AIMIKE Scalp Massager Shampoo Brush User Manual

Model: a6669963-9e4f-4f9b-8dad-814575facd18

Brand: AIMIKE

1. INTRODUCTION

The AIMIKE Scalp Massager Shampoo Brush is designed to enhance your hair care routine by providing a deep scalp cleanse and stimulating blood circulation. Crafted from durable, one-piece silicone, this multi-functional tool is suitable for all hair types and can be used on both wet and dry hair.

Key benefits include:

- **Durable One-Piece Silicone:** Designed for longevity and comfort, preventing breakage or falling apart during use.
- **Multi-functional Hair Scrubber:** Effectively removes dandruff, product buildup, and exfoliates the scalp for a refreshed and healthier feel.
- **Scalp Massager & Hair Growth Stimulator:** Relaxes scalp muscles, increases blood circulation, and helps in the precise application and absorption of hair growth oils.
- **Wet & Dry Use:** Versatile for use during shampooing or as a dry scalp massager. Gentle enough for sensitive scalps and long nails.
- **Effortless SPA Experience:** Ergonomically designed to fit comfortably in your hand, providing a relaxing massage to alleviate tiredness.

2. SAFETY INFORMATION

Caution:

- This product is safe for use on wet or dry hair.
- Be careful when using on wet surfaces as they may be slippery.
- Avoid applying excessive pressure to prevent injury to the scalp.

3. SETUP

The AIMIKE Scalp Massager Shampoo Brush comes ready to use out of the packaging. No assembly or batteries are required.

1. Remove the scalp massager from its packaging.
2. Inspect the brush for any visible damage.

3. Rinse the brush with warm water before first use.

4. OPERATING INSTRUCTIONS

4.1. Wet Hair Use (Shampooing)

1. Wet your hair thoroughly.
2. Apply your preferred shampoo to your hair and scalp.
3. Hold the AIMIKE Scalp Massager by placing your fingers through the ergonomic handle for a secure grip.
4. Gently massage your scalp with the brush in small circular motions. Ensure even distribution of shampoo and stimulate the scalp.
5. Continue for 1-3 minutes, then rinse off the shampoo thoroughly.

5. MAINTENANCE

To ensure hygiene and prolong the life of your AIMIKE Scalp Massager, follow these cleaning instructions:

1. After each use, rinse the brush thoroughly under running water to remove any shampoo, conditioner, or hair.
2. Due to its one-piece silicone design, the brush is easy to clean and does not have crevices where residue can accumulate.
3. Allow the brush to air dry completely. The integrated loop allows for convenient hanging in the shower or on a hook.

6. TROUBLESHOOTING

If you encounter any issues with your scalp massager, consider the following:

- **Ineffective Cleaning:** Ensure you are applying sufficient shampoo and using consistent circular motions. Increase pressure slightly if needed, but avoid harsh scrubbing.
- **Hair Tangling:** While designed to minimize tangling, ensure your hair is thoroughly wet and lathered before using. Avoid aggressive pulling motions.
- **Discomfort:** Reduce pressure if you experience any discomfort. The silicone bristles are soft but firm enough for effective massage.
