COSTWAY Cat Litter Box Enclosure PV10067DE Instruction Manual

Model: PV10067DE

Brand: COSTWAY

1. INTRODUCTION AND PRODUCT OVERVIEW

Thank you for choosing the COSTWAY Cat Litter Box Enclosure PV10067DE. This versatile furniture piece is designed to provide a private and discreet space for your cat's litter box, helping to maintain a cleaner and more organized home environment. Its functional design also allows it to serve as a stylish side table, offering additional surface area and storage.

The enclosure features a sturdy construction from premium MDF, durable metal legs, and a convenient cat-shaped entrance for easy access. It includes an internal divider for organizing cat accessories or other items. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

This image displays the COSTWAY Cat Litter Box Enclosure with its two front doors open, revealing a cat litter box placed within the main compartment. The enclosure features a dark brown wood grain finish on the doors and a black frame, with a cat-shaped entrance visible on the right side panel.

2. SAFETY INFORMATION

- Always assemble the product on a clean, flat, and soft surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten if necessary.
- Do not exceed the maximum load capacity of 50 kg (110 lbs) on the top surface.
- Keep small parts and packaging materials away from children and pets during assembly to prevent choking hazards.
- Avoid placing the enclosure in direct sunlight or near heat sources to prevent material damage.
- Do not allow children to climb on or play inside the enclosure.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (Top, Bottom, Sides, Back, Divider)
- Front Doors (x2)
- Metal Legs (x4)

- Door Hinges (x4)
- Door Knobs (x2)
- Assembly Hardware (screws, dowels, cam locks, etc.)

4. ASSEMBLY INSTRUCTIONS (SETUP)

Follow these steps to assemble your COSTWAY Cat Litter Box Enclosure. It is recommended to have two people for assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface and compare them against the package contents list to ensure everything is present.
2. **Attach Metal Legs:** Secure the four metal legs to the bottom panel of the cabinet using the provided screws. Ensure they are firmly attached and aligned.
3. **Assemble Cabinet Frame:** Connect the side panels, back panel, and bottom panel using the designated hardware (e.g., dowels and cam locks). Follow the pre-drilled holes for correct alignment.
4. **Insert Divider:** Slide the internal divider panel into its designated slots within the cabinet frame. This creates two compartments.
5. **Attach Top Panel:** Place the top panel onto the assembled frame and secure it with the appropriate hardware.
6. **Install Doors:** Attach the hinges to the front doors and then to the cabinet frame. Ensure the doors open and close smoothly.
7. **Attach Door Knobs:** Secure the door knobs to the front doors.
8. **Final Check:** Verify that all connections are tight and the enclosure is stable.

5. USAGE (OPERATING)

The COSTWAY Cat Litter Box Enclosure offers dual functionality:

As a Cat Litter Box Enclosure:

- Place a standard cat litter box (maximum size 52 x 48 x 42 cm) into the larger compartment of the enclosure.
- Your cat can access the litter box through the cat-shaped entrance on the side panel.
- The enclosed design provides privacy for your cat and helps contain litter scatter and odors.
- Use the smaller compartment, separated by the internal divider, for storing cat food, toys, or cleaning supplies.

As a Side Table:

- The sturdy top surface can be used to place decorative items, lamps, books, or beverages.
- Its rustic style and compact design make it suitable for various rooms, including living rooms,

bedrooms, or hallways.

- ✓ Unordnung im Zimmer vermeiden

This graphic illustrates the dual functionality of the product. One panel shows it as a cat house with a cat bed inside, while another shows it as a side table with decorative items on top, emphasizing its adaptability.

A cat is captured in motion, entering the enclosure through the distinctive cat-shaped opening on its side panel, demonstrating the ease of access for pets.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent moisture damage to the MDF.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Ventilation:** Ensure the cat-shaped entrance is not obstructed to allow for proper air circulation within the enclosure.

7. TROUBLESHOOTING

- **Enclosure is Wobbly:** Check that all screws and fasteners are fully tightened. Ensure the enclosure is placed on a level surface. Adjust the feet if applicable.
- **Doors Do Not Close Properly:** Verify that the hinges are correctly installed and aligned. Check for any obstructions inside the cabinet.
- **Cat Not Using Entrance:** Ensure the entrance is clear and easily accessible. Some cats may need time to adjust to a new litter box setup.
- **Litter Box Does Not Fit:** Confirm the dimensions of your litter box against the specified maximum internal dimensions (52 x 48 x 42 cm).
