## Lictin B0C4KCPTP3

# Lictin Baby Healthcare and Grooming Kit Instruction Manual

Model: B0C4KCPTP3

## 1. PRODUCT OVERVIEW

---

The Lictin Baby Healthcare and Grooming Kit is a comprehensive 26-in-1 set designed for the care of infants and toddlers. This kit includes essential tools for nail care, grooming, and general health monitoring, all conveniently stored in a portable bag. The centerpiece of the kit is a rechargeable electric nail trimmer with an integrated auto light, offering a safe and quiet solution for nail maintenance.

Image 1.1: Complete contents of the Lictin 26-in-1 Baby Healthcare and Grooming Kit, including the electric nail trimmer, various grinding heads, nail clippers, scissors, brush, comb, nasal aspirator, finger toothbrush, drug feeder, tweezers, nail files, and a storage bag.

### Kit Components:

- Electric Nail Trimmer with Auto Light
- 6 Grinding Heads (3 for babies, 3 for adults)
- Nail Clippers
- Round-tip Scissors
- Nail Files
- Baby Brush
- Baby Comb
- Nasal Aspirator
- Baby Finger Toothbrush
- Tweezers
- Drug Feeder
- Convenient Storage Bag

## 2. SETUP

### 2.1 Charging the Electric Nail Trimmer

1. Locate the USB-C charging port on the electric nail trimmer.
2. Connect the provided USB-C cable to the trimmer and a suitable USB power adapter (not included).
3. The battery indicator lights will illuminate during charging. A full charge typically takes 1 hour and provides up to 5 hours of use.

