5. MAINTENANCE AND CARE

Proper care and maintenance will ensure the longevity and appearance of your JUMMICO L-Shaped Gaming Desk.

Care Instructions:

- **Cleaning:** Wipe the tabletop and frame with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Avoid harsh chemicals or abrasive materials that could damage the laminate finish.
- **Spills:** Although the tabletop is water-resistant, promptly wipe up any spills to prevent liquid from seeping into seams or edges.
- **Heat Protection:** While heat-resistant, it is advisable to use coasters or heat pads for hot beverages or dishes to prevent potential damage over time.
- **Scratch Prevention:** Avoid dragging sharp or heavy objects across the surface. Use mouse pads and desk mats to

protect the carbon fiber laminate from scratches.

- **Regular Checks:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain desk stability.
