Setup Instructions

This lamp is designed for immediate use and requires no assembly. Follow these simple steps to begin using your lamp:

1. **Unpack:** Carefully remove the lamp from its packaging.

2. **Placement:** Place the lamp on a stable, flat surface.

3. **Connect Power:** Plug the power adapter into the lamp's power input port, then connect the adapter to a standard electrical outlet (230V, 50Hz).

OPERATING INSTRUCTIONS

The lamp features intuitive touch controls located on its base.

Image: A close-up view of the lamp's base, highlighting the touch control panel and the integrated wireless charging pad.

- **Power On/Off:** Touch the **ON/OFF** icon to turn the lamp on or off.

- **Adjust Brightness (Dimmer):** With the lamp on, touch and hold the **BRIGHT** icon to gradually increase or decrease the light intensity. Release when the desired brightness is reached.

- **Change Light Temperature:** Touch the **LIGHT** icon to cycle through the three available light temperature modes:

  - **Relax Mode:** A warm light setting, ideal for unwinding.
  - **Read Mode:** A balanced light suitable for reading.
  - **Work Mode:** A brighter, cooler light for focused tasks.

- **Adjust Lamp Arm and Head:** The lamp features an adjustable arm and lampshade. Gently pivot the arm and rotate the lampshade to direct the light as needed.

- **Wireless Charging:** Place your compatible mobile phone or other electronic device on the designated wireless charging pad on the lamp's base. Ensure the device is centered for optimal charging. The charging function operates independently of the lamp's light.

MAINTENANCE

The Beliani LED Desk Lamp is designed for easy maintenance.

- **Cleaning:** Disconnect the lamp from the power source before cleaning. Use a soft, dry cloth to wipe the lamp's surfaces. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.

- **Storage:** If storing the lamp, ensure it is clean and dry. Store in a cool, dry place away from direct sunlight.
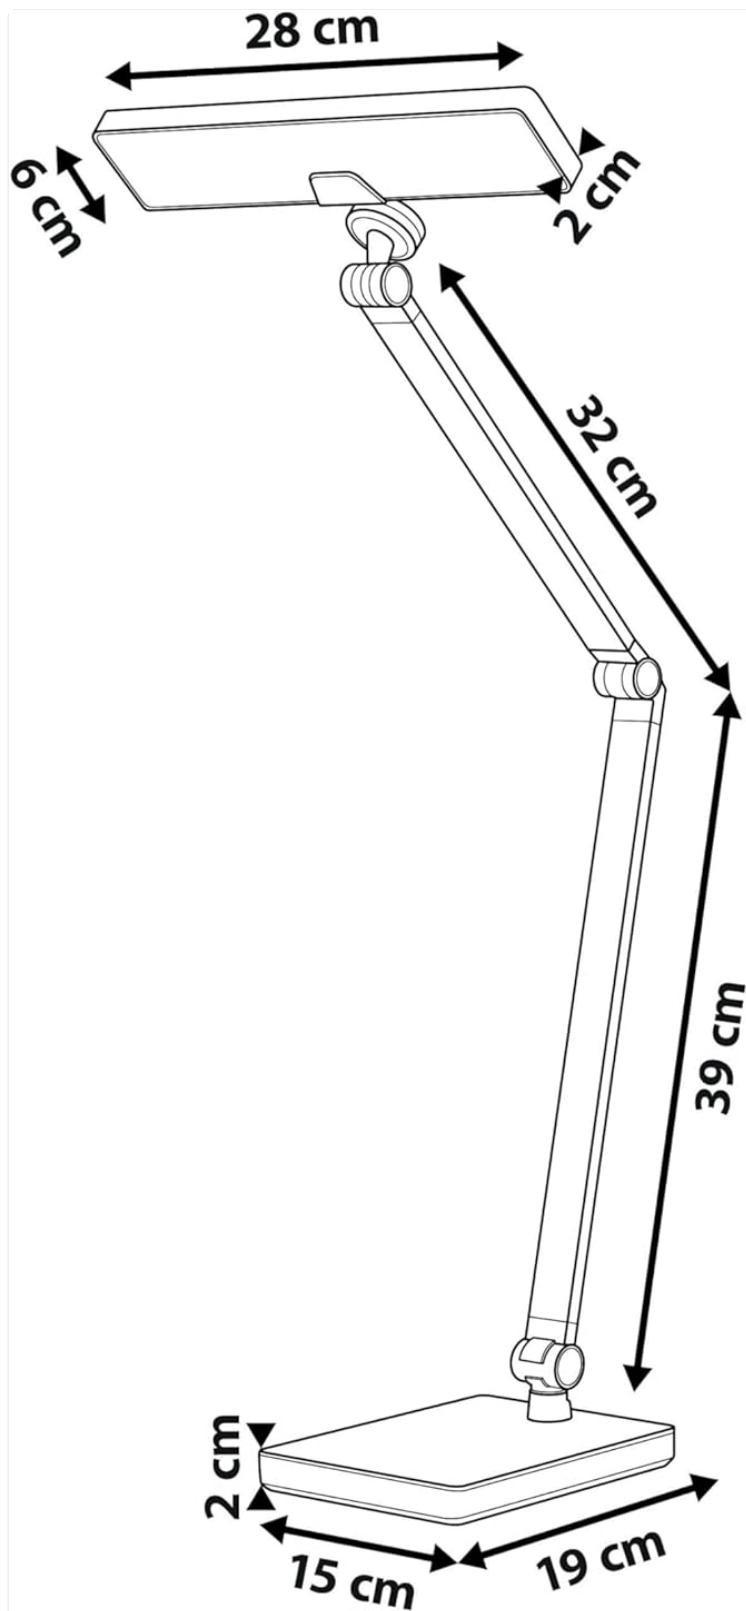

