COMISO E8 Bluetooth Earbuds User Manual

Model: E8

INTRODUCTION

Thank you for choosing the COMISO E8 Bluetooth V5.3 True Wireless Earbuds. This manual provides detailed instructions on how to set up, operate, and maintain your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before using the product.

WHAT'S IN THE BOX

- COMISO E8 True Wireless Earbuds (2)
- Charging Case (1)
- Ear Caps (3 pairs - S, M, L)
- USB-C Charging Cable (1)
- User Manual (This document)

PRODUCT OVERVIEW

Image: COMISO E8 True Wireless Earbuds in their charging case. The earbuds are white with black accents, featuring ear hooks for secure fit. The charging case is also white, with a sleek, triangular design.

Image: Diagram illustrating the internal components of a COMISO E8 earbud, highlighting the 12mm speaker and acoustic structure for Hi-Fi stereo and bass sound.

The COMISO E8 earbuds are designed for comfort and secure fit, especially during physical activities. They feature advanced Bluetooth 5.3 technology for stable connections and high-fidelity audio. The intuitive touch controls allow for easy management of music playback, calls, and voice assistant functions.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The indicator light on the case will show charging status.

Image: The COMISO E8 charging case connected via a USB-C cable, illustrating the charging process and indicating long battery life of 10 hours for earbuds and 70 hours with the charging case.

- **Charging Time:** Approximately 2.5 hours for a full charge.
- **Battery Life:** Up to 10 hours of playtime on a single charge, and up to 70 hours total with the charging case.

2. Pairing with Your Device

The earbuds feature one-step auto-pairing for convenience.

1. Ensure the earbuds are in the charging case.
2. Open the top cover of the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings and search for available devices.
4. Select "E8" from the list of devices. Once connected, you will hear a confirmation tone.

One Step Auto Pairing

Rotating the top cover, earbuds can be paired after first connection

Image: A smartphone screen showing "E8" connected in the Bluetooth settings, next to the open COMISO E8 charging case with earbuds, demonstrating the one-step auto-pairing process.

After the initial pairing, the earbuds will automatically connect to the last paired device when the case is opened, provided Bluetooth is enabled on your device.

OPERATING INSTRUCTIONS

Touch Controls

The COMISO E8 earbuds feature intuitive touch controls on each earbud. The following table outlines the functions:

Smart Touch Control

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds, especially the ear tips and charging contacts, with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Battery Care:** To prolong battery life, avoid exposing the earbuds and case to extreme temperatures. Charge them regularly, even if not used frequently.
- **Water Resistance:** The earbuds are designed for sports use, but are not fully waterproof. Avoid submerging them in water.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing/connecting.	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "E8" from your device's Bluetooth list and re-pair. Place earbuds back in the case, close, then open again to reset.
No sound or low volume.	Adjust volume on your device and earbuds. Ensure earbuds are properly seated in your ears. Check if the earbuds are connected to the correct device. Clean any debris from the earbud speakers.
One earbud not working.	Ensure both earbuds are charged. Place both earbuds back in the charging case, close the lid, wait a few seconds, then open again. Try resetting the earbuds (refer to advanced troubleshooting if available in full manual).
Poor call quality.	Ensure the microphone is not obstructed. Move closer to your connected device to avoid interference. Check network signal strength on your phone.

SPECIFICATIONS

Feature	Detail
