## Bayer 62660AA

# Bayer Multi Bed Doll Accessory Instruction Manual

Model: 62660AA

## INTRODUCTION

This instruction manual provides important information for the safe assembly, operation, and maintenance of your Bayer Multi Bed Doll Accessory. Please read this manual thoroughly before use and retain it for future reference.

The Bayer Multi Bed is a versatile accessory designed for dolls up to 18 inches, offering multiple play functions including a bed, integrated high chair, and storage. It is intended for children aged 36 months to 8 years.

## SAFETY INFORMATION

### **WARNING: CHOKING HAZARD - Small parts. Not suitable for children under 3 years (36 months).**

- Always supervise children during play.
- Ensure all parts are securely assembled before allowing a child to play with the product.
- Keep packaging materials away from children to prevent suffocation.
- Regularly inspect the product for any damage or loose parts. Discontinue use if any damage is found.

## PACKAGE CONTENTS

Carefully unpack all components and verify that all items listed below are present. If any parts are missing or damaged, please contact customer support.

- 1 x Doll Bed frame with fabric components
- 1 x Integrated Highchair with dining tray
- 3 x Hangers
- 1 x Pillow
- 1 x Blanket
- 1 x Mobile with decorative elements

- 1 x Changing pad
- Assembly Instructions (paper document)

## SETUP AND ASSEMBLY

Assembly of the Bayer Multi Bed requires careful attention to ensure stability and proper function. Please follow these general steps. Refer to the included paper instructions for detailed diagrams and specific part identification.

1. **Unpack Components:** Lay out all parts on a clean, flat surface. Verify against the package contents list.
2. **Assemble the Frame:** Connect the frame pieces according to the diagrams in the paper instructions. Ensure all connections click into place securely.
3. **Attach Fabric Components:** Secure the fabric bed and side panels to the frame. Ensure all Velcro fasteners or clips are firmly attached.
4. **Install Highchair:** Attach the integrated highchair to the designated area on the bed frame. Ensure the dining tray is securely in place.
5. **Attach Mobile:** Secure the mobile arm to the bed frame and hang the decorative elements.
6. **Place Accessories:** Position the changing pad, pillow, and blanket as desired. Utilize the storage compartment and hangers for doll clothes and accessories.

**Important Note:** Some users have reported challenges with assembly. If you encounter difficulties, carefully re-examine the paper instructions and ensure all parts are oriented correctly. Incorrect assembly can lead to instability.

## OPERATING INSTRUCTIONS

The Bayer Multi Bed is designed for imaginative play with dolls up to 18 inches. Its multi-functional design allows for various play scenarios.

- **Doll Bed:** Place your doll comfortably in the bed area for naptime or bedtime. Use the included pillow and blanket for added realism.
- **Integrated Highchair:** Seat your doll in the highchair for feeding time. The dining tray provides a convenient surface for play food or accessories.
- **Storage Compartment:** Utilize the compartment with the Velcro fastener to store doll accessories, small toys, or extra clothes. The three hangers can be used to organize doll outfits.
- **Changing Area:** The area behind the highchair can serve as a changing station for your doll.
- **Mobile:** The attached mobile can be gently spun to simulate entertaining the doll.

## MAINTENANCE

To ensure the longevity and cleanliness of your Bayer Multi Bed, follow these maintenance guidelines:

- **Cleaning:** Wipe down plastic and fabric surfaces with a damp cloth and mild soap. Do not use abrasive cleaners or harsh chemicals. Allow to air dry completely.
- **Storage:** When not in use, store the Multi Bed in a clean, dry place away from direct sunlight to prevent fading and material degradation.
- **Inspection:** Periodically check all connections, fasteners, and fabric for wear and tear. Tighten any loose parts.

## TROUBLESHOOTING

If you encounter any issues with your Bayer Multi Bed, please refer to the following common solutions:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Bed appears wobbly or unstable.	Incorrect assembly or loose connections.	Disassemble and reassemble carefully, ensuring all frame pieces are fully engaged and fabric components are taut. Refer to the paper instructions.
Missing parts upon unboxing.	Packaging error.	Contact Bayer Design customer support immediately with your purchase details.
Fabric components are dirty.	Normal use.	Clean with a damp cloth and mild soap. Do not machine wash.
