SGNICS IAI115

SGNICS IAI115 Wireless Earbuds User Manual

Model: IAI115

INTRODUCTION

Thank you for choosing the SGNICS IAI115 Wireless Earbuds. These earbuds are designed to provide a high-quality audio experience with advanced features such as Bluetooth 5.3 connectivity, an LED power display, IPX7 waterproofing, and intuitive touch controls. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance.

WHAT'S IN THE BOX

- SGNICS IAI115 Wireless Earbuds (Left & Right)
- Charging Case
- USB-C Charging Cable
- User Manual

PRODUCT OVERVIEW

Familiarize yourself with the key features and components of your SGNICS IAI115 Wireless Earbuds.

LED Digital Power Display: The charging case features a dual digital power display indicating the remaining battery for both the left/right earbuds and the charging case itself. A single earbud charge provides approximately 5 hours of playback, with the charging case extending total listening time up to 40 hours. The quick charge function allows for 1 hour of playback after just 10 minutes of charging.

LATEST BLUETOOTH 5.3

Dual-channel transmission creates an unbreakable connection

Bluetooth 5.3 Connectivity: These earbuds utilize advanced Bluetooth 5.3 technology for a more stable connection, lower latency, and reduced power consumption. This ensures a reliable and efficient wireless audio experience.

