## 2. SAFETY INFORMATION

---

**Important:** Adult supervision is required at all times. Ensure children are aware of and follow all safety rules.

- Inspect the playset regularly for loose bolts, worn parts, or structural damage.
- Ensure all ground anchors are securely in place to prevent tipping.
- Maintain a safe fall zone around the playset, free of obstacles.
- Do not allow children to wear loose clothing or jewelry that could get caught.
- Maximum recommended age: 12 years. Minimum recommended age: 3 years.
- Maximum number of users: 10 children.
- This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm (Proposition 65 warning).

### 3. ASSEMBLY INSTRUCTIONS

---

Assembly of the LIFETIME 90630 Adventure Tower Deluxe Swing Set requires careful attention to detail and proper organization. It is recommended that two adults perform the assembly, which typically takes approximately 10-11 man-hours.

#### 3.1 Preparation

- Unpack all components and lay them out in an organized manner. Categorize nuts, bolts, and individual pieces according to the provided parts list.
- Ensure you have the necessary tools, including an impact driver for self-tapping metal screws and a metric wrench for certain nuts (as standard Allen wrenches may strip).
- Select a level, clear area for installation, ensuring adequate clearance around all play features.

#### 3.2 Step-by-Step Guidance

For detailed, visual step-by-step assembly instructions, refer to the official YouTube video accessible via the QR code provided in your product packaging. This video serves as a comprehensive guide, walking you through each stage of the assembly process.

#### 3.3 Ground Anchoring

The playset includes ground anchors designed to be driven approximately 12-18 inches into the ground. These arrowhead-style anchors provide essential stability and prevent the playset from rocking or tipping during use. Ensure all anchors are installed correctly and securely.

## 6. MAINTENANCE

---

The LIFETIME 90630 Adventure Tower Deluxe Swing Set is constructed from UV-protected high-density polyethylene (HDPE) and powder-coated steel, making it durable and weather-resistant. It will not warp, rot, crack, or splinter. To ensure longevity and safety, perform the following maintenance:

- **Regular Cleaning:** Clean plastic and metal surfaces with mild soap and water. Avoid abrasive cleaners.
  - **Hardware Check:** Periodically check all nuts, bolts, and fasteners for tightness. Tighten as necessary.
  - **Component Inspection:** Inspect swings, chains, and other moving parts for wear or damage. Replace any worn components immediately.
  - **Ground Anchors:** Verify that ground anchors remain firmly embedded and secure.
  - **Surface Material:** If using loose-fill surfacing (e.g., wood chips), ensure it is maintained at the recommended depth.

## 7. TROUBLESHOOTING

---

Should you encounter any issues with your playset, consider the following common solutions:

- **Playset Instability:** Re-check all ground anchors and ensure they are fully secured. Verify all structural bolts are tightened.
- **Squeaking Swings:** Apply a small amount of lubricant to the swing hangers.
- **Loose Components:** Refer to the assembly instructions and tighten any loose nuts or bolts.