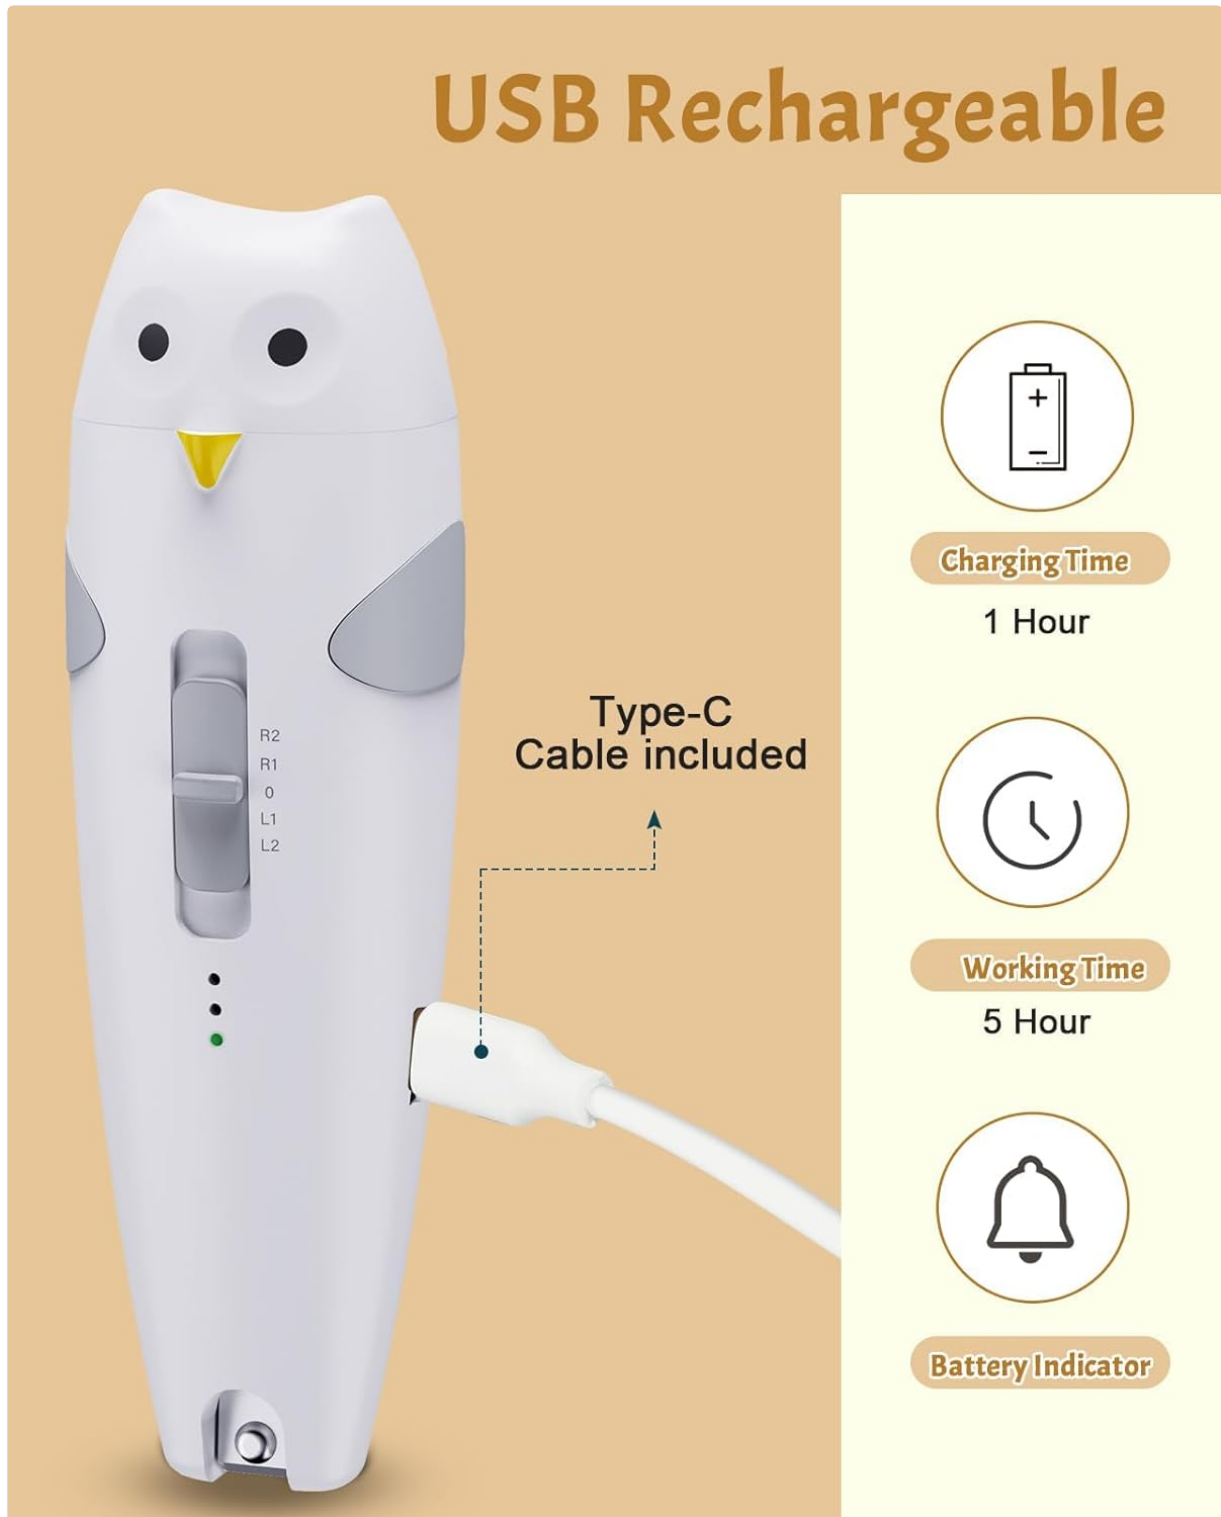

Image 2.1: The Lictin electric nail trimmer being charged via its USB-C port, indicating its rechargeable nature.

### 2.2 Attaching Grinding Heads

1. Select the appropriate grinding head based on the user's age (refer to Section 3.1).

2. Gently push the chosen grinding head onto the rotating spindle of the electric nail trimmer until it is securely in place.
3. To remove, gently pull the grinding head off the spindle.

