VEVOR KL-FC10

VEVOR KL-FC10 36-Compartment Wood Literature Organizer Instruction Manual

Model: KL-FC10

Introduction

Thank you for choosing the VEVOR 36-Compartment Wood Literature Organizer. This manual provides essential information for the safe assembly, operation, and maintenance of your new organizer. Please read these instructions thoroughly before assembly and retain them for future reference.

Safety Instructions

- Keep the organizer away from heat sources and open flames.
- Do not use in environments where the temperature may exceed 120°F (49°C).
- Keep the product away from children and pets.
- Always follow the assembly instructions carefully to avoid injury.
- Do not overload the compartments. Each compartment has a loading capacity of 22 lbs (10 kg).
- Always use the product on a stable, level surface.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact VEVOR customer support.

- 1 x Wood Literature Organizer (disassembled components)
- Assembly Hardware (screws, dowels, etc.)
- Assembly Instructions Manual

Assembly Instructions

The VEVOR Wood Literature Organizer features a simple panel design for quick assembly, typically completed within 10 minutes. Follow these steps carefully:

1. **Step 1: Connect the Baseboard and Partition Boards.**
   Align the partition boards with the slots on the baseboard. Secure them using the provided hardware. Ensure a snug fit for stability.

Image: Connect the baseboard and partition boards.

2. **Step 2: Install the Backboard.**
   Slide the backboard into the designated grooves on the rear of the assembled base and partition boards. This adds structural integrity.

Image: Install the backboard.

3. **Step 3: Install the Top Board.**
   Place the top board onto the structure, aligning it with the top edges of the partition boards. Secure it with the appropriate hardware.

Image: Install the top board.

4. **Step 4: Insert the Shelves.**
   Slide the individual shelves into the slots to create the compartments. The shelves are removable and adjustable, allowing you to customize the compartment height as needed.

Once all steps are completed, ensure all connections are secure before placing items in the organizer.

Operating Instructions

Customizing Compartment Size

The VEVOR Literature Organizer features 36 compartments, each with a standard size of 11.1"x8.9"x2.2" (282x228x55mm). These compartments are designed to hold over 500 A4 paper sheets.

To accommodate taller items such as binders, larger books, or specific stationery, you can easily adjust or remove the shelves. Simply slide a shelf out of its current position and reinsert it into a different slot, or remove it entirely to create a larger vertical space. This flexibility allows you to tailor the storage layout to your specific needs.

Image: Adjustable and removable shelves for flexible storage.

Loading Capacity

Each individual compartment can support up to 22 lbs (10 kg). The overall organizer has a maximum weight capacity of 792 lbs. Distribute weight evenly across the compartments to maintain stability and prevent damage.

Maintenance

Cleaning

To clean the organizer, simply wipe its surfaces with a dry cloth. The P2 chipboard material is polished smoothly, making it waterproof and scratch-resistant for easy maintenance.

General Care

- Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.
- Periodically check all connections and hardware to ensure they remain tight. Tighten if necessary.
- Ensure the organizer is always placed on a flat, stable surface to prevent tipping.

Troubleshooting

If you encounter any issues with your VEVOR Literature Organizer, consider the following common solutions:

- **Instability:** Ensure all screws and connections are fully tightened. Verify the organizer is on a level surface.
- **Difficulty with Shelf Adjustment:** Check that shelves are inserted correctly into the grooves. Do not force shelves; gently slide them into place.
- **Damaged Components:** If any part arrived damaged or becomes damaged during assembly, do not proceed with assembly. Contact VEVOR customer support for replacement parts.

Specifications
