WENKO Ecori Bamboo Bench with Seat Padding (Model 50775100) - Instruction Manual

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your WENKO Ecori Bamboo Bench with Seat Padding, Model 50775100. This versatile bench combines sustainable materials with practical design, offering comfortable seating and shoe storage.

Key features include:

- Bench constructed from FSC-certified bamboo.
- Padded seat with a cover made from 100% recycled polyester (RPET).
- Integrated shelf designed to hold approximately 4 pairs of shoes.
- Suitable for use in hallways, living rooms, bedrooms, or walk-in wardrobes.
- Maximum load capacity for the bench is 120 kg, and the shelf is 5 kg.

SETUP AND ASSEMBLY

Assembly is required for this product. Please ensure all components are present before beginning. It is recommended to assemble the bench on a soft, clean surface to prevent scratches.

Components Checklist:

- Bamboo frame pieces
- Padded seat
- Shelf slats
- Assembly hardware (screws, dowels, Allen key if applicable)

Assembly Instructions:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the components checklist.
2. **Assemble Frame:** Connect the main bamboo frame pieces using the provided hardware. Ensure all connections are secure but do not overtighten screws initially.
3. **Install Shelf:** Insert the bamboo shelf slats into the designated slots on the frame. Ensure they are evenly spaced and firmly seated.
4. **Attach Seat:** Place the padded seat onto the top of the assembled frame. Secure it using the provided screws, ensuring it is centered and stable.
5. **Final Tightening:** Once all parts are assembled, gently tighten all screws to ensure stability. Do not overtighten to avoid damaging the bamboo.

OPERATING INSTRUCTIONS

The WENKO Ecori Bamboo Bench is designed for dual functionality: comfortable seating and practical shoe storage.

Using as a Seat:

- The padded seat provides a comfortable surface for sitting, ideal for putting on or taking off shoes.
- Ensure the bench is placed on a flat, stable surface before use.
- Do not exceed the maximum weight capacity of 120 kg (approximately 264 lbs) on the seat.

Using the Shoe Shelf:

- The slatted shelf below the seat is designed to store up to 4 pairs of shoes.
- Distribute the weight evenly on the shelf. Do not exceed the maximum weight capacity of 5 kg (approximately 11 lbs).
- Avoid placing wet or muddy shoes directly on the bamboo slats to prevent moisture damage. Consider using a tray or mat if necessary.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your WENKO Ecori Bamboo Bench.

Bamboo Frame Care:

- **Cleaning:** Wipe the bamboo frame with a soft, damp cloth. For stubborn dirt, use a mild soap solution, then wipe dry immediately.
- **Avoid Moisture:** Bamboo is sensitive to excessive moisture. Do not expose the bench to prolonged dampness or direct water.
- **Sunlight:** Avoid direct sunlight exposure for extended periods, as this can cause the bamboo to fade or dry out.
- **Protection:** Periodically, you may apply a bamboo-safe oil or wax to maintain its natural luster and protect the wood.

Seat Padding Care:

- **Cleaning:** The cover is made from 100% recycled polyester. Spot clean with a mild detergent and a damp cloth. Blot dry.
- **Stains:** Address spills immediately to prevent permanent staining.
- **Do Not Machine Wash:** The seat padding is not designed for machine washing or tumble drying.

- ✓ Shelf for 4 pairs of shoes
- ✓ Seat can support up to 120 kg

- ✓ Ablage für 4 Paar Schuhe
- ✓ Sitzfläche belastbar bis max. 120 kg

TROUBLESHOOTING

If you encounter any issues with your WENKO Ecori Bamboo Bench, please refer to the following common solutions:

- **Bench is Wobbly:**
 - Ensure all assembly screws are securely tightened.

- Check that the bench is placed on a flat, even surface.

- **Difficulty Assembling:**

- Review the assembly instructions carefully.
- Ensure all parts are correctly oriented before tightening.
- Do not force components together; if parts do not fit, re-check the instructions.

- **Damage During Shipping:**

- If any parts are damaged upon arrival, do not proceed with assembly. Contact customer support immediately.
