Letaya NO1

Letaya Metal Black Storage Cabinet

Model: NO1

Your comprehensive guide to assembly, operation, and maintenance.

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using the cabinet. Failure to follow these instructions may result in injury or damage to the product.

- Weight Capacity:** Ensure the cabinet is not overloaded beyond its weight capacity. The total load capacity is **480 lbs**, with each adjustable shelf holding up to **180 lbs**.
- Shelf Adjustment:** Use caution when adjusting the shelves to prevent pinching or dropping.
- Stability:** Install the cabinet in a stable and level position to prevent it from tipping over. Always ensure the adjustable feet are properly set for balance.
- Children and Pets:** Keep children and pets away from the cabinet during assembly. Do not allow children to climb on or play with the cabinet.

2. PRODUCT OVERVIEW

The Letaya Metal Black Storage Cabinet is designed for versatile storage in various environments, including homes, offices, warehouses, and utility rooms. It features a robust metal construction and adjustable shelving for customized organization.

Key Features:

- Durable Metal Material:** Constructed from 0.8mm thick steel with an environmentally friendly powder-coated finish, providing moisture, corrosion, and rust resistance.
- Large Storage Space:** Features 3 adjustable shelves, each capable of holding up to 180 lbs, suitable for office documents, tools, and household items.
- Secure Locking Mechanism:** Equipped with a lockable door and two keys for securing valuables.
- Adjustable Feet:** Ensures stability and balance on uneven surfaces.

- **Easy Assembly:** Designed for quick installation, typically completed within 30 minutes.

3. ASSEMBLY INSTRUCTIONS

The Letaya Metal Storage Cabinet is designed for straightforward assembly. Please ensure all parts are present before beginning.

Before You Begin:

- Unpack all components and verify against the parts list provided in your physical manual.
- Clear a spacious, flat area for assembly.
- Gather necessary tools (typically a screwdriver and wrench, often included).

Assembly Steps:

1. Begin by attaching the side panels to the base and top panels, ensuring all connections are secure.
2. Install the back panel, aligning it with the pre-drilled holes.
3. Attach the door hinges to the cabinet frame and then mount the doors.
4. Insert the adjustable shelves into the desired positions. The shelves can be moved to accommodate items of various heights.
5. Install the locking mechanism and handles on the doors.
6. Adjust the leveling feet at the bottom of the cabinet to ensure it stands firmly and level on your floor.

Assembly typically takes around 30 minutes. For detailed visual guidance, refer to the video assembly instructions mentioned in your product packaging. (Note: Specific video URLs were not provided in the product data. Please refer to the QR code or link in your physical manual for video instructions.)

4. OPERATION

Adjusting Shelves:

The cabinet features 3 adjustable shelves. To adjust a shelf:

1. Empty the shelf of all contents.
2. Carefully lift the shelf and slide it out of its current position.
3. Re-insert the shelf into the desired slot, ensuring it is securely seated on all four support pins.

Locking Mechanism:

To secure your items, use the integrated lock. Insert one of the two provided keys into the lock and turn to engage or disengage the locking mechanism. Always ensure the doors are fully closed before locking.

5. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your Letaya Metal Storage Cabinet.

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the powder-coated finish. The cabinet is designed to be easy to clean.
- **Rust and Corrosion:** The cabinet's environmentally powder-coated finish provides resistance to moisture, corrosion, and rust. However, avoid prolonged exposure to excessive moisture or corrosive substances.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Re-tighten if necessary.
- **Leveling:** Re-check the adjustable feet periodically to ensure the cabinet remains level and stable, especially if moved.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your storage cabinet.

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Uneven floor; adjustable feet not properly set.	Adjust the leveling feet at the bottom of the cabinet until it is stable. Ensure the cabinet is on a flat surface.
Doors do not close properly or are warped.	Hinges are loose or misaligned; door may be slightly warped (rare).	Check and tighten hinge screws. If a door is slightly warped, ensure it is locked to keep it closed. Contact customer support if the issue persists.
Shelves are difficult to adjust.	Shelf is overloaded; debris in shelf slots.	Remove all items from the shelf before adjusting. Clear any obstructions from the shelf support slots.
Lock mechanism is stiff or not working.	Key is not fully inserted; mechanism needs lubrication.	Ensure the key is fully inserted and turn firmly. Apply a small amount of graphite lubricant to the lock if it remains stiff.

7. SPECIFICATIONS

Attribute	Detail
Brand	Letaya
Model Name	NO1

Attribute	Detail
Color	Black
Product Dimensions (D x W x H)	13.77"D x 27.55"W x 66.92"H
