## LVSOMT A-White

# LVSOMT 360° Swivel Jewelry Mirror Cabinet with Lights (Model: A-White)

Instruction Manual

## INTRODUCTION

Thank you for choosing the LVSOMT 360° Swivel Jewelry Mirror Cabinet. This versatile unit combines a full-length mirror, a spacious jewelry armoire, and convenient back storage shelves. Designed for optimal organization and accessibility, this manual provides essential information for setup, operation, and maintenance to ensure long-lasting enjoyment of your product.

## PRODUCT OVERVIEW

The LVSOMT Jewelry Mirror Cabinet is a 3-in-1 solution for your storage and grooming needs. It features a full-length mirror, a comprehensive jewelry storage interior, and additional shelving on the back, all mounted on a 360° swivel base for easy access to all sides.

## SETUP INSTRUCTIONS

The main cabinet body of your LVSOMT Jewelry Mirror Cabinet comes pre-assembled. Only minimal assembly is required for the base and support structure. Please follow the detailed instructions provided in the packaging for proper assembly.

### Battery Installation for LED Lights

1. Locate the battery compartment inside the cabinet.
2. Insert 6 AA batteries (not included) into the compartment, ensuring correct polarity.
3. Securely close the battery compartment cover.
4. The LED lights are operated via a button located near the battery box.

## OPERATING INSTRUCTIONS

### 360° Swivel Function

The cabinet is designed with a 360° rotatable base, allowing you to easily access the full-length mirror, the internal jewelry storage, and the back storage shelves. Gently rotate the cabinet to your desired position.

Figure 3: Illustration of the cabinet's 3-in-1 design and 360° swivel capability.

### Jewelry Storage Interior

The interior of the cabinet is lined with soft velvet to protect your valuables and offers extensive storage options:

- **54 Earring Slots:** For organizing various types of earrings.
- **78 Ring Slots:** Securely holds rings of different sizes.
- **3 Storage Boxes:** Ideal for makeup brushes, cosmetics, or smaller accessories.
- **Acrylic Bracelet Rods:** For hanging bracelets and watches.
- **5 Storage Racks:** Provides additional space for perfumes, lotions, or other beauty products.

### Locking Mechanism

The cabinet is equipped with a locking mechanism and comes with two keys to secure your valuables. Insert the key into the lock on the side of the mirror and turn to lock or unlock. Ensure the mirror door is fully closed before attempting to lock.

Figure 6: Close-up of the locking mechanism and keys.

## Maintenance

- Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surface. Avoid abrasive cleaners that may scratch the mirror.
- Cleaning the Cabinet:** Wipe the exterior and interior surfaces with a soft, damp cloth. For the velvet-lined interior, use a soft brush or lint roller to remove dust and debris.
- Battery Replacement:** When the LED lights dim or stop working, replace the 6 AA batteries in the battery compartment.
- Lock Care:** Keep the lock mechanism clean and free of dust. If the lock becomes stiff, a small amount of graphite lubricant can be applied.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED lights not working or dim	Dead or incorrectly installed batteries.	Replace the 6 AA batteries, ensuring correct polarity. Check the on/off button.
Mirror door not sliding smoothly	Dust or debris in the slide track.	Clean the slide track with a soft cloth. Ensure no obstructions.
Lock mechanism is stiff or difficult to operate	Dust accumulation or lack of lubrication.	Apply a small amount of graphite lubricant to the keyhole. Ensure the door is properly aligned when locking.
Cabinet feels unstable or wobbly	Loose assembly screws or uneven surface.	Check all assembly screws and tighten if necessary. Ensure the cabinet is placed on a flat, stable surface.
