## OPERATING (USAGE) INSTRUCTIONS

---

The Amazonia Rossano Dining Set is versatile and suitable for various environments:

- **Indoor Use:** Place the dining set in your desired indoor dining area. Ensure it is on a level surface.
- **Outdoor Use:** This set is ideal for patios and outdoor spaces. Its durable construction is designed to withstand various weather conditions throughout the year.
- **Comfort:** The chairs feature a wide seat and a curved backrest for comfortable seating during meals or gatherings.

## MAINTENANCE AND CARE

---

Proper care will extend the life and beauty of your dining set:

- **Cleaning:** Wipe the table and chairs with a dry cloth to remove dust and debris. For more stubborn dirt, use a damp cloth with mild soap and water, then dry thoroughly.
- **Wood Care:** The eucalyptus wood is naturally durable. To maintain its appearance and protect it from prolonged exposure to harsh elements, periodic application of wood oil is recommended, especially for outdoor use.
- **Plastic Care:** The Social Plastic components are easy to clean and maintain. Avoid abrasive cleaners or harsh chemicals that could damage the material.
- **Weather Resistance:** While designed to withstand all types of weather, storing the set under cover during extreme weather conditions or prolonged periods of non-use can further preserve its condition.

## TROUBLESHOOTING

---

- **Wobbly Table/Chairs:** Check all bolts and screws. Loosen slightly, adjust the furniture on a level surface, and then re-tighten firmly.
- **Missing Parts:** If any parts or hardware are missing, refer to the contact information in your original packaging or the manufacturer's website for assistance.
- **Surface Stains:** For wood, light sanding and re-oiling may help with minor stains. For plastic, a gentle cleaner should suffice.
