Setup and Assembly

Follow these steps to assemble your 4D Build Harry Potter Hedwig 3D Puzzle. No glue or tools are required for assembly.

1. **Unpack Components:** Carefully remove all 10 sheets of pre-cut pieces from the box.
2. **Identify Pieces:** Refer to the included instructions to identify each piece. The pieces are numbered or uniquely shaped to guide assembly.
3. **Punch Out Pieces:** Gently punch out the individual pieces from their sheets. Be careful not to tear or bend the pieces.
4. **Interlock Pieces:** Follow the step-by-step instructions to interlock the pieces. Ensure each connection is secure.
5. **Form the Structure:** Continue connecting pieces to gradually form the detailed Hedwig model.
6. **Assemble Base:** Construct the stack of books base as instructed, ensuring it is stable to support the Hedwig figure.
7. **Attach Hedwig to Base:** Securely attach the completed Hedwig model to its book base.

Operating

The 4D Build Harry Potter Hedwig 3D Puzzle is a static display model. Once assembled, it does not have moving parts or require power. Its primary function is for decorative display.

Maintenance

- **Cleaning:** Dust the model gently with a soft, dry cloth or a soft brush. Avoid using water or cleaning solutions, as they may damage the material.
- **Storage:** Store the model in a dry environment, away from direct sunlight and extreme temperatures,

to prevent material degradation or fading.

- **Handling:** Handle the assembled model with care to prevent accidental damage to the interlocking pieces.

Troubleshooting

- **Pieces Not Fitting:** If pieces do not fit together smoothly, ensure they are correctly oriented according to the instructions. Do not force pieces, as this can cause damage. Gently re-examine the connection points.
- **Bent or Damaged Pieces:** If a piece is slightly bent, try to gently straighten it. For significantly damaged pieces, contact customer support for possible replacement options.
- **Missing Pieces:** In the event of missing pieces, please refer to the customer support section for assistance.
