Feekaa Quiet Blender FK-PB-8001 Instruction Manual

Brand: Feekaa

Model: FK-PB-8001

IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before using the Feekaa Quiet Blender. Retain this manual for future reference.

- Always unplug the blender from the power outlet when not in use, before assembling or disassembling parts, and before cleaning.
- Do not immerse the blender base, cord, or plug in water or other liquids.
- Close supervision is necessary when any appliance is used by or near children.
- Avoid contact with moving parts. Never place hands or utensils into the blender jar while it is operating.
- Do not blend hot liquids, as this may cause pressure buildup and result in injury.
- Ensure the lid and soundproof cover are securely fastened before operating the blender.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been damaged in any manner.
- Use only attachments recommended or sold by the manufacturer.
- Do not use outdoors.

PRODUCT OVERVIEW

The Feekaa Quiet Blender FK-PB-8001 is engineered for efficient blending with significantly reduced noise. It features a durable Tritan jar and a powerful 6-blade system, making it ideal for a variety of blending tasks.

Components

- Blender Base with Control Panel
- 44oz (1300ml) Tritan Jar with 6-Blade Assembly
- Soundproof Cover
- Lid with Removable Cap

Key Features

- **Quiet Design:** Incorporates a soundproof shield, full-wrap silicone strip, buffer platform, stabilizing base, and anti-skid feet for up to 40% noise reduction.
- **6-Blade 3D Blending System:** Features blades at 15°, 45°, and 120° angles for efficient ice crushing, bottom food processing, and fast circulation.
- **44oz Tritan Jar:** Durable, large capacity jar suitable for various ingredients.
- **Multiple Pre-set Programs:** Dedicated buttons for Juice, Smoothie, and Ice Crush.
- **Variable Speed Control:** Dial for precise speed adjustment from low to maximum.
- **Easy Cleaning:** Includes a "P-gear" setting for powerful self-cleaning.

SETUP

Unpacking

- Carefully remove all components from the packaging.
- Wash the Tritan jar, lid, and removable cap with warm, soapy water before first use. Rinse thoroughly and dry.
- Wipe the blender base with a damp cloth. Do not immerse the base in water.

Assembly

1. Place the blender base on a stable, flat, and dry surface.
2. Ensure the 6-blade assembly is securely attached to the bottom of the Tritan jar.
3. Place the Tritan jar onto the blender base, aligning it correctly until it clicks into place.
4. Place the soundproof cover over the jar and base, ensuring it is fully closed for optimal noise reduction and operation.
5. Secure the lid onto the Tritan jar.

OPERATING INSTRUCTIONS

General Blending

1. Prepare ingredients and place them into the Tritan jar. Do not exceed the MAX fill line.
2. Secure the lid and soundproof cover as described in the "Assembly" section.
3. Plug the blender into a power outlet. The power button will illuminate.
4. Select a pre-set program (Juice, Smoothie, Ice Crush) or use the variable speed dial.
5. For variable speed, turn the dial clockwise to increase speed. For pulse blending, turn the dial to 'P' and release.
6. Allow the blender to complete its cycle or turn the dial to 'OFF' to stop manually.
7. Once blending is complete, unplug the blender before removing the soundproof cover and jar.

Pre-set Programs

- **Juice:** Ideal for fruits and vegetables, creating smooth juices.
- **Smoothie:** Designed for creamy smoothies with frozen fruits and liquids.

- **Ice Crush:** Optimized for crushing ice cubes into fine snow.

Video 1: This video demonstrates the Feekaa Quiet Blender in action, showcasing its ability to blend various ingredients for shakes and smoothies. It highlights the quiet operation and ease of use.

MAINTENANCE AND CLEANING

Quick Clean Mode

1. After use, rinse the jar.
2. Fill the jar with warm water and a drop of dish soap.
3. Secure the lid and soundproof cover.
4. Select the "P-gear" (Pulse) setting on the dial and run for a few seconds.
5. Empty the jar, rinse thoroughly with clean water, and dry.

Deep Cleaning

- The Tritan jar, lid, and removable cap are dishwasher safe. Place them on the top rack.
- For the blender base, wipe with a damp cloth. Do not use abrasive cleaners or immerse in water.
- Ensure all parts are completely dry before reassembling or storing.
