Suncast BMSBSKT2PK

Suncast Accessory Baskets Instruction Manual

Model: BMSBSKT2PK

INTRODUCTION

Thank you for choosing the Suncast 2-Pack Accessory Baskets. These durable resin organizers are designed to enhance the storage capacity and organization of your Suncast shed. With a robust 30 lb weight capacity per basket and simple EZ Bolt wall-mount assembly, they provide an efficient solution for keeping your outdoor essentials tidy and accessible.

This image displays the two black Suncast accessory baskets, highlighting their design and structure.

PRODUCT FEATURES

- **Compatible with Suncast Sheds:** Designed to work seamlessly with a wide range of Suncast shed models, these resin baskets provide convenient wall-mounted storage without taking up floor space.
- **Durable and Weather-Resistant:** Constructed from heavy-duty, rustproof, fade-resistant resin to withstand outdoor shed environments, helping maintain strength and appearance year-round.
- **Holds Up to 30 Pounds Each:** Each basket supports up to 30 lbs of evenly distributed weight—ideal for organizing gardening tools, gloves, small pots, seed packets, extension cords, or other shed essentials.
- **Simple EZ Bolt Assembly:** Easily installs to shed walls using Suncast's EZ Bolt mounting system, providing a secure and stable hold without the need for complex tools or professional help.
- **Space-Saving 2-Pack:** Includes two black baskets measuring 25 in. W x 7.25 in. D x 7 in. H, perfect for creating vertical storage inside your shed for tools, accessories, hardware, plant food, and supplies.

This chart illustrates the wide range of Suncast shed models that are compatible with these accessory baskets, ensuring a proper fit for your existing shed.

SETUP AND INSTALLATION

The Suncast Accessory Baskets feature an EZ Bolt Assembly system for quick and straightforward installation. Follow these steps to securely mount your baskets:

1. **Identify Mounting Locations:** Locate the pre-drilled holes or designated mounting points on the interior walls of your compatible Suncast shed.
2. **Align Basket:** Position the accessory basket against the shed wall, aligning the holes on the basket's mounting plate with the shed's mounting points.
3. **Insert EZ Bolts:** Insert the provided EZ Bolts into the aligned holes.
4. **Secure Fasteners:** Hand-tighten the EZ Bolts until the basket is firmly secured against the shed wall. Do not overtighten.
5. **Verify Stability:** Gently tug on the installed basket to ensure it is stable and securely attached before placing items inside.

EZ Assembly

Both baskets can be attached securely to shed wall using the included EZ Bolt assembly

This image details the EZ Bolt assembly components, including the mounting system and screws, which facilitate quick and simple installation of the baskets.

Installation Video Guide

This video provides a visual overview of the Suncast Accessory Basket, demonstrating its features and ease of installation within a shed environment.

USAGE AND ORGANIZATION

Once installed, your Suncast Accessory Baskets are ready to help you organize your shed. Utilize them to store a variety of items, keeping your floor space clear and your tools easily accessible.

- Store gardening tools such as trowels, gloves, and small hand pruners.
- Organize small pots, seed packets, and plant food.
- Keep extension cords, hoses, and other outdoor accessories neatly contained.
- Ensure even weight distribution to maximize the 30 lb capacity per basket.

Heavy-Duty Construction

Constructed from durable resin to offer reliable support and withstand years of quality use

The image highlights the durable resin construction of the Suncast accessory baskets, shown installed in a shed, built to withstand outdoor conditions.

MAINTENANCE

To ensure the longevity and appearance of your Suncast Accessory Baskets, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the baskets periodically with a damp cloth and mild soap. Rinse thoroughly with water. Avoid abrasive cleaners or harsh chemicals, as they may damage the resin finish.
- **Inspection:** Regularly inspect the EZ Bolts and mounting points to ensure they remain secure. Retighten if necessary.
- **Weight Capacity:** Do not exceed the stated 30 lb weight capacity per basket to prevent damage or dislodgement. Distribute weight evenly.
- **Weather Exposure:** While weather-resistant, prolonged exposure to extreme conditions may affect appearance over time.

TROUBLESHOOTING

If you encounter any issues with your Suncast Accessory Baskets, consider the following common solutions:

- **Basket Not Fitting:** Ensure your shed model is listed as compatible. Verify that you are attempting to install the basket in the correct designated mounting locations within your shed.
- **Basket Feels Loose:** Re-check the tightness of all EZ Bolts. Ensure they are fully engaged and hand-tightened. If the shed wall material is compromised, consider alternative mounting solutions or professional assistance.
- **Items Falling Out:** Ensure items are placed securely within the basket and do not exceed the 30 lb weight capacity. Avoid placing items that are too tall or unstable.

SPECIFICATIONS
