PHI VILLA Model 1

PHI VILLA 12-Seat Curved Wicker Patio Furniture Set Instruction Manual

Model: Model 1

PRODUCT OVERVIEW

This PHI VILLA 12-seat curved wicker patio furniture set is designed for outdoor use, offering a modular and flexible seating arrangement. It includes two curved armless seats, one armless section, and four ottomans, allowing for various configurations to suit different outdoor spaces such as patios, gardens, decks, or poolside areas. The set features durable construction and comfortable cushions engineered for outdoor conditions.

Image: The complete 12-seat curved wicker patio furniture set arranged in a half-moon shape with four ottomans, suitable for a large outdoor conversation area.

COMPONENTS AND DIMENSIONS

The set is comprised of modular pieces that can be arranged to form a large conversation seating area. Key components include:

- **Curved Armless Seats:** Two units, designed to form the curved sections of the sofa.
- **Armless Section:** One unit, providing additional seating capacity.
- **Ottomans:** Four units, versatile for use as footrests, extra seating, or combined to form a coffee table.

Patio Conversation Set

2 x Half Moon Sofa

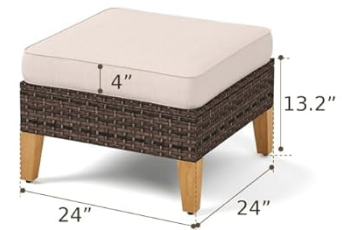

2 x Armless Chair

1 x Single Armrest

1 x Single Armrest

4 x Ottoman

SETUP AND ASSEMBLY

Assembly is required for this patio furniture set. It is recommended to have at least two people for easier and safer assembly. Please follow the included instructions carefully. During assembly, exercise caution regarding any potentially sharp edges on the wicker material.

Modular Design Flexibility

The modular design allows for various configurations. You can rearrange the individual sofa and ottoman sections to create different layouts that best suit your outdoor space and social needs. The unique crescent shape of the curved sections promotes fluid visual appeal and encourages conversation.

OPERATING INSTRUCTIONS

This furniture set is designed for comfortable outdoor seating and relaxation. The extra-wide seats (24 inches) and 4-inch thick cushions provide firm support and comfort for extended use.

Ottoman Versatility

The included ottomans are multi-functional. They can be used as:

- **Footrests:** For enhanced relaxation.
- **Sectional Modules:** To extend seating or create chaise lounges.
- **Coffee Tables:** By placing a tray on top.
- **Stools:** For additional temporary seating.

MAINTENANCE

Proper maintenance will extend the life and appearance of your PHI VILLA patio furniture set.

Cushion Care (Cushion Pro Technology)

The cushions feature PHI VILLA's exclusive Cushion Pro Technology, providing triple protection:

- **Water-resistant:** Repels water to prevent absorption.
- **Oil-resistant:** Helps prevent oil stains.
- **UV-resistant:** Maintains colorfastness and prevents fading from sun exposure.

The refined fabric surface is easy to clean. For spills, gently pat and wipe with a dry towel. For general cleaning, wipe with a dry cloth.

Wicker Frame Care

The Wicker King hand-woven rattan is extra-thick and break-resistant. The powder-coated steel frame offers strength, durability, and rust resistance. To clean the wicker and frame, wipe with a dry cloth. Avoid harsh chemicals that may damage the finish.

TROUBLESHOOTING

If you encounter any issues with your PHI VILLA patio furniture set, please refer to the following general guidance:

- **Stability Issues:** Ensure all bolts and fasteners are securely tightened. Periodically check and retighten as needed.
- **Cushion Appearance:** If cushions appear flattened, fluff them to restore shape. Ensure they are dry before storing or covering to prevent mildew.
- **Wicker Damage:** Minor fraying can sometimes be carefully trimmed. For significant damage, contact customer support.
