Important: Always install the anti-tipping accessories to secure the dresser to the wall, especially in households with children or pets, to prevent accidental tipping.

OPERATION

The WLIVE Tall Fabric Storage Dresser is designed for easy and efficient storage. To use, simply pull the elegant handles to open and close the fabric drawers. The drawers are made from high-grade non-woven fabric, providing a lightweight yet durable storage solution.

- **Drawer Capacity:** Each fabric drawer can hold up to 10 lbs of weight.
- **Top Shelf Capacity:** The wooden top shelf has a load-bearing capacity of up to 35 lbs, suitable for decorative items, books, or frequently accessed essentials.

Avoid overloading drawers or the top shelf beyond their specified weight limits to ensure the longevity and stability of the dresser.

CARE AND MAINTENANCE

To maintain the appearance and extend the lifespan of your WLIVE Tall Fabric Storage Dresser, follow these simple care instructions:

- **Cleaning:** Wipe with a dry cloth. For stubborn marks on the wooden top, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Fabric Drawers:** The fabric drawers are not machine washable. Spot clean with a mild detergent and a damp cloth if necessary, then air dry completely.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions, as they may damage the finish or fabric.
- **Placement:** Place the dresser in a dry area, away from direct sunlight and excessive humidity, to prevent material degradation.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your WLIVE Tall Fabric Storage Dresser, consider the following common solutions:

- **Drawers not sliding smoothly:** Ensure the dresser is assembled correctly and all frame components are aligned. Check that drawers are not overloaded or unevenly weighted.
- **Dresser wobbles:** Adjust the leveling feet at the bottom of the dresser to ensure it is stable on uneven floors. Confirm that all frame connections are securely tightened. Ensure the anti-tipping device is properly installed and secured to the wall.
- **Missing parts:** Double-check the packaging and all contents. If parts are genuinely missing, contact WLIVE customer support with your purchase details.
- **Damage during assembly:** If a part is damaged during assembly, stop and contact customer support for replacement parts. Do not force damaged components.

For issues not covered here, please refer to the contact information in the Warranty and Support section.
