Livatro LV-HCB001

Livatro Humidifier Cleaning Ball Instruction Manual

Brand: Livatro | Model: LV-HCB001

Introduction

The Livatro Humidifier Cleaning Ball is designed to maintain the cleanliness of your humidifier's mist and reduce the frequency of tank cleaning. This product assists in preventing hard water buildup, eliminating white dust, and removing odors, contributing to a healthier living environment. It also inhibits the growth of bacteria, mold, and mildew, and helps extend the lifespan of your humidifier.

Setup and Installation

Installation is straightforward. Simply place the cleaning ball into your humidifier's water tank. The ball will float and begin its function. Ensure your humidifier's tank opening is large enough to accommodate the cleaning ball, which measures approximately 1.38" x 1.38" x 1.38".

improve air quality.

Operation

Once placed in the humidifier tank, the Livatro Humidifier Cleaning Ball will continuously work to purify the water. It is designed to float and interact with the water to reduce impurities and maintain a clean mist output. No further action is required during operation other than ensuring the humidifier is filled with water as usual.

Maintenance

For optimal performance, it is recommended to replace the Livatro Humidifier Cleaning Ball every 2-4 weeks, or approximately every 30 days. The frequency of replacement may vary depending on water hardness and humidifier usage. Use at least one cleaning ball for every 2 gallons of water capacity in your humidifier.

Image: A visual guide detailing the recommended replacement schedule (every 30 days) and usage (at least 1 piece for every 2 gallons of water), with a note on water hardness.

Compatibility

The Livatro Humidifier Cleaning Ball is designed for strong compatibility with a wide range of humidifiers and vaporizers. This includes ultrasonic, cool mist (impeller), warm mist, evaporative, and steam vaporizer types. It is also suitable for use in fish tanks to help maintain water quality.

Specifications

- **Brand:** Livatro
- **Model Name:** LV-HCB001
- **Product Dimensions:** 1.38"D x 1.38"W x 1.38"H
- **Item Weight:** 2.08 ounces (for the pack of 3)
- **Color:** Blue
- **Included Components:** 3 cleaning balls
- **Capacity:** Recommended for humidifiers up to 2 Gallons per ball.
- **Replacement Frequency:** Every 2-4 weeks (approx. 30 days)
- **Operation Mode Compatibility:** Ultrasonic, Cool Mist (impeller), Warm Mist, Evaporative, Steam Vaporizer
- **UPC:** 850049809016

Troubleshooting

If you observe unusual discoloration in your humidifier water, such as "black stuff" or "pink slime," it may indicate a need for more frequent cleaning or replacement of the cleaning balls. Ensure the humidifier tank is thoroughly cleaned before inserting new cleaning balls. Always use fresh water and adhere to the recommended replacement schedule to prevent microbial growth and mineral buildup.

Warranty and Support

For any questions regarding the Livatro Humidifier Cleaning Balls, or for support with your product, please refer to the contact information provided on the product packaging or visit the official Livatro website for customer service details.
