vidaXL Artificial Boxwood Plants User Manual

Model: 336519

INTRODUCTION

These artificial boxwood plants from vidaXL are designed to enhance any space with a touch of greenery. The ball shape provides an eye-catching decorative element. Crafted from durable polyethylene and polypropylene, these plants are weather-resistant, making them suitable for both indoor and outdoor use. They offer an authentic look with a lush mixed green color and natural texture, ideal for those seeking low-maintenance botanical decor.

PRODUCT FEATURES

- **Low Maintenance:** Requires no watering, pruning, or sunlight, making them perfect for busy lifestyles.
- **Durable Materials:** Made from weather-resistant polyethylene and polypropylene for long-term indoor and outdoor use.
- **Realistic Appearance:** Features a lush mixed green color and natural texture for an authentic look.
- **Versatile Placement:** Suitable for various settings, including homes, offices, patios, and gardens.
- **Ready to Display:** Comes pre-assembled in pots, requiring no setup.

SETUP AND PLACEMENT

Your vidaXL Artificial Boxwood Plants are delivered ready for immediate display. No assembly is required. Simply unbox the plants and place them in your desired location.

Image: Two artificial boxwood plants, each in a black pot, ready for display. They feature a vibrant green, dense foliage shaped into a perfect sphere.

Image: A single artificial boxwood plant with its dimensions clearly marked: 23.5 cm (9.3 inches) in width and 32 cm (12.6 inches) in height, including the pot.

These plants are suitable for both indoor and outdoor environments. When choosing a location, consider the overall aesthetic and ensure the plants are placed on a stable, flat surface. For outdoor use, their weather-resistant properties ensure durability against various elements.

MAINTENANCE

Artificial plants require minimal care, but occasional cleaning will help maintain their vibrant appearance over time.

- **Dusting:** Regularly wipe the leaves and pot with a soft, dry cloth or a feather duster to remove accumulated dust.
- **Cleaning:** For more thorough cleaning, gently wipe the leaves with a damp cloth. For outdoor plants, a light rinse with water can be performed. Ensure the plants are dry before returning them to their location, especially if indoors.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these can damage the material and color of the plants.
- **Sunlight Exposure:** While designed for outdoor use, prolonged and intense direct sunlight over many years may eventually lead to slight fading. Rotating outdoor plants periodically can help ensure even exposure.

TROUBLESHOOTING

Most issues with artificial plants are minor and easily resolved. Here are some common concerns:

- **Problem:** Plant appears dusty or dull.
Solution: Follow the dusting and cleaning instructions in the "Maintenance" section.
- **Problem:** Leaves or branches are slightly compressed or misshapen from packaging.
Solution: Gently manipulate and fluff the leaves and branches by hand to restore their natural, full shape. The material is flexible and designed to be reshaped.
- **Problem:** Plant feels unstable in its pot.
Solution: Ensure the plant is securely seated in the pot. If additional stability is desired, you may add decorative stones, pebbles, or sand to the pot (not included) to increase its weight and base stability.

SPECIFICATIONS

Attribute	Detail
Brand	vidaXL
Product Type	Artificial Boxwood Plant
Color	Green
Material	Polyethylene, Polypropylene
Overall Size (L x H)	9.3" x 12.6" (23.5 cm x 32 cm)
