2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Ensure all components are securely fastened before use. Periodically check and tighten all bolts.
- Do not overload the table or stools. The bar table has a maximum load capacity of 400 lbs, and each bar stool has a maximum load capacity of 170 lbs.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- Use on a flat, stable surface to prevent tipping.
- Avoid exposing the furniture to extreme weather conditions for prolonged periods to extend its lifespan.
- The cushions are splash-proof but not fully waterproof; protect them from heavy rain.

3. PACKAGE CONTENTS

Verify that all parts are present before beginning assembly. If any parts are missing or damaged, please

contact Toolsempire customer service.

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the steps carefully. It is recommended to assemble the furniture on a soft, clean surface to prevent scratches.

Image 4.1: Dimensions of the bar table (40"L x 24"W x 41.5"H) and each bar stool (16"L x 16"W x 30"H). Important assembly notes: refer to size description before purchase due to potential small dimensional discrepancies from manual measurement, and do not tighten all screws until all holes are aligned.

Assembly Video Reference:

Video 4.1: Assembly video for a 3-Piece Rattan Wicker Furniture Set. While the video demonstrates assembly for chairs and a coffee table, the general principles of connecting rattan panels with bolts and an Allen key are applicable to the bar set assembly. Ensure all screw holes are aligned before fully tightening screws.

General Assembly Steps:

1. Unpack all components and hardware. Lay them out on a protected surface.
2. Identify the panels for the bar table and stools.
3. Begin by connecting the side panels to the back panel of the bar table using the provided bolts. Insert the bolts loosely at first.
4. Attach the bottom panel and any internal shelves to the bar table structure. Ensure all holes align.
5. Once all panels are in place and loosely bolted, gradually tighten all screws until secure. Do not overtighten.
6. Repeat the process for each bar stool, connecting the side panels, backrest, and footrests.
7. Place the tempered glass top onto the bar table, ensuring it sits securely on the suction cups.
8. Place the seat cushions on the stools. The cushions can be fixed by ropes to prevent sliding.

5. OPERATING INSTRUCTIONS

The Toolsempire 3 Pieces Patio Bar Set is designed for comfortable outdoor seating and serving.

- **Using the Bar Table:** Place drinks, snacks, or decorative items on the tempered glass tabletop. The two-layer shelves beneath the tabletop provide convenient storage for various items.
- **Using the Bar Stools:** Sit comfortably on the stools. The ergonomic footrest provides additional support. Ensure the cushions are properly placed and secured with their ropes to prevent movement.
- **Placement:** This set is suitable for various outdoor spaces such as gardens, backyards, poolsides, porches, and balconies.

6. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your patio bar set.

- **Cleaning the Rattan:** Wipe the PE rattan surfaces with a dry cloth or a damp cloth using mild soap and water. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Glass Top:** Clean the tempered glass tabletop with a glass cleaner and a soft cloth.
- **Cushion Care:** The cushion covers are removable and designed to be splash-proof and fade-resistant. For cleaning, unzip and remove the covers, then hand wash or machine wash on a gentle cycle with cold water. Air dry only. Do not bleach or iron.
- **Storage:** During periods of non-use or harsh weather, it is recommended to cover the furniture or store it indoors to protect it from elements.
- **Hardware Check:** Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary.

7. TROUBLESHOOTING

If you encounter any issues with your patio bar set, refer to the following common solutions:

- **Wobbling Furniture:** If the table or stools wobble, check that all bolts are securely tightened. Ensure the furniture is placed on a level surface. Adjust the non-slip foot pads if necessary.
- **Difficulty Aligning Holes During Assembly:** Do not fully tighten any screws until all components are loosely assembled and all holes are aligned. This allows for minor adjustments.
- **Stains on Rattan:** For stubborn stains, use a soft brush with mild soap and water, then rinse thoroughly and dry.
- **Cushion Discoloration:** While cushions are fade-resistant, prolonged exposure to direct sunlight

can still cause some fading over time. Store cushions indoors when not in use to preserve their color.
