Progressive PKS-2 Grain Container

Progressive ProKeeper+ Grain Storage Container Set (PKS-2) Instruction Manual

Model: PKS-2 Grain Container

1. INTRODUCTION

Thank you for choosing the Progressive ProKeeper+ Grain Storage Container Set. This set is designed to keep your grains, such as rice, beans, quinoa, and oatmeal, fresh for longer periods. The containers feature an airtight silicone seal, a hinged lid for easy access, and convenient measurement markings. This manual provides essential information for the proper use and care of your new storage containers.

2. PACKAGE CONTENTS

- 2 x ProKeeper+ Grain Storage Containers (2.5-Quart capacity each)
- 2 x 1/2-cup Scoops

Image: The ProKeeper+ Grain Storage Container Set, including two containers and two scoops.

3. SETUP

1. **Unpacking:** Carefully remove all components from the packaging. Inspect for any damage.
2. **Initial Cleaning:** Before first use, wash the containers and scoops with warm, soapy water or place them in the dishwasher. Rinse thoroughly and allow to air dry completely.

4. OPERATING INSTRUCTIONS

4.1 Opening and Closing the Lid

- To open, unlatch the metal clasp on the front of the lid and lift the hinged lid upwards.
- To close, press the lid down firmly until the silicone seal engages, then secure the metal clasp. Ensure the clasp clicks into place to maintain an airtight seal.

4.2 Filling the Container

- Fill the container with your desired dry goods, such as rice, beans, or oatmeal.
- The clear plastic allows for easy visibility of contents and remaining quantity.
- Measurement markings on the side of the container indicate volume for convenient tracking.

4.3 Using the Included Scoop

- Each container includes a 1/2-cup scoop for easy portioning.
- The scoop can be stored inside the container for convenience.

5. MAINTENANCE AND CARE

- **Cleaning:** The ProKeeper+ containers and scoops are dishwasher safe. For best results, place them on the top rack of your dishwasher.
- **Hand Washing:** If hand washing, use warm, soapy water and a soft sponge or cloth. Avoid abrasive cleaners or scouring pads, which can scratch the plastic.
- **Drying:** Ensure all parts are completely dry before reassembling and storing food to prevent moisture buildup.
- **Microwave Use:** These containers are **not** microwave safe. Do not use them in a microwave oven.
- **Temperature:** Avoid exposing the containers to extreme temperatures.

6. TROUBLESHOOTING

- **Lid not sealing properly:** Ensure the silicone seal is correctly seated in the lid and free from any food debris. Check that the metal clasp is fully engaged.
- **Difficulty opening the lid:** The airtight seal can create a strong vacuum. Place a finger on the lip area and gently lift the lid with your other hand to break the seal.

- **Container appears cloudy after washing:** This can sometimes occur with plastic in dishwashers. Ensure proper rinse aid is used in your dishwasher, or hand wash with warm, soapy water.

7. SPECIFICATIONS

Model	PKS-2 Grain Container
Capacity	2.5 Quarts per container (Set of 2)
Material	Plastic, Silicone
Special Features	Airtight, Shatterproof, Dishwasher Safe
Included Components	Airtight Lid, 1/2-cup Scoop
