KOHLER Verdera K-28029-NA Medicine Cabinet User Manual

Model: K-28029-NA

1. INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your KOHLER Verdera K-28029-NA Medicine Cabinet. Please read this manual thoroughly before installation and use to ensure proper function and longevity of the product.

The Verdera medicine cabinet combines elegant design with practical features, including a slow-close mirror door, adjustable shelves, and a vertically adjustable magnifying mirror.

2. SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product.

- Always wear appropriate personal protective equipment (PPE) during installation, including safety glasses and gloves.
- Ensure the mounting surface is structurally sound and capable of supporting the weight of the cabinet and its contents.
- Handle glass components, such as mirrors and shelves, with care to avoid breakage and injury.
- Keep small parts and packaging materials away from children.
- Do not overload shelves beyond the recommended weight limit of 31 pounds.

3. PRODUCT OVERVIEW

The KOHLER Verdera K-28029-NA Medicine Cabinet is designed for enhanced visibility and customizable storage in your bathroom.

Key Features:

- **Enhanced Visibility:** Features mirrors on the front, inside door, and back panel for comprehensive viewing during grooming.

- **Customizable Storage:** Includes four adjustable tempered-glass shelves to organize various personal care items.
- **Elegant Design:** A finish-matched cabinet interior and rectangular framed design complement diverse bathroom decors.
- **Convenient Magnification:** A vertically adjustable 3x magnifying mirror is integrated on the inside of the door for detailed tasks.
- **Ease of Access:** Equipped with a slow-close door mechanism and two-way adjustable hinges offering a 108° opening capability for smooth and quiet operation.

4. SETUP AND INSTALLATION

The Verdera medicine cabinet is designed for quick and easy installation, suitable for both surface or recessed mounting. Mounting hardware is included.

4.1. Before You Begin

- Unpack all components and verify against the packing list.
- Inspect the cabinet for any damage. Do not install if damaged.
- Gather necessary tools (e.g., drill, level, measuring tape, screwdriver).
- Determine the desired mounting location and ensure it is free of electrical wires or plumbing.

4.2. Installation Steps (General)

1. **Prepare the Wall:** For recessed installation, create an opening in the wall according to the cabinet's dimensions (15"W x 40"H). For surface mount, mark the mounting points.
2. **Secure Mounting Hardware:** Attach the provided mounting hardware to the wall, ensuring it is level and securely fastened to wall studs or using appropriate anchors.
3. **Mount the Cabinet:** Carefully lift and position the cabinet onto the installed mounting hardware. Secure the cabinet to the wall using the provided fasteners.
4. **Install Shelves:** Insert the four tempered-glass shelves into the desired positions within the cabinet.
5. **Adjust Hinges:** If necessary, adjust the two-way hinges to ensure the door closes properly and is aligned.

5. OPERATING INSTRUCTIONS

5.1. Opening and Closing the Door

The cabinet door features a slow-close mechanism for quiet and smooth operation. Gently push or pull the door to open or close it. Avoid forcing the door, as the slow-close hinges will engage automatically. The hinges allow for a 108° opening for full access.

5.2. Adjusting Shelves

The four tempered-glass shelves are adjustable to accommodate items of various heights. To adjust a shelf:

1. Remove all items from the shelf.
2. Carefully lift the shelf out of its current supports.
3. Relocate the shelf supports to the desired height.
4. Place the shelf back onto the supports, ensuring it is stable.

5.3. Using the Magnifying Mirror

A 3x magnifying mirror is located on the inside of the cabinet door. This mirror is vertically adjustable to suit users of different heights. Gently slide the mirror up or down along its track to position it for optimal use.

6. MAINTENANCE AND CARE

Regular cleaning and proper care will help maintain the appearance and functionality of your medicine cabinet.

- **Cleaning Mirrors and Glass:** Use a soft, damp cloth and a mild glass cleaner. Avoid abrasive cleaners or harsh chemicals that can damage the mirror surface or frame finish.
- **Cleaning Frame and Interior:** Wipe surfaces with a soft, damp cloth. For stubborn spots, use a mild, non-abrasive household cleaner. Dry thoroughly with a clean cloth.
- **Hinge Care:** The hinges are designed for durability. Avoid applying excessive force when opening or closing the door. Do not lubricate hinges unless specifically instructed by KOHLER support.
- **Avoid Overloading:** Do not exceed the recommended weight limit for shelves (31 pounds total for the cabinet).

7. TROUBLESHOOTING

If you encounter any issues with your medicine cabinet, refer to the following common troubleshooting tips.

Problem	Possible Cause	Solution
Door does not close smoothly or quietly.	Hinges may be misaligned or obstructed.	Check for obstructions. Adjust hinges using a screwdriver if necessary. Refer to installation instructions for hinge adjustment details.
Shelves are unstable.	Shelves not properly seated on supports.	Ensure shelves are fully inserted into all four support clips. Verify supports are securely in place.
Magnifying mirror slides too easily or is stiff.	Track may be dirty or mechanism needs adjustment.	Clean the track with a soft, dry cloth. If issues persist, contact customer support.

If the problem persists after attempting these solutions, please contact KOHLER customer support.