### 3. OPERATING INSTRUCTIONS

---

#### 3.1 Using the Electric Nail Trimmer

The electric nail trimmer is designed for safe and precise nail filing. It features a single button to control speed and rotation.

1. **Select Grinding Head:** Choose from the 6 included grinding heads:
  - **Yellow (Ultra-fine):** For newborns aged 0-3 months.
  - **Fluorescent Green (Fine):** For infants aged 4-11 months.
  - **Mint Green (Rough):** For toddlers aged 12+ months.
  - **Cylindrical Grinding Head:** For adults.
  - **Metal Grinding Head:** For adults.
  - **Soft Polishing Head:** For adults.
2. **Power On and Adjust Settings:** Use the slider switch on the trimmer to select the desired speed and rotation mode:
  - **R1:** Anticlockwise, Low speed
  - **R2:** Anticlockwise, High speed
  - **0:** Off
  - **L1:** Clockwise, Low speed
  - **L2:** Clockwise, High speed
3. **Trim Nails:** Gently hold the baby's finger or toe and lightly press the rotating grinding head against the nail. Move the trimmer along the nail edge to achieve the desired length and smoothness. The built-in auto LED light illuminates the nail area for better visibility.
4. **Quiet Operation:** The trimmer operates with a whisper-quiet motor (35-45dB) to minimize disturbance, especially if used while the baby is sleeping.

# 360° Rotation & 4 Modes

**R1**

Anticlockwise/  
Low speed

**R2**

Anticlockwise/  
High speed

Anti-injury Shutoff

**L1**

Clockwise/  
Low speed

**L2**

Clockwise/  
High speed

## For Babies

Image 3.2: The electric nail trimmer with its built-in auto light, demonstrating its quiet operation near a sleeping baby.

### 3.2 Using Other Grooming Tools

- **Nail Clippers & Round-tip Scissors:** Use with caution to trim baby's nails. The round tips on the scissors are designed for safety. Always ensure adequate lighting and a steady hand.
- **Nail Files:** For manual shaping and smoothing of nail edges.
- **Baby Brush & Comb:** Gently brush and comb baby's hair to stimulate the scalp and keep hair tidy.
- **Nasal Aspirator:** Gently clear nasal passages. Squeeze the bulb, insert the tip into the nostril, and release the bulb to create suction.
- **Baby Finger Toothbrush:** Slip onto an adult's finger to gently clean baby's gums and emerging teeth.
- **Tweezers:** For delicate tasks such as removing small debris.
- **Drug Feeder:** For administering liquid medication accurately and safely.

Image 3.3: Examples of various grooming tools in use: baby nail scissors, baby comb, finger toothbrush, and nasal aspirator.

## 4. MAINTENANCE

### 4.1 Cleaning Instructions

All components of the Lictin Baby Healthcare and Grooming Kit should be cleaned regularly to maintain hygiene.

- **Electric Nail Trimmer:** Wipe the body with a soft, damp cloth. Remove grinding heads and clean them separately. Ensure the trimmer is completely dry before storage.
- **Grinding Heads:** Can be gently wiped with a damp cloth or a soft brush to remove nail dust. Allow to air dry completely.
- **Other Tools (Nail Clippers, Scissors, Comb, Brush, Tweezers, Drug Feeder, Finger Toothbrush, Nasal Aspirator):** These items are suitable for hand washing with mild soap and warm water. Rinse thoroughly and allow to air dry completely before storing.
- **Storage Bag:** Can be spot cleaned with a damp cloth.

**Important:** Do not immerse the electric nail trimmer in water. Avoid harsh chemicals or abrasive cleaners on any components.

### 4.2 Storage

Store all components in the provided convenient storage bag when not in use. Keep the kit in a clean, dry place, out of reach of children.

Feature	Detail
Product Dimensions	7.48 x 5.11 x 2.55 inches
