4. MAINTENANCE

To ensure the longevity and appearance of your dOvOb Military M2 Bradley Tank Building Set, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more thorough cleaning, use a slightly damp cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.

- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.

5. TROUBLESHOOTING

This section addresses common issues you might encounter during assembly or use.

5.1 Missing Pieces

If you discover any missing pieces in your building set, please contact the seller directly. Provide clear information regarding which specific pieces are missing, and the seller will arrange for replacements to be shipped to you at no additional cost.

5.2 Assembly Difficulties

If you encounter difficulties following the assembly instructions, review the steps carefully. Ensure that you are using the correct pieces for each stage as indicated in the color instruction guide. If problems persist, consider re-examining previous steps or consulting online building block communities for assistance.