Bass+

Light Design

Bluetooth

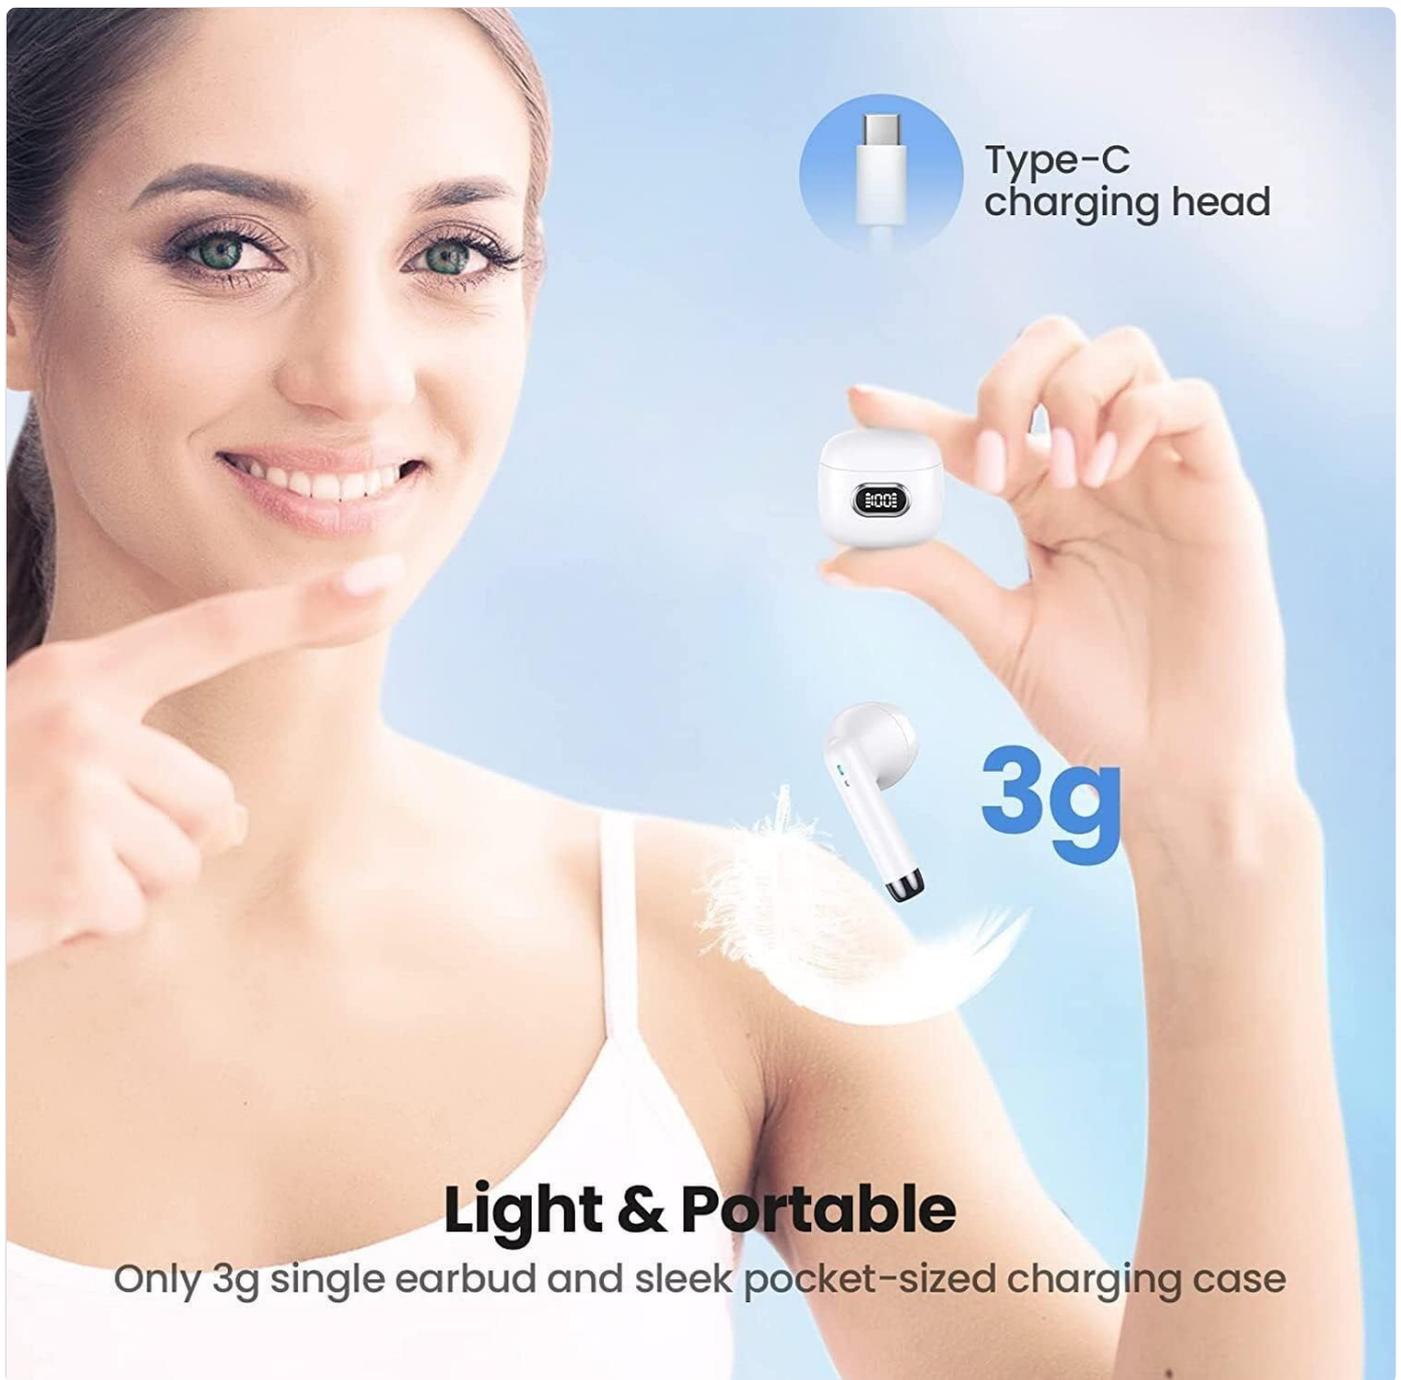

Authentic Sound with 13mm Dynamic Drivers: Equipped with 13mm graphene composite drivers, the earbuds deliver crystal clear sound and deep bass resonance for an immersive audio experience. Built-in dual microphones with CVC 8.0 noise cancellation enhance call clarity.

IPX7 Waterproof

Resistant to sweat, water and rain

IPX7 Waterproof Rating: Both the earbuds and the charging case are IPX7 waterproof, providing protection against sweat, splashes, and rain. This makes them suitable for workouts and outdoor activities.

Lightweight and Portable Design: Each earbud weighs only 3.2 grams, offering an ultra-light and comfortable fit. The sleek, pocket-sized charging case ensures easy portability.

SETUP

1. Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots (L for left, R for right).
2. Connect the USB-C charging cable to the charging port on the case and the other end to a USB power adapter (not included).
3. The LED display on the charging case will show the current battery level. The earbud indicators will light up during charging and turn off when fully charged.
4. A full charge for the case takes approximately 1 hour. The earbuds can be quick-charged for 10 minutes to provide 1 hour of playback.

2. Powering On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

3. Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing light on the earbuds.
2. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
3. Select "IA1115" from the list of found devices.
4. Once connected, a voice prompt will confirm successful pairing, and the earbud lights will stop flashing.
5. The earbuds will automatically reconnect to the last paired device when removed from the case, provided Bluetooth is enabled on the device.

OPERATING INSTRUCTIONS

1. Wearing the Earbuds

Gently insert the earbuds into your ears, ensuring a snug and comfortable fit. Adjust them until the sound is clear and the earbuds feel secure. The ergonomic design is intended for extended wear without discomfort.

2. Touch Controls

The SGNICS IA1115 earbuds feature capacitive touch-sensing technology for easy control of various functions:

- **Play/Pause Music:** Single tap either earbud.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.
- **Answer/End Call:** Single tap either earbud during an incoming call or active call.
- **Reject Call:** Long press either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap either earbud.
- **Volume Up:** Long press the right earbud.
- **Volume Down:** Long press the left earbud.

MAINTENANCE

1. Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts on both earbuds and case are clean and free of debris to maintain proper charging.

2. Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid storing in extreme temperatures or high humidity.

3. Water Resistance (IPX7)

- The earbuds and charging case are IPX7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes.
- This rating protects against sweat, rain, and accidental splashes, but they are not designed for swimming or prolonged submersion.
- Ensure the earbuds are dry before placing them back into the charging case to prevent damage to the charging contacts.

TROUBLESHOOTING

- **Earbuds not pairing:** Ensure both earbuds are charged. Place them back in the case, close the lid, then open it again to re-enter pairing mode. Delete "IA1115" from your device's Bluetooth list and try pairing again.
- **Only one earbud has sound:** Place both earbuds back into the charging case, close the lid, and then open it again. This often resets the connection between the two earbuds. If the issue persists, try re-pairing them with your device.
- **Charging issues:** Check that the charging cable is securely connected to both the case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean and free of obstructions.
- **Poor sound quality:** Ensure the earbuds are properly seated in your ears for a good seal. Check your device's volume settings. If the issue persists, try disconnecting and re-pairing the earbuds.
- **Touch controls unresponsive:** Ensure your fingers are clean and dry. Try restarting the earbuds by placing them in the case and then taking them out again.

SPECIFICATIONS

Model Number	IA1115
Brand	SGNICS
Wireless Communication Technology	Bluetooth
