# SUNSEEKER Women's One-Piece Swimsuit User Manual

Model: (12) 38DD Sailor Blue

## 1. PRODUCT OVERVIEW

The SUNSEEKER Women's Plus Size Tummy Control Twist Front V Neck One Piece Swimsuit is designed for comfort, support, and style. This classic one-piece bathing suit features a deep V-neckline, ruched detailing at the front, and fixed soft padded cups for enhanced support. It includes adjustable and convertible shoulder straps for a customizable fit.

Constructed with a blend of polyamide nylon and elastane spandex, the swimsuit incorporates power mesh for effective tummy control and a gathered waist panel for a flattering silhouette. Its high-quality, stretchy, and lightweight fabric ensures comfort and elasticity, making it suitable for various water activities and occasions.

## 2. INITIAL USE AND SIZING

### 2.1 Unpacking and Inspection

Upon receiving your SUNSEEKER swimsuit, carefully remove it from its packaging. Inspect the garment for any signs of damage or manufacturing defects. Ensure all straps and seams are intact.

### 2.2 Sizing and Fit

To ensure the best fit, please refer to the following measurement guide. Accurate measurements are crucial for selecting the correct size.

# HOW TO MEASURE

Use a tape measure to measure yourself, holding the tape securely around the 4 key points .

## 1. BUST

Measure over the fullest area of your bust & straight around your back .

## 2. UNDERBUST

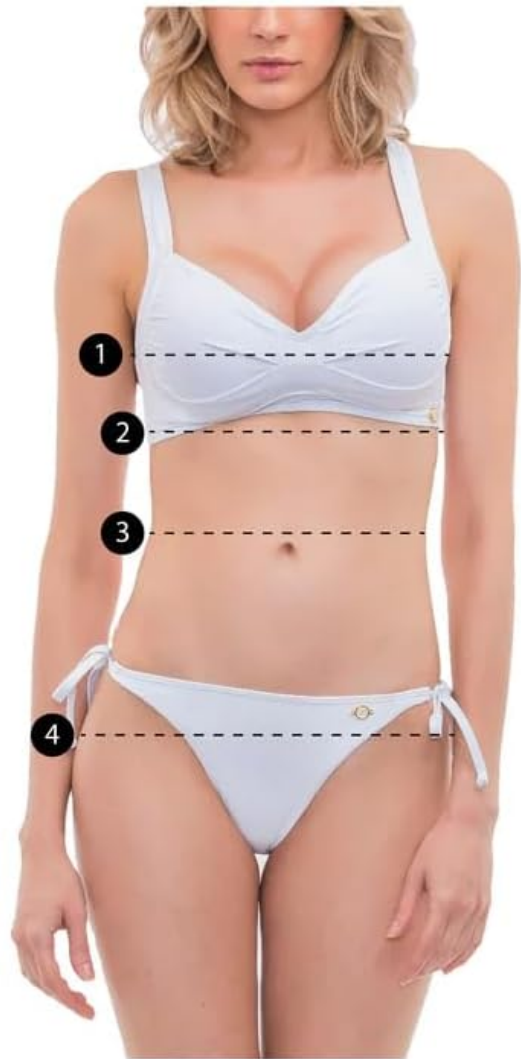

Measure directly under your bust & straight around your back .

## 3. WAIST

Measure around the narrowest part.

## 4. HIP

Measure at the fullest part of your hip ensuring the tape is straight .

**Figure 2.1:** How to Measure for Swimsuit Sizing. This diagram illustrates the four key points for accurate body measurements: Bust, Underbust, Waist, and Hip. Use a tape measure securely around these areas.

1. **Bust:** Measure over the fullest area of your bust and straight around your back.
2. **Underbust:** Measure directly under your bust and straight around your back.
3. **Waist:** Measure around the narrowest part of your waist.
4. **Hip:** Measure at the fullest part of your hip, ensuring the tape is straight.

Multiple U.S. sizes are available, including sizes 6, 8, 10, 12, 14 with D, DD/E cups. Always check the specific size chart provided by SUNSEEKER for the most accurate fit recommendations.

## 3. WEARING AND ADJUSTING

To wear your SUNSEEKER swimsuit:

1. Step into the swimsuit and pull it up over your hips.
2. Adjust the garment to ensure the padded cups sit correctly over your bust.
3. Utilize the adjustable shoulder straps to achieve your desired level of support and comfort. The straps can be converted for different wearing styles if preferred.

4. Ensure the ruched tummy control panel is positioned comfortably for a flattering fit.

The swimsuit is designed for a pull-on closure, providing a smooth and secure fit for various water activities.

## 7. TROUBLESHOOTING

This section addresses common concerns and provides solutions for your swimsuit.

- **Issue:** Swimsuit feels too tight or too loose.

**Solution:** Refer to the "Initial Use and Sizing" section (Section 2) and re-measure yourself. Ensure you have selected the correct size based on the SUNSEEKER size chart. The adjustable straps can be modified for a better fit around the shoulders and bust.

- **Issue: Fabric appears stretched or damaged.**

**Solution:** Review the "Care and Maintenance" section (Section 5). Improper washing, drying, or exposure to harsh chemicals (like strong chlorine) can affect fabric integrity. Avoid contact with rough surfaces that can cause snags.

- **Issue: Padded cups feel uncomfortable or shift.**

**Solution:** The swimsuit features fixed soft padded cups designed for stability. Ensure the swimsuit is worn correctly and adjusted properly. If discomfort persists, verify the size is appropriate for your bust measurements.
