

vidaXL 47293

vidaXL Solid Eucalyptus Wood Foldable Patio Bench Instruction Manual

Model: 47293

1. SAFETY INFORMATION

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in injury or damage to the product.

- Keep all packaging materials away from children and dispose of them responsibly.
- Ensure all components are present and undamaged before beginning assembly.
- Assemble the bench on a soft, clean surface to prevent scratches.
- Always use the correct tools as specified in the assembly section.
- Do not overtighten screws, as this may damage the wood.
- Regularly check all bolts and screws for tightness and re-tighten as necessary.
- Do not stand on the bench or use it as a step stool.
- Ensure the bench is placed on a level and stable surface during use.
- This bench is designed for seating purposes only.

2. PRODUCT OVERVIEW

The vidaXL Solid Eucalyptus Wood Foldable Patio Bench is designed for outdoor use, offering comfortable seating with the added convenience of a foldable design for easy storage. Crafted from durable eucalyptus wood, it features a natural oil finish for weather resistance.

Figure 2.2: Side profile of the patio bench, highlighting the ergonomic curve of the armrests and the slatted seat.

3. ASSEMBLY INSTRUCTIONS

This bench requires assembly. Please follow these steps carefully.

3.1. Components Check

Before starting, ensure all parts listed in your product's packing list are present. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

3.2. Tools Required

- Adjustable Wrench (not included)
- Screwdriver (not included)

3.3. Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent damage.
2. **Attach Legs:** Secure the leg frames to the main seat frame using the provided bolts and nuts. Ensure the support brackets are correctly aligned.

Figure 3.1: Detail of a wooden support bracket, illustrating the connection point for structural integrity during assembly.

3. **Attach Backrest:** Connect the backrest section to the seat frame and leg assemblies. Use the appropriate screws and ensure a snug fit.
4. **Attach Armrests:** Fasten the armrests to the side frames of the bench.
5. **Final Tightening:** Once all components are loosely assembled, gradually tighten all bolts and screws. Do not overtighten.
6. **Stability Check:** Gently rock the bench to ensure it is stable and all connections are secure. Adjust if necessary.

4. OPERATION

This bench features a foldable design for convenient storage. Follow these steps to fold and unfold the bench.

4.1. Unfolding the Bench

1. Place the folded bench on a flat, stable surface.
2. Carefully extend the leg sections outwards until they lock into place.
3. Ensure all locking mechanisms (if present) are fully engaged before use.

4.2. Folding the Bench for Storage

1. Ensure no one is sitting on the bench and remove any items from its surface.
2. Locate the folding mechanisms, typically near the leg joints.
3. Disengage the locking mechanisms (if applicable) and carefully push the leg sections inwards until the bench is fully folded.
4. Store the folded bench in a dry, protected area.

Figure 4.2: Rear view of the bench in its fully folded state, ready for storage.

5. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your eucalyptus wood bench.

5.1. Cleaning

- Clean the bench regularly with a soft cloth and mild soapy water.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood finish.
- Rinse thoroughly with clean water and dry immediately to prevent water spots.

5.2. Oiling and Protection

Eucalyptus wood benefits from regular oiling to maintain its rich color and protect it from weathering. Apply a suitable wood oil for outdoor furniture 1-2 times a year, or as needed, depending on exposure to elements.

Figure 5.1: Close-up view of the eucalyptus wood slats, demonstrating the natural grain and finish that benefits from regular oiling.

5.3. Storage

- During prolonged periods of non-use or harsh weather conditions (e.g., winter), store the folded bench in a dry, covered area.
- If outdoor storage is unavoidable, use a breathable, waterproof cover to protect the bench from moisture and UV rays.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter.

6.1. Bench Feels Unstable

- **Solution:** Check all bolts and screws. Tighten any loose fasteners. Ensure the bench is on a completely level surface.

6.2. Wood Discoloration or Fading

- **Solution:** This is a natural process for outdoor wood. Apply a fresh coat of outdoor wood oil to restore color and protection. Regular oiling helps prevent this.

6.3. Difficulty Folding/Unfolding

- **Solution:** Check for any obstructions in the folding mechanism. Ensure all joints are clean and free of debris. A small amount of silicone spray on the hinges may help, but avoid getting it on the wood surface.

7. SPECIFICATIONS

Detailed product specifications for the vidaXL Solid Eucalyptus Wood Foldable Patio Bench.

Figure 7.1: The patio bench with key dimensions indicated: 120cm (width), 81cm (height), and 53cm (depth).

Feature	Detail
Brand	vidaXL
