BIERUM L-MZ01

BIERUM 4-in-1 Toddler Slide and Swing Set

Model: L-MZ01 | Brand: BIERUM

1. Introduction

Thank you for choosing the BIERUM 4-in-1 Toddler Slide and Swing Set. This versatile playset is designed to provide a safe and engaging environment for toddlers aged 1-2 years. It combines a slide, swing, climber, and basketball hoop, offering multiple activities for physical development and entertainment. This manual provides essential information for proper assembly, safe operation, and maintenance of your playset.

2. Safety Information

Your child's safety is our top priority. Please read and adhere to all safety instructions before assembly and use.

- **Age and Weight Limits:** Suitable for toddlers aged 1-2 years. The playset can hold up to 120 lbs. The swing is suitable for toddlers under 33 inches tall.
- **Supervision:** Always supervise children while they are using the playset.
- **Material Safety:** Made from HDPE material, certified by ASTM and CPSIA for safety and durability.
- **Stability:** To enhance stability, especially during active play, it is recommended to add water or sand to the base of the swing. Four base suction cups are also included for use on smooth surfaces.
- **Slide Safety:** The slide features a heightened guardrail, a closed staircase design to prevent feet from slipping, and a multi-zone slide path (acceleration, deceleration, buffer) for a smooth and safe descent.
- **Swing Safety:** The swing includes a detachable cushion for comfort and a safety baffle designed to prevent the toddler from leaning forward or sliding out.
- **Assembly:** Ensure all connections are secure and tightened before allowing children to play.

3. Package Contents

Please verify that all components are present before beginning assembly:

- Slide
- Swing
- Basketball Hoop
- Basketball
- Soft Cushion (for swing)
- 4 x Base Suction Cups
- User Manual

4. Assembly Instructions

No additional tools are required for assembly. Follow these steps to set up your playset:

1. **Assemble the Slide Base:** Connect the slide sections and secure them to the main support structure.
2. **Attach the Staircase:** Securely fasten the closed staircase to the slide structure. Ensure all steps are firmly in place.
3. **Construct the Swing Frame:** Assemble the vertical supports for the swing.
4. **Install the Swing Seat:** Attach the swing seat to the swing frame. Place the soft cushion and ensure the safety baffle is correctly positioned.
5. **Mount the Basketball Hoop:** Secure the basketball hoop to its designated support on the slide structure.

6. **Secure the Base:** Attach the base stabilizers and, if desired, fill them with water or sand for added stability. Apply the suction cups to the base if using on smooth indoor surfaces.
7. **Final Check:** Double-check all connections and ensure they are tight and secure before allowing children to play.

5. Operating Instructions

Guide your child on how to safely use each feature of the playset.

5.1. Slide Usage

- Ensure the child climbs the closed staircase one step at a time.
- At the top, ensure they sit down properly in the waiting area before sliding.
- The slide's design includes an acceleration area, deceleration area, and buffer zone for a smooth and safe landing.

Image: Detailed view of the slide's safety design, highlighting the heightened guardrail and the three distinct sliding zones.

5.2. Swing Usage

- Place the child securely in the swing seat.
- Ensure the safety baffle is in place to prevent falling.
- The swing includes a soft, detachable cushion for comfort.
- The swing height can be adjusted to accommodate your child's growth.

5.3. Basketball Hoop

- Encourage your child to practice throwing the included basketball into the hoop.

5.4. Climber

- The playset's structure allows for climbing activities, promoting motor skills.
- The closed steps prevent feet from slipping through or getting stuck.

Image: Close-up of the playset's closed staircase, emphasizing the non-slip texture on each step for secure climbing.

6. Maintenance

6.1. Cleaning

- Wipe down the playset regularly with a damp cloth and mild soap.
- Avoid abrasive cleaners or harsh chemicals that could damage the material.
- The swing cushion can be removed for cleaning as needed.

6.2. Storage

- The playset is suitable for both indoor and outdoor use.
- If storing outdoors for extended periods, consider covering it to protect it from extreme weather conditions.
- Ensure all connections remain secure over time.

Image: The playset is shown in both indoor and outdoor settings, demonstrating its adaptability.

7. Troubleshooting

- **Playset feels unstable:** Ensure the base is properly assembled and all screws are tightened. Add water or sand to the base for increased stability, and utilize the included suction cups on smooth flooring.
- **Missing parts:** Refer to the 'Package Contents' section. If any parts are missing, please contact BIERUM customer support.
- **Difficulty with assembly:** Review the 'Assembly Instructions' section and the provided video. Ensure all components are oriented correctly.
