SANAG Z50SPMWHITE

SANAG Z50SPMWHITE Open Ear Headphones User Manual

1. INTRODUCTION

Thank you for choosing the SANAG Z50SPMWHITE Open Ear Headphones. These headphones are designed to provide a comfortable listening experience while allowing you to remain aware of your surroundings. Featuring air conduction technology, a secure fit, and long battery life, they are suitable for various activities and users.

2. PRODUCT OVERVIEW

2.1 What's in the Box

- SANAG Z50SPMWHITE Open Ear Headphones (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual

2.2 Key Features

- **Secure Fit:** Elastic clip-earring design for stability during activities like running, cycling, and sports.
- **Safe and Comfortable:** Air conduction technology avoids insertion into the ear canal, preventing discomfort and potential damage from prolonged use. The open design ensures environmental awareness.
- **Long Battery Life:** Up to 7 hours of music playback on a single charge. The 800mAh charging case provides approximately three additional full charges, totaling up to 28 hours of use.
- **Stylish and Versatile:** Designed for a wide range of users, including men, women, and children.

An image highlighting key features of the SANAG Z50SPMWHITE headphones, including 8-hour battery life, Bluetooth 5.3 connectivity, and quick charging capability. The headphones are shown in their charging case.

3. SETUP

3.1 Charging the Headphones and Case

1. Place the headphones into the charging case, ensuring they are correctly seated.
2. Connect the USB charging cable to the charging port on the case and a power source (e.g., USB wall adapter, computer USB port).
3. The indicator light on the charging case will illuminate to show charging status. A full charge typically takes approximately 1.5-2 hours for the case and headphones.
4. Once fully charged, the indicator light may change color or turn off, depending on the model. Disconnect the charging cable.

3.2 Pairing with Your Device

1. Ensure the headphones are charged.
2. Open the charging case. The headphones will automatically enter pairing mode, indicated by a flashing LED light on one or both earbuds.

3. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.

4. Search for available devices. You should see "SANAG Z50SPMWHITE" or a similar name appear in the list.

5. Select the device name to connect. Once connected, a voice prompt will confirm the successful pairing, and the LED indicator on the headphones will stop flashing.

6. If pairing fails, turn off Bluetooth on your device, place the headphones back in the case, close the case, then reopen and repeat the steps.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

- **Power On:** Open the charging case, and the headphones will automatically power on.
- **Power Off:** Place the headphones back into the charging case and close the lid. They will automatically disconnect and power off.

4.2 Music Playback

- **Play/Pause:** Tap either headphone once.
- **Next Track:** Double-tap the right headphone.
- **Previous Track:** Double-tap the left headphone.

4.3 Call Management

- **Answer/End Call:** Tap either headphone once during an incoming call or active call.
- **Reject Call:** Press and hold either headphone for 2 seconds during an incoming call.

4.4 Voice Assistant

- **Activate Voice Assistant:** Triple-tap either headphone to activate your device's voice assistant (e.g., Siri, Google Assistant).

Design for Sport

Two individuals engaged in sports activities, both wearing SANAG Z50SPMWHITE headphones, highlighting their suitability for active lifestyles.

5. MAINTENANCE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the headphones and charging case. Do not use abrasive cleaners, alcohol, or chemical sprays.
- **Storage:** When not in use, store the headphones in their charging case to protect them from dust and damage.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones and charging case frequently. Charge them regularly, even if not used for extended periods.
- **Water Exposure:** While designed for active use, avoid submerging the headphones in water. Wipe off sweat or moisture immediately after use.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones and charging case fully.
Cannot pair with device.	Bluetooth is off on device; headphones not in pairing mode; too many devices connected.	Ensure Bluetooth is on. Place headphones in case, close, then reopen to re-enter pairing mode. Disconnect other Bluetooth devices.
No sound from headphones.	Volume too low; headphones not connected; media paused.	Increase volume on device and headphones. Reconnect headphones. Check if media is playing.
Sound quality is poor.	Distance from device; interference.	Move closer to your device. Avoid environments with strong Wi-Fi or other Bluetooth signals.
