CUTEROOM QT045 Candy Shop DIY Miniature Dollhouse Kit Instruction Manual

Model: QT045 | Brand: CUTEROOM

INTRODUCTION

Thank you for choosing the CUTEROOM QT045 Candy Shop DIY Miniature Dollhouse Kit. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure a successful and enjoyable building experience. This kit is designed for individuals aged 14 and above.

SAFETY INFORMATION

Please read all safety warnings before beginning assembly. This kit contains small parts and is not suitable for children under 14 years of age due to choking hazards. Adult supervision is recommended for younger builders (14+). Keep all components away from pets. Exercise caution when using sharp tools like scissors or craft knives during assembly.

Battery Safety: The LED lights require LR44 batteries (not included). Ensure correct polarity when inserting batteries. Do not mix old and new batteries. Remove batteries if the product is not used for an extended period. Dispose of batteries responsibly.

PACKAGE CONTENTS

Before starting, verify that all components are present. The package includes:

- 1 x DIY Wooden House Kit (pre-cut wooden pieces)
- Miniature furniture and accessory components
- Dust cover
- LED light components
- Detailed English instruction manual with pictures
- Adhesive (glue)
- Small tools (e.g., tweezers, sandpaper)

Note: Batteries (LR44) are not included and must be purchased separately.

SETUP AND ASSEMBLY

Assembly of the CUTEROOM QT045 Candy Shop dollhouse kit typically takes 0.5 to 1 day, depending on experience. Follow the numbered steps in the included instruction booklet carefully.

Preparation:

- **Unpack Components:** Carefully remove all parts from the packaging. Organize them by type or number as indicated in the manual.
- **Review Instructions:** Read through the entire instruction manual once before starting to familiarize yourself with the steps and overall process.
- **Gather Tools:** Ensure you have all necessary tools, including the provided ones and any additional items like small scissors, a ruler, and LR44 batteries for the LED lights.
- **Work Area:** Prepare a clean, well-lit, and spacious work surface to prevent loss of small parts.

Assembly Steps:

1. **Identify Parts:** Each part is numbered or labeled in the instruction manual. Match the physical components to the diagrams.
2. **Cut and Shape:** Carefully cut out paper parts and shape fabric pieces as instructed. Use precision scissors for clean edges.
3. **Glue Components:** Apply adhesive sparingly and precisely. Allow sufficient drying time for each glued section before proceeding.
4. **Construct Structure:** Begin with the main wooden structure, ensuring all pieces fit snugly.
5. **Assemble Furniture and Accessories:** Follow the specific instructions for each miniature item.
6. **Install LED Lights:** Route wires and attach LED lights as shown in the diagrams. Ensure connections are secure. Insert LR44 batteries into the battery box (not included).
7. **Final Touches:** Add decorative elements and the dust cover.

--PRODUCT INFORMATION--

Product Name:YUMMY CANDY

Material:Wood,Paper,Cloth,etc

Include:LED Lights+Dust cover

Product Weight:0.45kg

Assembly Time:0.5-1days

Product size:9*9*11.5cm

OPERATING INSTRUCTIONS

The CUTEROOM QT045 Candy Shop dollhouse is primarily a display item. Its main operational feature is the LED lighting system.

LED Lights:

- **Power Source:** The LED lights are powered by LR44 batteries (not included).
- **Activation:** Locate the battery box, typically found at the base or back of the dollhouse. It will have a small switch to turn the lights ON or OFF.
- **Battery Replacement:** If the lights dim or stop working, replace the LR44 batteries. Refer to the "Maintenance" section for detailed battery replacement steps.

MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your miniature dollhouse.

Cleaning:

- **Dusting:** Regularly dust the dollhouse and its components using a soft, dry brush or a microfiber cloth. The included dust cover helps minimize dust accumulation.
- **Spot Cleaning:** For stubborn marks, lightly dampen a cotton swab with water and gently clean the affected area. Avoid excessive moisture.
- **Avoid Chemicals:** Do not use harsh chemical cleaners, as they may damage the delicate materials and paint.

Battery Replacement (for LED Lights):

1. Locate the battery compartment, usually at the base of the dollhouse.
2. Open the compartment cover (may require a small screwdriver).
3. Remove the old LR44 batteries.
4. Insert new LR44 batteries, ensuring correct polarity (+ and -).
5. Close the battery compartment cover securely.

Storage:

When not on display, store the dollhouse in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights do not turn on.	<ul style="list-style-type: none"> ◦ Batteries are dead or inserted incorrectly. ◦ Loose wire connection. ◦ Switch is off. 	<ul style="list-style-type: none"> ◦ Check and replace LR44 batteries, ensuring correct polarity. ◦ Inspect all wire connections for the LED system. ◦ Ensure the ON/OFF switch is in the 'ON' position.
