Mjsdjof Wooden Strip Wall Sconce 60CM

Mjsdjof Wooden Strip Wall Sconce 60CM LED Linear Light Fixture User Manual

1. INTRODUCTION

This manual provides essential information for the safe installation, operation, and maintenance of your Mjsdjof Wooden Strip Wall Sconce 60CM LED Linear Light Fixture. Please read this manual thoroughly before installation and retain it for future reference.

The Mjsdjof Wooden Strip Wall Sconce is designed to provide modern LED lighting with a natural wood aesthetic. It features a wooden lamp body and a white acrylic lampshade, offering a 6000K cool white light output.

2. SAFETY INFORMATION

- **Electrical Safety:** Installation must be performed by a qualified electrician or in accordance with local electrical codes. Ensure the power supply is disconnected at the circuit breaker before installation, maintenance, or cleaning.
- **Voltage:** This fixture operates on 110-240 Volts AC. Verify your power supply matches this requirement.
- **Indoor Use Only:** This product is designed for indoor use. Do not expose it to moisture or outdoor elements.
- **Handling:** Handle the fixture with care to avoid damage to the wood or acrylic components.
- **LEDs:** Do not attempt to replace the integrated LED light source. The LED module is designed for long-term use and is not user-replaceable.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before proceeding with installation.

- Wall lamp (1 unit)
- Mounting hardware (screws, wall anchors)

- Instruction manual (this document)

4. SPECIFICATIONS

Feature	Detail
Model	Wooden Strip Wall Sconce
Brand	Mjsdjof
Power	14W
Luminous Flux	1120 Lux
Length	60 cm (23.6 inches)
Height	5 cm (1.97 inches)
Wall Distance	4 cm (1.57 inches)
Material	Wood, Acrylic
Voltage	110-240 Volts AC
Light Source Type	LED
Color Temperature	6000 Kelvin (Cool White)
Mounting Type	Surface, Wall Mount
Assembly Required	Yes

Note: The fixture is available in various lengths (60cm, 80cm, 100cm). This manual specifically details the 60cm model. Specifications for other sizes will vary in power and luminous flux.

5. SETUP AND INSTALLATION

This fixture is designed for wall/surface mounting and requires hardwiring. Professional installation is recommended.

5.1 Before Installation

- **Disconnect Power:** Turn off the power at the main circuit breaker before starting any electrical work.
- **Inspect Fixture:** Carefully unpack the fixture and inspect it for any damage.
- **Tools Required:** You will need a screwdriver, wire strippers, drill, and possibly a level.
- **Location:** Choose a suitable location on the wall. The fixture can be mounted horizontally or vertically. Consider the dimensions (60cm length, 4cm wall distance, 5cm height) for placement.

Figure 1: Product Dimensions (60cm model shown)

5.2 Installation Steps

1. **Mark Mounting Points:** Hold the fixture against the wall at the desired installation location. Use a pencil to mark the positions for the mounting screws. Ensure the fixture is level if mounting horizontally.
2. **Drill Holes:** Drill pilot holes at the marked points. Insert wall anchors if necessary.
3. **Wire Connections:** Carefully connect the fixture's wires to your household electrical wiring. Typically, this involves connecting live (black/brown) to live, neutral (white/blue) to neutral, and ground (green/yellow) to ground. Ensure all connections are secure using wire nuts.
4. **Mount Fixture:** Align the fixture with the drilled holes and secure it to the wall using the provided screws. Do not overtighten.
5. **Restore Power:** Once the fixture is securely mounted and all wiring connections are complete, restore power at the circuit breaker.

6. OPERATING INSTRUCTIONS

After successful installation and power restoration, the Mjsdjof Wooden Strip Wall Sconce can be operated via a standard wall switch or a push button, depending on your electrical setup. The product specifications also mention 'App' control, suggesting compatibility with smart home systems if integrated. Consult your smart home system's instructions for pairing if applicable.

- **On/Off:** Use the connected wall switch or integrated push button to turn the light fixture on or off.
- **Light Output:** The fixture provides a consistent 6000K cool white light. It does not feature dimming capabilities unless connected to a compatible external dimmer (not included and compatibility should be verified by a professional).

7. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your wall sconce.

- **Cleaning:** Ensure the power is off before cleaning. Use a soft, dry, or slightly damp cloth to wipe the wooden and acrylic surfaces. Avoid abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **Inspection:** Periodically check the mounting screws to ensure they remain tight.
- **LEDs:** The LED light source is integrated and does not require replacement. If the light stops functioning, refer to the troubleshooting section.

8. TROUBLESHOOTING

If you encounter issues with your Mjødjof Wooden Strip Wall Sconce, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Light does not turn on	No power supply Loose wiring connection Faulty switch	Check circuit breaker. Ensure power is restored. Verify all wire connections are secure (with power off). Test the wall switch with another device or consult an electrician.
Light flickers	Loose wiring Incompatible dimmer (if used)	Check wiring connections (with power off). Remove dimmer or replace with a compatible non-dimming switch.
Light output is weak or inconsistent	Dust or debris on lampshade Internal component issue	Clean the acrylic lampshade. If the issue persists, contact customer support.

If troubleshooting steps do not resolve the issue, please contact customer support.

9. WARRANTY AND SUPPORT

Mjsdjof is committed to customer satisfaction. If you encounter any problems with your product, please do not hesitate to contact us. While specific warranty details are not provided in this manual, we strive to resolve any issues to your satisfaction.

For support, please refer to the contact information provided at the point of purchase or on the Mjsdjof official website.
