## HONEY JOY HJ-1725-US

# HONEY JOY 5-in-1 Wooden Montessori Climbing Toy for Toddlers

Model: HJ-1725-US

## INTRODUCTION

Thank you for choosing the HONEY JOY 5-in-1 Wooden Montessori Climbing Toy. This versatile play set is designed to support the physical development and imaginative play of toddlers aged 1 year and above. It offers multiple configurations, including a climbing triangle, a reversible ramp for sliding or climbing, and a climbing/rocking arch. Constructed from durable beech wood with a focus on safety, this toy provides a stimulating environment for children to develop balance, coordination, and confidence.

## SAFETY INFORMATION

Your child's safety is our top priority. Please read and adhere to all safety guidelines before assembly and use.

- **Adult Supervision Required:** Always ensure an adult supervises children during play.
- **Age Recommendation:** Suitable for children aged 1 year and above.
- **Weight Limit:** Each part has a maximum weight capacity of 110 lbs.
- **Stable Setup:** Ensure all components are securely connected and placed on a flat, stable surface to prevent wobbling or collapse.
- **Material Safety:** The toy is constructed from solid beech wood with a burr-free surface and smooth rounded corners. It is finished with healthy water-based paint.
- **Certifications:** This product is approved by ASTM, CPSIA, and TSCA standards for child safety.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight.

## PARTS LIST

Before assembly, please verify that all the following components are present:

1. **Triangle Climber (2 units):** Wooden frames with rungs.
2. **Reversible Ramp (1 unit):** One side smooth for sliding, the other with grips for climbing.
3. **Climbing Arch (1 unit):** Curved wooden structure with rungs.
4. **Hardware Pack:** Includes all necessary screws and tools for assembly.

## ASSEMBLY INSTRUCTIONS

Assembly is required. Please follow these steps carefully. It is recommended to have two adults for assembly.

- Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
- Assemble Triangle Climbers:** Connect the wooden rungs to the side panels of each triangle climber using the provided screws. Ensure all connections are tight.
- Assemble Climbing Arch:** Connect the wooden rungs to the curved side panels of the climbing arch, securing them with screws.
- Attach Ramp:** The reversible ramp can be attached between two triangle climbers or between a triangle climber and the arch. Align the hooks on the ramp with the rungs of the desired structures and secure them. The adjustable height feature allows you to select different rung levels for varying difficulty.
- Final Check:** Once assembled, gently shake the entire structure to ensure all connections are secure and stable before allowing children to play.

## OPERATING INSTRUCTIONS

This 5-in-1 climbing toy offers multiple configurations to engage your child's motor skills and creativity.

- **Triangle Climber:** Use the individual triangle climbers for climbing practice.
- **Reversible Ramp:** Attach the ramp to a triangle climber. The smooth side functions as a slide, while the side with grips acts as a climbing wall.
- **Climbing Arch:** The arch can be used independently for climbing over or crawling under.
- **Rocking Arch:** When flipped, the arch transforms into a rocking arch, providing a gentle rocking motion.
- **Combined Set:** Connect the triangle climbers, ramp, and arch in various ways to create a larger play structure, such as a bridge or tunnel system.

### MAINTENANCE

Proper care will extend the life of your climbing toy.

- **Cleaning:** Wipe surfaces with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Ensure all parts are completely dry before storage or next use to prevent wood damage.
- **Storage:** For convenient storage, the triangle climbers can be folded, and the smaller triangle can fit inside the larger one. Store in a dry place away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

If you encounter any issues, please refer to these common solutions:

- **Wobbling Structure:** Check all screw connections and tighten them if loose. Ensure the toy is on a level surface.
- **Difficulty in Assembly:** Review the assembly instructions and ensure all parts are correctly oriented. Do not overtighten screws initially; tighten fully once all parts are in place.
- **Parts Missing:** If any parts are missing upon arrival, please contact customer support immediately.