TROUBLESHOOTING

If you encounter issues with your lamp, please refer to the following common solutions:

- **Lamp does not turn on:**
    - Ensure the power adapter is securely plugged into both the lamp and the electrical outlet.
    - Verify that the electrical outlet is functional by testing it with another device.

- **Light intensity or color temperature cannot be adjusted:**
    - Ensure you are using the correct touch controls as described in the Operating Instructions.
    - Try turning the lamp off and on again.

- **Wireless charging is not working:**
    - Confirm your device is compatible with wireless charging (Qi standard).
    - Ensure your device is placed correctly and centered on the charging pad.
    - Remove any thick phone cases that might interfere with wireless charging.
    - Check if the lamp is connected to power.

If problems persist, please contact Beliani customer support for assistance.

SPECIFICATIONS

Image: A technical diagram illustrating the dimensions of the Beliani LED Dimmable Desk Lamp, including height, width, and base measurements.

Product Type	Table Lamp
Model Number	379013
Style	Industrial
Main Color	Black

LED Color Temperature	Warm White (3 modes: Relax, Read, Work)
Main Material	Aluminum
Secondary Material	Synthetic Material
Adjustable Parts	Lampshade, Arm
Power	9 W
Finish	Brushed
IP Protection Code	IP 20
LED Luminous Flux	920 lm
LED Type	SMD 2835
Voltage	230 V (50 Hz)
Base Dimensions	15 x 19 cm
Cable Length	130 cm
Overall Dimensions (approx.)	19 cm (Depth) x 28 cm (Width) x 73 cm (Height)
Weight	1.5 kg
Key Features	Light dimmer, Touch control, Integrated LED, 3 LED lighting modes, Integrated wireless charger

WARRANTY AND SUPPORT

For warranty information or technical support, please refer to your purchase documentation or contact Beliani customer service directly. Ensure you have your model number (379013) and proof of purchase available when contacting support.

You can typically find support contact details on the official Beliani website or through the retailer where the product was purchased.
