over your eyes, ensuring the contoured 3D design allows for no pressure on your eyelids.
- The internal speakers are thin and designed to be comfortable for side sleepers. Adjust their position within the mask to align with your ears for optimal sound.

MAINTENANCE

To ensure the longevity and hygiene of your sleep mask:

- Before washing, carefully remove the internal Bluetooth module and speakers from their pockets within the mask.
- Hand wash the fabric mask with mild detergent in cool water.
- Air dry completely before reinserting the electronic components. Do not machine wash or tumble dry.

TROUBLESHOOTING

- **Cannot Power On:** Ensure the battery is charged. Connect to a power source and try again.
- **Cannot Pair Bluetooth:**
 - Ensure the mask is fully charged and in pairing mode (flashing indicator light).
 - Turn off Bluetooth on other devices that might be trying to connect.
 - Move the mask closer to your device (within 33 feet/10 meters).
 - Restart both the mask and your device.
- **No Sound/Low Sound:**
 - Check the volume levels on both the mask and your connected device.
 - Ensure the speakers are correctly positioned over your ears inside the mask.
 - Reconnect the Bluetooth connection.
- **Charging Issues:** Try a different charging cable or USB power source. Ensure the cable is securely connected.
