PACKAGE CONTENTS

Your CUTEROOM DIY Miniature Sakura Noodles Shop Dollhouse Kit includes the following components:

- All necessary wooden pieces for the dollhouse structure and furniture.
- Paper cutouts and fabric pieces for decorative elements.
- LED lights for illumination.
- A clear dust cover to protect the finished model.
- Detailed English instruction booklet with illustrative pictures.

Note: Parts are packaged in multiple bags. Items required for building each component may not be in the same bag. Refer to the instructions, as pieces are numbered for easy identification and assembly.

SAFETY INFORMATION

- This kit contains small parts and is not suitable for young children without adult supervision.
- All materials are of premium quality and are considered safe for use.
- **Battery Requirement:** Batteries are not included in the package due to transportation regulations. Please prepare your own batteries for the LED lights.
- Exercise caution when using sharp tools (e.g., scissors, craft knife) during assembly.

SETUP AND ASSEMBLY

Assembly of the Sakura Noodles Shop Dollhouse Kit requires patience and attention to detail. Follow the step-by-step instructions provided in the English booklet. Each step is clearly illustrated with pictures to guide you through the process.

1. **Preparation:** Unpack all components and organize them. Identify numbered pieces according to the instruction manual.
2. **Tools:** Gather necessary tools such as scissors, glue (not included), tweezers, and a ruler.
3. **Step-by-Step Construction:** Follow the manual's sequence for building the main structure, furniture, and decorative elements.
4. **Wiring LED Lights:** Carefully follow the wiring diagrams for installing the LED lights. Ensure batteries are inserted correctly once wiring is complete.

OPERATING INSTRUCTIONS (LED LIGHTS)

The Sakura Noodles Shop Dollhouse Kit includes LED lights to enhance its visual appeal. To operate the lights:

1. Ensure batteries are correctly installed in the designated battery compartment (batteries not included).
2. Locate the power switch for the LED lights, typically a small button or toggle switch integrated into the base or side of the dollhouse.
3. Flip the switch to the 'ON' position to illuminate the miniature scene.
4. Flip the switch to the 'OFF' position when not in use to conserve battery life.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the dollhouse and its components. Avoid using liquid cleaners, which may damage the materials.
- **Dust Cover:** Keep the dust cover in place when the dollhouse is not being actively viewed or handled to protect it from dust and environmental factors.
- **Storage:** Store the dollhouse in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Battery Replacement:** Replace batteries for the LED lights as needed. Dispose of used batteries responsibly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Missing parts	Parts are distributed across multiple bags; some may be very small.	Carefully check all packaging materials. Refer to the instruction manual for numbered pieces and verify against the parts list. Contact customer support if parts are genuinely missing.
LED lights not working	Incorrect battery installation, dead batteries, or loose wiring.	Ensure batteries are inserted with correct polarity. Replace with fresh batteries. Check all wiring connections as per the instruction manual.
Difficulty with assembly	Complex steps or small components.	Review the detailed pictures in the instruction manual. Take breaks if needed. Use tweezers for small parts. Consider watching the assembly video for visual guidance.
