JBL Tune 520BT

JBL Tune 520BT Wireless On-Ear Headphones User Manual

Model: Tune 520BT

INTRODUCTION

Thank you for choosing JBL Tune 520BT Wireless On-Ear Headphones. This manual provides essential information for setting up, operating, and maintaining your headphones to ensure optimal performance and longevity. Please read this manual thoroughly before using your device.

WHAT'S IN THE BOX

- 1 x JBL Tune 520BT headphones
- 1 x USB-C Charging Cable
- 1 x Warranty Card

Image: JBL Tune 520BT headphones, USB-C charging cable, and warranty card as typically found in the product packaging.

PRODUCT FEATURES

- **Extended Battery Life:** Up to 57 hours of playback on a single charge, with a quick charge feature providing 3 hours of playback from a 5-minute charge.
- **JBL Pure Bass Sound:** Delivers powerful and clear audio, characteristic of JBL's signature sound.
- **JBL Headphones App:** Customize your listening experience with an equalizer and other settings via the dedicated app.
- **Crystal Clear Calls:** Built-in microphone with Voice Aware for hands-free calls.
- **Multipoint Connection:** Seamlessly switch between two Bluetooth devices.
- **Bluetooth 5.3:** Ensures stable and efficient wireless connectivity.
- **Compact Folding Design:** Allows for easy portability and storage.

SETUP

1. Charging the Headphones

Before first use, fully charge your JBL Tune 520BT headphones. Connect the supplied USB-C charging cable to the charging port on the headphones and the other end to a USB power source (e.g., computer, USB wall adapter). The LED indicator will show charging status.

- A full charge provides up to 57 hours of playback.
- A 5-minute quick charge provides approximately 3 hours of playback.

2. Powering On/Off

To power on the headphones, press and hold the Power button until the LED indicator lights up. To power off, press and hold the Power button again until the LED indicator turns off.

3. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Power button for approximately 5 seconds until the LED indicator flashes blue rapidly, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "JBL Tune 520BT" from the list of devices.
5. Once connected, the LED indicator will turn solid blue.

4. Multipoint Connection

The JBL Tune 520BT supports multipoint connection, allowing you to connect to two Bluetooth devices simultaneously. For example, you can connect to your smartphone and your laptop at the same time. If a call comes in on your phone while you're watching a video on your laptop, the headphones will automatically switch to the phone call.

1. Pair the headphones with the first device as described above.
2. Put the headphones into pairing mode again.
3. Pair the headphones with the second device.
4. The headphones will now be connected to both devices.

Multi-point Connectivity

TROUBLESHOOTING

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones fully.
Cannot pair with device.	Headphones not in pairing mode; Bluetooth off on device; device too far.	Ensure headphones are in pairing mode (rapid blue flashing LED). Turn on Bluetooth on your device. Move device closer to headphones. Forget "JBL Tune 520BT" on your device and re-pair.
No sound or low volume.	Volume too low; headphones not connected; incorrect audio output selected.	Increase volume on both headphones and connected device. Ensure headphones are properly connected. Check audio output settings on your device.

Problem	Possible Cause	Solution
Call quality is poor.	Weak signal; microphone obstructed.	Move closer to your device. Ensure microphone is not covered.
