T4TREAM ASC6DRSC-LTK

T4TREAM 48" Tall 6-Drawer Dresser (Model: ASC6DRSC-LTK) Instruction Manual

Introduction

This manual provides essential information for the safe assembly, operation, and maintenance of your T4TREAM 48" Tall 6-Drawer Dresser. Please read all instructions carefully before beginning assembly and retain this manual for future reference. Ensure all components are present and undamaged before proceeding.

Safety Information

Your safety is paramount. Please adhere to the following guidelines:

- This dresser meets the ASTM F2057-23 safety standard for storage furniture.
- Always install the included anti-tipping device to prevent accidental tipping, especially in households with children.
- Do not allow children to climb on or play with the dresser or its drawers.
- Distribute weight evenly across drawers to maintain stability.
- Do not exceed the maximum weight capacities: **Tabletop: 100 lbs**, **Drawers: 50 lbs each**.
- Keep small parts and packaging materials away from children during assembly.

Package Contents

The T4TREAM 48" Tall 6-Drawer Dresser is shipped in two separate packages. Please verify that all parts are present before beginning assembly. Refer to the included parts list in your package for detailed component identification.
Included Components:

- Dresser frame components
- 6 drawer components (4 large, 2 small)
- Hardware kit (screws, dowels, cam locks, drawer slides, handles)
- Anti-tipping device
- Assembly instructions

Setup and Assembly

Assembly is required for this dresser. Follow the step-by-step instructions provided in your package. All parts are clearly numbered for easy identification.

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Assemble Frame:** Follow the numerical sequence in the provided instruction booklet to assemble the main dresser frame. Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the drawer slides to the dresser frame and drawer sides as indicated in the instructions. Ensure they are aligned correctly for smooth operation.
4. **Assemble Drawers:** Construct the 6 drawers (4 large, 2 small) according to the instructions. Attach the retro-style metal handles securely.
5. **Insert Drawers:** Carefully slide the assembled drawers into their respective slots in the dresser frame.
6. **Install Anti-Tipping Device:** This is a critical safety step. Securely attach the anti-tipping device to the back of the dresser and to a wall stud using the provided hardware. Ensure it is taut and properly anchored.

Extra spare hardware is included to replace any lost pieces during assembly.

Operating Instructions

The T4TREAM 6-Drawer Dresser is designed for organized storage in various rooms.

- **Drawer Usage:** The dresser features 4 large drawers and 2 smaller top drawers. Each drawer is equipped with smooth metal slides for easy opening and closing.
- **Storage Capacity:** Utilize the drawers to organize clothes, accessories, linens, or other personal items. The spacious design helps keep your room tidy.
- **Top Surface:** The 32-inch wide top surface is suitable for displaying decorative items such as potted plants, photos, or lamps.
- **Weight Limits:** Adhere to the specified weight capacities: Tabletop: 100 lbs, Drawers: 50 lbs each. Overloading can compromise stability and damage the unit.

Maintenance

To ensure the longevity and appearance of your T4TREAM dresser, follow these simple maintenance tips:

- **Cleaning:** Wipe the dresser surfaces with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent staining or water damage.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten as needed to maintain structural integrity.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.
- **Humidity:** Maintain a stable humidity level in the room to prevent wood from warping or cracking.

Troubleshooting

If you encounter any issues with your dresser, consider the following common solutions:

- **Drawers not sliding smoothly:** Check if the drawer slides are properly aligned and free of obstructions. Ensure all screws on the slides are tight.
- **Dresser feels wobbly:** Verify that all assembly hardware is securely tightened. Ensure the dresser is placed on a level surface. Re-check the anti-tipping device installation.
- **Missing parts:** If any parts were missing upon arrival, refer to the contact information in the Support section for assistance.
- **Minor cosmetic damage:** For small scratches or blemishes, wood repair kits or markers designed for furniture can be used.
