Yaheetech Convertible Sofa Bed Instruction Manual

Model: MM-00122094

1. PRODUCT OVERVIEW

The Yaheetech Convertible Sofa Bed is a versatile and space-saving furniture solution designed for modern living spaces. This multi-functional futon can easily transform from a comfortable 3-seater sofa to a lounge chair or a platform bed, making it ideal for living rooms, guest rooms, or small apartments. It features a robust construction with durable polyester upholstery, engineered wood frame, and chrome-plated metal legs, ensuring stability and longevity. User-friendly features include a drop-down table with two cup holders and two supportive throw pillows.

2. SETUP AND ASSEMBLY

This product requires assembly. Please ensure all components are present before beginning. It is recommended to assemble the sofa bed with at least two people.

2.1 Unpacking and Component Check

- Carefully remove all contents from the packaging.
- Identify all parts against the included parts list (not provided in this manual, refer to your product's physical manual).
- Locate the metal legs, which are typically stored within a zippered compartment on the underside of the sofa body.

Image 2.1: The underside of the sofa bed, illustrating the zippered compartment where the metal legs are securely stored for shipping.

2.2 Attaching the Legs

1. Carefully turn the sofa body upside down, ensuring it is stable.
2. Attach each metal leg to the designated mounting points on the frame. Ensure the legs are securely tightened.
3. Once all legs are attached, carefully turn the sofa bed upright.

Note: Do not drag the sofa bed across the floor after assembly, as this may damage the legs or floor. Lift and place it in the desired location.

3. OPERATING INSTRUCTIONS

The Yaheetech Convertible Sofa Bed offers multiple configurations to suit your needs.

3.1 Converting Between Sofa, Lounge, and Bed Modes

The backrest of the sofa bed can be adjusted to various angles to transition between different modes:

- **Sofa Mode (105°):** The backrest is in an upright position, ideal for sitting, reading, or watching TV.
- **Lounge Mode (140°):** The backrest is slightly reclined, perfect for lounging and napping.
- **Bed Mode (180°):** The backrest is fully flat, transforming the sofa into a comfortable platform bed for sleeping.

To adjust the backrest, gently push the backrest forward until you hear a click, then slowly recline it to the desired angle. To return to an upright position, push the backrest fully forward until it locks into the upright position, then release.

3.2 Using the Drop-Down Cup Holders

The sofa bed features a convenient drop-down table with two cup holders located in the center of the backrest. To access them, simply pull the center section of the backrest forward and down. To stow them away, push the section back up until it locks into place.

4. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Yaheetech Convertible Sofa Bed.

- **Regular Cleaning:** Vacuum the fabric regularly using an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position the sofa bed away from direct sunlight or use curtains/blinds.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong chemical solvents, as these can damage the fabric and frame.
- **Leg Maintenance:** Periodically check and tighten the leg screws to ensure stability.

5. TROUBLESHOOTING

If you encounter any issues with your sofa bed, refer to the following common troubleshooting tips:

- **Sofa feels wobbly:**

- Check if all legs are securely tightened.
- Ensure the sofa is placed on a flat, even surface.

- **Backrest mechanism is stiff or not locking:**

- Ensure no obstructions are preventing the mechanism from moving freely.
- Apply gentle, even pressure when adjusting the backrest. Do not force it.

- **Fabric appears wrinkled or creased:**

- This is normal for upholstered furniture, especially after shipping or prolonged use in one position. Gentle steaming (with caution) or allowing the fabric to relax over time can help.

If problems persist, please contact customer support.

6. SPECIFICATIONS

Feature	Detail
Brand	Yaheetech
Model Number	MM-00122094
Color	Dark Grey
Material	Polyester, Engineered Wood, Foam
Product Dimensions (L x W x H) - Sofa Mode	167 x 81.6 x 75 cm
