PTHTECHUS S80K

PTHTECHUS Smart Watch for Kids User Manual

Model: S80K | Brand: PTHTECHUS

1. INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your PTHTECHUS Smart Watch for Kids. This smartwatch is designed to offer a range of features including communication, fitness tracking, and health monitoring, making it a versatile companion for daily activities.

2. WHAT'S IN THE BOX

Please verify that all items are present in the package:

- 1 x PTHTECHUS Smart Watch
- 1 x Charging Cable
- 1 x User's Manual

3. SETUP GUIDE

3.1 Charging the Device

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging

points on the back of the watch and plug the USB end into a compatible power adapter (not included) or a computer's USB port.

3.2 App Installation and Pairing

To unlock the full functionality of your smartwatch, download and install the 'CO-FIT' app on your smartphone. The app is compatible with Android 4.4 and above, and iOS 8.0 and above. Once installed, open the app and follow the on-screen instructions to pair your smartwatch via Bluetooth. Ensure Bluetooth is enabled on your phone.

3.3 Customizing Watch Faces

Your smartwatch offers over 120 pre-designed watch face styles. You can also personalize your watch by uploading your own photos of family, friends, or pets through the CO-FIT app to create custom dials.

100+ watch faces

The smartwatch application is equipped with over 100 different styles of online watch faces, as well as DIY custom watch faces.

You can set your favorite photo or image as the watch faces.

4. OPERATING INSTRUCTIONS

4.1 Phone Calls and Notifications

Once connected to your phone via Bluetooth, you can make and answer calls directly from your smartwatch. The built-in microphone and speaker allow for hands-free communication. You can also view call history and synchronize contacts. The watch receives SMS and APP notifications (e.g., WhatsApp, Facebook, Instagram), but replying to messages is not supported.

One click answer/ make phone calls

Make your life more convenient

Simply connect the smartwatch to your phone through Bluetooth to make and answer calls, and view call records on the smartwatch page.

Notification & Voice Assistant

Smart notifications: The smartwatch can receive notifications from Facebook, WhatsApp, SNS, Twitter, LINE, SMS, and more.

AI voice assistant: The voice assistant will be your good helper, supporting voice control functions such as making phone calls, weather forecasts, playing music, etc., helping you completely free your hands.

4.2 Voice Assistant (Siri)

The integrated AI voice assistant allows for voice control functions such as making calls, checking weather forecasts, and playing music, providing a hands-free experience.

4.3 Music and Camera Control

Control your phone's music playback directly from your smartwatch. You can also use the watch as a remote control for your phone's camera, making it easier to capture photos.

Image: The smartwatch's interface showing various features including dial, sports, record, activity, heart rate, blood oxygen, weather, camera, music, timing, alarm, sleep, and AI assistant.

4.5 Health Monitoring

The smartwatch provides 24-hour health monitoring, including heart rate, blood oxygen saturation (SpO2), and sleep tracking. It offers comprehensive sleep quality analysis to help develop healthier sleep habits. **Note: This data is for reference only and cannot be used for medical diagnosis or treatment.**

4.6 Weather Display

View real-time weather information directly on your smartwatch when connected to your phone.

5. MAINTENANCE

5.1 Cleaning

Regularly clean your smartwatch and strap with a soft, dry cloth. If necessary, use a slightly damp cloth and then dry thoroughly. Avoid harsh chemicals or abrasive materials.

5.2 Battery Care

To prolong battery life, avoid fully discharging the watch frequently. Charge it when the battery level is low. Store the watch in a cool, dry place when not in use for extended periods.

5.3 Water Resistance

Important: This smartwatch is NOT waterproof. Avoid exposing it to water, including showering, swimming, or heavy rain, as this can cause irreparable damage.

6. TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on.
- **Unable to pair with phone:**
 - Ensure Bluetooth is enabled on your phone.
 - Make sure the watch is within the Bluetooth range of your phone.
 - Restart both the watch and your phone.
 - Check the CO-FIT app for pairing instructions and ensure the app has necessary permissions.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch. Remember that health data is for reference and not medical use.
- **Notifications not received:**
 - Verify that the watch is connected to your phone via Bluetooth.
 - Check notification settings within the CO-FIT app and your phone's system settings to ensure app notifications are enabled for the smartwatch.
- **Short battery life:** Reduce screen brightness, limit frequent screen wake-ups, and disable unnecessary features if not in use.
